More Country Music Please...

"We want more Sunday afternoon Country Music events" was encouraged by visitors and locals who went to Lockington's Community Centre to enjoy the music of Anthony Tenace and Jimmy Johnson on Sunday, July 23. Unfortunately ill health forced Rino Morea to stay at home but thankfully Jimmy was only too happy to join Anthony. Fans of the musicians and dancing, people from Tasmania, Dinglee, Bendigo, Kyabram, Echuca, Gippsland etc joined the small number of loyal 'Lockingtonians'. The dance floor had couples doing a variety of dancing including line dancing, rock 'n' roll, fox trot and waltzing. There was music to satisfy all musical tastes. Locals are encouraged to come, see and hear any future events like this, which includes the big week-end in August. (See the advertisement). Please book now particularly if catering is required.

Hello again, Everyone.

In reviewing the accounts of World War I that were reaching the people living here a hundred years ago, we have arrived a critical period. By late September, 1916, there would not have been a town or district across the whole of this country that was not being effected by the war, and most of the young service personnel from Australia would by then have been in France. A letter from one of them was published in the Rochester *Express* on 22 September, and said in part, "Life in France is of course vastly different to Anzac and Egypt – far more dangerous as well. Our boys are making their presence felt..." but the soldier had added that they were "eagerly looking forward to the time when we can once more wander down the streets of Melbourne and Sydney."

The casualty lists had become longer, and one of those most recently received had brought home to our particular district the serious nature and consequences of the fighting. It included L Cpl Malcolm J Cochrane of Diggora West, killed in France, and Pte W J C Williams of Ballendella, wounded. An "In Memoriam" service for Lance Corporal Cochrane, held in early October at Tennyson Presbyterian Church, saw the church "filled almost to its utmost capacity."

The Reuters Agency news from the Western Front indicated some late successes, but stated that the allied forces must continue to "push on with fortitude." Local recruitment was ongoing, with the *Express* on 16 October, 1916, reporting that G F Lumley of Bamawm had enlisted. An earlier edition stated that Mr William Fair, Teacher, at Bamawm had passed the medical examination and was accepted for military service. Despite the local Recruitment Committee having stated that practically all available men in the district had already enlisted, the authorities "urged the Recruiting Sergeant to use strong measures to bring slackers to sense their responsibility." Fear of the effect that a British loss would have on our own country was in part responsible for the pressure to enlist – "If Germany should succeed, Australia would be first to fall into the hands of the enemy." But, there was also the fact that reinforcements were much needed at the front. It was reported that, at Pozieres, some of the troops were fighting for 8 ½ days without relief, greatly increasing the risk to their lives.

Throughout October, the *Express* continued to publish war news received by letter, as well as the reports from Reuters. One letter from a soldier in France told of the success of the "British push" though noting that "it is a push still". He felt that the Germans seemed demoralised by the Allies' artillery. At the start of the war, the Germans' superior artillery had been a decisive factor in their success, with the British seeming to have been caught almost off guard. That the Allies were now able to access artillery of such high standard ap-

peared, in this particular soldier's estimate, to surprise their enemy.

A letter from another local soldier, whose service had taken him to Belgium, was full of admiration for the amount of labouring work being done by the womenfolk there and in France. Most of them, he said, dressed in black and had obviously lost family members in the fighting. There was general hardship, with it seeming difficult even to obtain clean water. He noted that the numerous churches and shrines across the countryside indicated that the people were deeply religious.

In the meantime, at home, the new Bamawm Railway Station was being put to good use to truck out the local wool clip, and the orchards in the irrigation areas were reported to be coming along well. On 7 November, 1916, the *Express* carried a report of a successful local event : -

"A concert, in aid of the Tennyson School Patriotic Fund was held in Mrs O'Brien's Hall, Tennyson, before a crowded house. The items given by the children were very good indeed, without any show of nervousness whatever, which helped to advantage the results of their good training by their teacher, Miss Fullerton. The programme was helped materially by an old scholar of the school, Mr Lindsay Munro. The various items of the programme were:—Mrs Stein and Miss Worner; recitation, Kathleen Cox; song, Mr Munro; song, Merry Little Cooks; schoolchildren; recitation, Miss Betty Devine; song, Mr Summers; song, schoolchildren; recitation, Miss Cassie O'Brien; song, children; song, Mr Cathcart; recitation, Janet Windridge; song, Mr Munro; song, Bessie Seiersen; song, Mr Summers; recitation, Alma Scurrah; dialogue, the children. Mr Sinclair, in moving a vote of thanks, said that the school had collected £4l for the funds, and would benefit by £ll on that night. Mr Gladman auctioned the pot plants and flowers after the concert. Cr Ham gave satisfaction as chairman. The evening closed with a dance."

That must be all for this fortnight. 'Bye until next time, Marg O'Brien

MILLOO CWA

In July several members of the Dingee branch joined us for a bring and share lunch we were celebrating CWA international month , the country of study this year being Denmark we were fortunate to have Leanne Welsh from Calival take time out from her busy schedule come and share with us the trip she and two daughters took to Denmark last November –December . Her younger daughter having qualified to compete in the world " Kettle" weight lifting championships .Being the off season for tourists Leanne was able to give us an unimpeded look at their time spent in the cities were they were able hire bicycles and visit the sights unimpeded by crowds, she concluded her Denmark show and tell with brief stopovers in London and Paris .

An enjoyable afternoon and lovely to to be able to enjoy the fellow ship with a sister branch The Dingee Branch closed several years ago but reopened in 2016 it is nice to see the women from quite an area surrounding Dingee now coming together to enjoy friendship and working for their community, the library service in Dingee being one of their projects.

AT MILLOO**

Teresa and Ian from the Milloo church...
We just wanted to let people know who we are etc.
A little introduction...
Ian Dennis is originally from Tumbarumba NSW and myself Teresa Jasper is originally from Bunnaloo/ Moama NSW.

Ian worked as a jack of all trades with the local Real Estate in Tumbarumba keeping up with the maintenance and gardening which he is really missing, along with his local school bus driving.

I Teresa am a Program Manager for VACCA and I work alongside of DHHS in Child Protection.

We purchased the Church with an idea of living in it and it will be our beautiful family home. We love the old style and appreciate the hard work that was put into making the church the beautiful building it is today.

Ian will be the project manager for all the local trades whom we are using along with his own skills, to make the Milloo church into an comfortable home for ourselves.

We have to date been very happy with the trades but still looking for roofer? So feel free to contact us if you know someone. J.

We both love the area and the beautiful little towns surrounding.

After talking to the locals in Lockington, in which my daughter works at the local hair salon, we thought it would be a great start to pop something in the Locky News so locals will know who we are.

It is our promise to the community that we will love, cherish and look after the beautiful building we feel honoured to call home.

And on a little side note feel free to contact us if you would like to pop in and say hi.

And if you are looking for a handy man for any little bits and pieces or gardening give Ian a call.

Feel free to contact myself on 0456457777 or Ian on 0447960794.

Respectfully
Teresa Jasper

LCS NEWS

We have had a great start to term 3 with many exciting things happening including athletics sports, Somers Camp and our school production.

This year our school production is title 'Locky Turns the Page'. As the title suggests the production is all about books! The students are working hard to learn all the songs and dances. The production will take place on Thursday 14th September there will be further details in the next community news.

Tuesday marked 100 days of Prep for our Prep students. They are all learning so much, both academically and socially. The future of the Lockington community looks bright with these children! Oh course one of them recently told me they are lucky to have the best teacher in in the universe in Jenny Howlett!

Last week students from the Junior Department travelled to Echuca College to take part in an Indonesian Immersion Day. It was a great chance to learn more about Indonesian culture and heritage. Students watched a Pentawasik performance, where they observed some traditional dance, music and stories. They were then able to ask the performers questions. Following this, students took part in several workshops with students from other schools in the area. Thank you to the Echuca College for making this day possible.

This week students have been taking part in daily gymnastic sessions as part of the Sporting Schools Program. The sessions have been conducted by Gary Black from Gymnastics4Hire in Melbourne.

Students have enjoyed

learning new skills and challenging themselves. A big thank you to Gary for returning to LCS to conduct the sessions. Gary has now been to LCS for the past 3 years and was once again impressed with the positive attitude, behaviour and willingness to have a go by our students.

Over the holidays we had a clean out of some store rooms at the school. We found so many things! We found the meeting minutes to the mothers club meeting dating back to 1953. Back then the mothers club had 72 members. Members were on a roster to provide supper and it sounded like a very social occasion. There are many familiar names in the minutes some with great grandchildren or grandchildren attending LCS today!

A exert from the minutes:

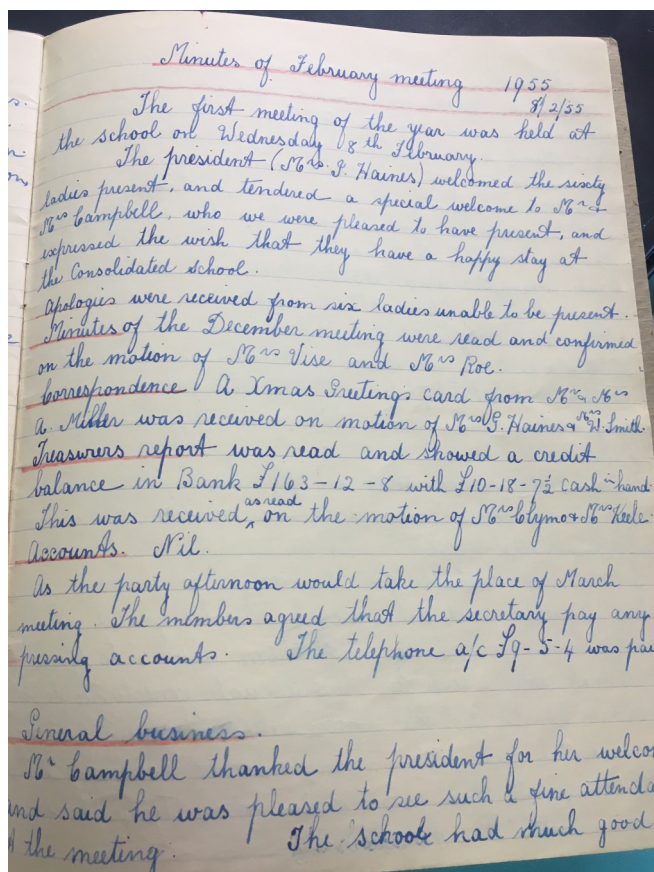

Notes on Birthday (Mothers Club Birthday) afternoon held 2nd March 1955

The first birthday party afternoon was held in the Lockington Memorial Hall on March 2nd. There were approx. 120 present.

Visitors came from Rochester, Nanneella Estate, Nanneella West, Ballendella, east Loddon and Pannoo.

Mrs Keele made the cake and Mrs J McMinn decorated it. Mrs Minard, Mrs Ryan and Mrs Crow made the shoulder sprays which were presented to the artists and two members from each visiting club.

The President (Mrs J Haines) lit the candle on the cake, Mrs E Hann (Secretary) extinguished it, while Mrs Campbell (head teachers wife) cut the cake. A committee of eight ladies organized the social entertainment. A most enjoyable afternoon for all.

New Echuca Moama bridge a step closer

Construction of the new Echuca Moama bridge is another step closer with roundabout works set to begin, Nationals State Leader and Member for Murray Plains Peter Walsh says.

Mr Walsh congratulated Echuca company RECivil, which has been awarded the contract to build a new roundabout at the intersection of Warren Street and the Murray Valley Highway in Echuca as part of the new bridge project.

"The Warren St intersection is an important gateway connecting communities and businesses between Echuca and towns along the Murray River, and Moama in New South Wales," Mr Walsh said.

"When locals see this work start, they will finally be able to see the project that the Liberal Nationals started in 2014 is going ahead."

The former Victorian Liberal Nationals government committed \$96 million for the bridge project in July 2014, but the project stalled under Labor.

In 2016, Member for Murray Damian Drum and Minister for Infrastructure Darren Chester secured a further \$97 million from the Commonwealth because, like the Victorian Liberal Nationals, the Federal Liberal Nationals recognise the importance of a second river crossing for Echuca Moama.

"The new bridge is a desperately-needed, major infrastructure project for our community that is vital to easing congestion on the current bridge and making sure liveability in our region continues as our population grows," Mr Walsh said.

"It is The Nationals in government, both at a state and federal level, that brought this project to fruition after years of Labor governments stalling and delaying."

Blackouts predicted in Murray Plains Electorate

Leader of The Nationals and Member for Murray Plains Peter Walsh says that Daniel Andrews' closure of Hazelwood Power Station threatens to cause blackouts in the Murray Plains electorate this summer.

As the first summer without Hazelwood approaches, experts predict Victoria will not be able to generate enough baseload energy to keep the lights on during the peak summer period.

"Daniel Andrews' ideological warfare over energy has already seen the average Victorian family's annual power bill jump by \$300," Mr Walsh said.

"Average wholesale prices have risen 300 per cent in the last six months and many regional businesses are facing staff cuts or even closure because energy costs have become unsustainable."

The Andrews Labor Government's only plan for energy is to hire consultants and 'mentors' for businesses, choose go-it-alone renewable energy targets, and bring in a \$252 coal tax which drives generators out of business.

But none of these policies will increase baseload power or make energy more affordable.

WHAT'S HAPPENING AT LOCKINGTON NEIGHBOURHOOD HOUSE

The Men's Shed

If you think for one second that you haven't got the skills to join the Lockington Mens Shed – then think again.

Paul arrived at the shed at 9.00 am with a template, some small pieces of timber and a couple of lengths of dowel.

By late morning his 'Dune Buggy' was starting to take shape.

At 3.00 pm Paul's project was ready to be painted and delivered to his grandchild. A family heirloom had been created.

The Lockington Mens Shed is about tea, talk and tools. It's a place to enjoy a cuppa, meet some new friends and if you wish, create something special to take home. Open every Tuesday from 9.00 am to 3.00 pm.

Scarecrows

A scarecrow making workshop coordinated by Lockington Neighbourhood House during the recent school holidays provided an afternoon of fun. Local children and youth were joined by those who were visiting their grandparents to design and create some scarecrows for our new community edible garden.

Adding the final touches.

Welcome to Lockington's newest residents. The Scarecrow family has taken up residence in the community edible garden which is taking shape behind the old plumber's shed.

Feeling pretty pleased with our efforts.

LOCKINGTON GOLF CLUB REPORT 22/07:

Stableford: Some super scores were returned, but it was Darren Carnie who won the Pentreaths Supermarket Player of the Day voucher and the Wedgie Trophy, with 44 points, on a countback from the unlucky Phil Stanford.

Phil Stanford clearly won A Grade, ahead of Gary Milligan (39), Tim Staley (37), and Steve Holt and Terry Thomas, who both finished with 35.

B Grade was a close finish with victory to Darren Carnie ahead of Travis Mancer, who finished with a great score of 43 (and in doing so, broke 80 off the stick for the first time). Next best with a solid 41 was Jason Wakefield, followed by Jeff Carnie (38) and Ron Dixon (35).

Jayden Wright played with a red "emoji" golf ball, and it should have been smiling after his terrific round of 43 points, highlighted by a sizzling outward 9 of 24 points. He was the clear-cut winner of C Grade, with Mark Holt (34) runner-up.

Nearest the pins: 3rd – Grant Humbert; 2nd shot 11th – Grant Humbert (A Grade), Jeff Carnie (B Grade), Don Muhleisen (C Grade); 2nd shot 18th for the 6-pack smack – Brett Stone. Grant Humbert won a ball for his eagle on the 11th, as did Will Hardess for his birdie on the 4th that earned him 5 points.

Spike's Longest Drive on the 2nd, sponsored by Hot 'n' Cold Plumbing: A Grade – Terry Thomas; B Grade – Travis Mancer; C Grade – Jayden Wright. Neither the Echuca CIH eagles nest on the 3rd, nor Captain Terry's yardstick on the 16th was won.

Two Handicap Matchplay quarter finals were tight tussles - Andrew Harris eventually prevailed over Kevin Humbert on the 19th, while Gary Milligan defeated Barry Graham 2-up.

26/07:

Stableford. Annette Brereton returned the day's best score of 39 points to win the Pentreaths Supermarket Player of the Day voucher, plus A Grade honours.

Sherryl Jones was runner-up in A Grade with 35. Lois Chugg played well to finish with 35 points and win B Grade, ahead of Helen Hayes. Nearest the pin: A Grade – Sherryl Jones; B Grade – Helen Hayes.

29/07:

Par. Despite the windy conditions, a good crowd turned up. With a score of +3, Mark Holt won the Pentreaths Supermarket Player of the Day voucher and the Privilege Cup, on a countback from Travis Mancer and Will Hardess.

In A Grade, Travis Mancer continued his good form to win with +3, ahead of Gary Milligan (+5 on the outward 9) and Mat Dennis, who both finished +2.

Barry Graham won B Grade with +1, with next best Rick Connors (square) and Blake Humbert (-1).

C Grade honours went to Mark Holt on a countback from Will Hardess. Next best was visitor Travis Brooke (+2), followed by Tony Brooke (+1) and Bruce Haines (square). Nearest the pins: 16th – Grant Humbert; 2nd shot 9th – Gary Milligan (A Grade), Darren Carnie (B Grade), Bruce Haines (C Grade); 2nd shot 18th for the 6-pack smack – Steve Holt.

Spike's Longest Drive on the 8th, sponsored by Hot 'n' Cold Plumbing – Tim Staley (A), Blake Humbert (B), Tony Brooke (C). Neither the Echuca CIH eagles nest on the 3rd, nor Captain Terry's Yardstick on the 16th was won.

In the digits championship semi-final, Gary Milligan and Blake Humbert were 3-down early in the match against Terry Thomas and Darren Carnie, but they hit the front after 9 when Blake scored a crucial win, and surged away over the next 9 holes to score a crushing win 14-up.

Upcoming events: **Wednesday 2nd August** – Stroke – Secret 5. Duty – Pat Schram, Yvonne Stansfield. **Saturday 5th August** – Stableford – The Great Grade Battle. Duty – Des Pentreath, Jeff Carnie. **Sunday 20th August** – Murray Human Service Golf Day – 4 person am-brose - bookings to Glynis Kelly, 5480 6611.

LOCKINGTON BOWLS CLUB REPORT 24/7/17

The popular Scrounge event has been played on a Wednesday over the past month with just the one week lost to inclement weather. Last week Norm Bacon was the leading scorer on the day with 49 points to win ahead of Les

Brereton on a splendid 46 points. Bev Brereton was the other winner on 43.

The previous Wednesday Annie Haines stole the show after amassing an incredible 58 points to grab the spoils. Les Brereton won his rink after tallying 52 points while Alan Kauffman defeated a star studded rink to win on 36 points.

Bacon was impressive in scoring 58 points early in the month to add to his trophy cabinet while Ray Hanson 57 and Dingee visitor Norma Thomas 51 picked up an award. Scrounge will continue on a Wednesday starting at 1.00pm (weather permitting).

The club was saddened to learn of the passing of Keith (Mick) Brown recently. Brown was a popular figure in the bowling fraternity and was a dedicated member in helping to improve the club. His bowling prowess was well known with several seasons of division one bowling and winning the B grade Championship in 1994-1995. Brown was also runner up in the Club championship on two occasions as well as winning the CVBA Mixed Pairs with Mary Dullard.

The club is inviting members and new bowlers to register for the CVBD 2017/2018 Pennant season. List are available at the clubhouse.
