A Family Feed Is Back On The Menu At The Locky Hotel

Just in time for Summer, Friday night saw Kate and Bruce (and extended family) re-open the doors of the Lockington Hotel. A keen crowd gathered for the occasion, and for the first time in just over 12 months, the smell of meals filled the hotel.

The hotel’s focus will be on a family friendly environment, including a new family bathroom facility and kids meal deals. Drop in and say hello to our new publicans, play a game on the newly refurbished pool table, or enjoy a meal with family and/or friends. Come and support our local pub, so the doors stay open.

EULOGY - JOY BICKFORD

Ellenor Joy Bickford, nee Sinclair, was born in Swan Hill on the 8th of July 1927. The eldest daughter of James and Doreen Sinclair and big sister to Graham (GB) Sinclair and Margaret Mead. Mum spent most of her time in the Lockington area, attending the Pannoo State School during her childhood. After finishing school, she taught piano to many of the district children.

She married Robert (Bob) Bickford on 17th February 1951 at St Paul’s, Anglican Cathedral, Bendigo. They started their married life at “Argyle” Roslynmead moving to “Monomeeth” Kotta in 1957. They had three girls, Melva Howell, Wendy Sims and Jan Hawkins.

Mum loved her golf, beginning her career at the Tennyson course, where she won the Handicap Championship and President’s trophy in 1949. She joined the Lockington Golf Club in 1962, helping plant some of the trees on the west boundary of the new course. She was a member of Lockington Golf Club for 37 years, holding the office of President, Captain and being a committee member for over 20 years. Mum also enjoyed the challenge of Pennant, playing in the pennant team for around 26 years. She was “C” grade Champion three times during her playing career. She was on the executive of the Bendigo District Golf Association for several years. Her love of golf has flowed through to eldest daughter Melva. Mum now sponsors the “Bickford Bowl” a tournament held each year. After several attempts, this year, Melva and her team members won the bowl. This was a very proud moment for Mum presenting the silver bowl to Melva. Mum received life membership of the Lockington Golf Club in 2005, a very proud honour for her.

Mum was also heavily involved with the Kotta Fire Brigade, being the Communications Officer for over 14 years. She was presented with a plaque in 1995 acknowledging her loyalty, friendship and long service to the CFA. I follow in Mum’s footsteps in this regard. Also being the farming daughter, her love and interest in what is happening on the agricultural scene is continuing on for another few generations.

The Kotta Hall also was one of her interests, assisting in many of the functions held at the hall during the year. Christmas tree concerts were a highlight of the year. Mum and Dad were presented with a plaque of appreciation for their work by the Kotta Hall committee when they left Kotta to live in Echuca in 1996.

Mum played the organ at St Mary’s Anglican Church, Lockington as well as assisting in the general weekly maintenance. She taught Sunday school for many years. After moving to Echuca Mum became a regular parishioner at this church.

Dad was a member of several Masonic Lodges and Mum got enjoyment going to many places with him, attending their ‘ladies nights’, very formal dances held regularly and treasured the many lasting friendships they made.

Mum supported us girls throughout our schooling, being on Parent’s committees of both the State school and High school. She ferried us to tennis, basketball, netball and local dances. Mum did most of the day to day running around on our behalf as Dad was always down the paddock working! Mum always supported whatever we were doing, this continued with her attending all major sporting and other events that her Grandchildren participated in and then recently ballet concerts and school activities that her Great grandchildren were involved in.

Mum loved her garden, which was always beautiful both during the day and at night. The photos on the order of service are from the front garden at Kotta. She loved arranging floral displays, a talent definitely not handed down to her daughters.

The author of “Tough Love: Tackling addiction and seeing change”, Peter Lyndon-James, is an itinerant speaker and can be booked in for a Tough Love Seminar.

In our country and throughout the rest of the world we have an epidemic on our hands. Ice has taken over the minds, hearts and homes of people from all walks of life. The Tough Love Seminar is designed to equip families and individuals with the right ways in which they can help their loved ones beat addiction. Sadly, many families think they are doing the right thing, but in the actual fact they are doing the wrong thing. By the time they realise, it is too hard to turn back – the ripple effect has spread through the whole family and taken everyone out in the process.

The Tough Love Seminar brings home many hard truths and opens the eyes of families to show them the right way of helping the ones they love.

If you would like further information about the seminar and are interested in booking Peter Lyndon-James to speak at your event, please email toughlove@lyndonjames.com.au.

EULOGY - JOY BICKFORD (Cont’d)

Mum loved her garden, which was always beautiful both at Kotta and then in Echuca. The photos on the order of service are from the front garden at Kotta. She loved arranging floral displays, a talent definitely not handed down to her daughters. 

Mum enjoyed going to concerts and the theatre. In later years she attended many productions in the company of youngest daughter Jan, comparing notes on the actors and their ability at the conclusion of the each show.

Mum was also interested in the finance, she competently kept the farm books all her life. She travelled regularly to Melbourne to attend share meetings and listen to guest speakers. She held an interest in the Guide Dogs and Flying Doctors Association, again attending dinners and meetings in Melbourne whenever she could.

After moving to Echuca, Mum became an active member of the Kanyana support group and Campaspe Murray Probus. She enjoyed attending their meetings, luncheons and the various trips they went on. Our thanks to those who assisted Mum with transportation after her hip operation last year.

Mum bought the three of us up as strong, independent individuals – which possibly challenged her many times over the years – when we stood our ground and did things our way!

Mum and Dad were most likely the reason that the three of us enjoy travel. As children, although the trips were only limited to South Australia, New South Wales and Victoria we visited different areas each year. Each new place meant a visit to all the recommended tourist sites in the area, something we all still do today when we travel.

Mum was blessed to have seven grandchildren. John, Natalie and Stephanie Howell who remember holidays on the farm which included collecting eggs from the chook house, yogos and jelly cakes, experiencing farm life and lots of bedtime stories, particularly stories from “365 stories for boys and girls” and the playing with the kittens. Large Christmas gatherings when they were young, the tree in the hallway and the glass Christmas decorations.

Grant, Nicole and Kellie Sims who remember playing in Grandmas beautiful garden at Kotta, running around the verandas and playing with the many kittens that lived on the farm. Grandmas cooking was also something they fondly remember. She made the best yo yo’s, apple cake, scones and the list could go on. You could be sure to get something delicious when you visited Grandma. And of course, the kit kats she always bought when she came to babysit them at Pine Grove. Later when Grandma moved to Echuca, Grant remembers Grandma sharing lots of stories about her and Grandpas farming in the early days. Grandma could talk for hours about any topic, which is something they all will miss.

And Andrea Ruff who also remembers yogos and apple cake always available for whenever you arrived, not just as a child but even when in your 30’s. Of not being able to leave Grandma’s house without a round of sandwiches and at least two types of slices or cakes, even if you had just had morning or afternoon tea. Stopping the car while driving somewhere to pick wild flowers growing by the side of the road. Being given very specific instructions about the size and quantity of morning sticks she needed to collect for the fire and finally, being able to Skype Grandma while she is overseas. The first time they used it the reaction.....”oh Andrea I can see you, what do I do now”, and Andrea said just talk, and for the next two hours that is what happened.

In her 80’s Mum managed to navigate around a computer to check the golf scores, send emails, find out about theatre shows in Melbourne. Not a bad effort for someone who lived without connected electricity in her early years of her marriage.

She now has 10 great grandchildren, scattered between Pine Grove, Bendigo, Ballarat and Geelong. The great grandies have again given her great enjoyment whenever they visited, although I think she was also happy to see them go home with their parents.

2017 was a great year for Mum. She turned 90 in July and the enjoyment she had at her birthday party lasted for weeks. She was thrilled that over 80 family and friends were able to celebrate this wonderful day with her. This was followed, as I have already mentioned, with Melva winning the Bickford bowl.

We would like to sincerely thank her neighbours, who looked after her in many ways. Whether it was assisting with putting out the bins, putting the paper at the door or opening jars and getting items down from high shelves. We appreciate your assistance. We would especially like to thank Jeanine and Ian Campbell, Xavier and Seamus for their help, they were the perfect neighbours and a great help to both Mum and the three of us. Your family held a special place in Mum’s heart.

Mum passed away suddenly, just like she wanted. At home and without fuss, the perfect ending. I told the Police on arriving at Mum’s on Friday morning “she won’t be happy, she didn’t plan on dying”. When I rang Jan, she kept saying, “you mean Joy” to which I replied well that’s the name of your mother, and in turn when Jan told Melva. Speechless, silence, not the norm for anyone who knows Melva. It will take some time for her death to sink in, not being able to ring and ask “how is so and so related to so and so”... and like the kids, the apple cake that only Mum knew how to make properly, Neenish tarts and ginger fluff sponges.

Together with Melva and Jan, I would like to thank you for being part of Mum’s journey in life and for joining with us today to celebrate her full and active life.

After 16 and a half years, reunited with Dad.

Roses Gap Camp
Our 5/6 students returned from camp last Friday with big smiles on their faces excited to tell us all about their adventures. Thank you to James Hodgens, Jacob Johnson and Kath Connors who gave up their time to make this all possible. We are already talking about Canberra Camp 2018! This Wednesday our Grade 3/4 students head to Queenscliff for a 3 day camp which I am sure they will enjoy! It is the first camp for our Grade 3 students but they will be so active and engaged they won’t have time to miss home! Thursday next week, the Grade 2 students will have their annual sleep over at school. They are all very excited! I’m sure we will see some very tired faces around school on the Wednesday!

Working Bee Thanks
Our school grounds are looking great! Thank you to everyone who came along on Sunday morning and helped out at the working bee. Thank you to Jenny Howlett who designed and lead the development of the garden bed at the front of the school. A big thank you to Mick McNair who brought his tractor along to help out. We are part of a great school.

Echuca Basketball
Well done to the teams that took part in the Echuca Basketball Competition on Friday. It was a fantastic day at the Echuca Basketball Stadium, with teams from 12 schools competing. We had two teams compete, one boys and one girls team. The teams were coached by Mr Johnson and Mrs Keath. Both teams played with great spirit, determination and sportsmanship. The students should be proud of their efforts and the manner in which they played. Thank you to Sheree Miriklis, Meagan Brentnall and Rhonda Hann for transporting the students and for helping out on the day. Your help is greatly appreciated and helps make these events possible.

Landcare Visit
The Grade 3/4 classes were lucky to have a visit from Wendy Sims on Wednesday. Wendy is a member of the Lockington Landcare group and came to speak to the students about her involvement with Landcare over the years and the major projects that they have worked on in and around Lockington. She also spoke to the students about the importance of volunteering in your local community and the different organisations that she has volunteered with over the years. The students were able to ask Wendy lots of questions about how and why people volunteer with Landcare and how they could possibly get involved and volunteer with special projects in the future. Thanks to Wendy for giving up her time to come and speak to the students, they really enjoyed it.

Remembrance Day Service
at Mologa 2017
Guest Speaker - Jim Burrowes
The last Coastwatcher
Aged 18, Jim Burrowes eagerly signed up to join his two brothers already involved in the Pacific War in the early days after Pearl Harbour. After brief training as a signaller, by various turns of events he became a Coastwatcher at one point in the US Amphibious Landing Force. Later Jim joined colleagues behind enemy lines to report on enemy activity as part of Allied Intelligence Bureau. Warning of Japanese attacks provided by Coastwatchers became pivotal in turning the tide of the Japanese advance and saving Australia from occupation during those dark days for Australia during 1942. Jim speaks with passion about those and history of the wartime era, including his good fortune to be able to return home when his didn’t make it. Jim is the last surviving Coastwatcher to record the history.

The service will commence at 10.45, all are welcome to attend bring a chair for seating, after the service a BBQ will be served.

YAGers

Five very excited members of the Lockington Youth Action Group (YAGers) spent one week of their school holidays at the famous Portsea Camp last month. Their days were jam-packed with snorkelling, riding the flying fox and giant swing, and canoeing. Orienteering, earth ball games and initiative activities were also part of the fun-filled program.

After dark the campers enjoyed movies on the big screen, and were encouraged to show off their dance moves at the camp disco. The YAGers would like to thank the Lockington District Business Centre for assisting with the cost of the camp attendance fees.

Lockington Men’s Shed

It is with great sadness that the Lockington Men’s Shed says farewell to our respected President and valued member Peter Wynd. Peter has made an enormous contribution to both our shed and the local community during his time at Bamawm. We would like to take this opportunity to wish him all the very best for the future.

Farewell Peter Wynd

In The... Library

November sees a flurry of activity from authors and publishers releasing their Summer Reads. It’s a great time to pop onto the Campaspe Library Website www.campaspe.vic.gov.au/library and see what has just hit out shelves and place them on reserve. Any reservations can be sent out the Lockington Library at the Business Centre, you will receive either an email or SMS to let you when it is available. The Locky Library is open Tuesday's, Wednesday's and Friday's from 10am-2pm.

Some get titles to look out for include Jimmy Barne's second memoir Working Class Man, John Greene's Turtles all the way down, Jane Harper's Force of Nature and Alex Miller's Passage of Love. I am about to start Little Fires Everywhere by Celeste Ng which is hugely popular. There are some great websites to help with your reading choices including Goodreads.com and Betterreading.com.au and fabulous Facebook groups to join like the Silent Book Club where readers from all over the world share their latest read. Over the last month I have enjoyed St.Kilda Blues by Geoffrey McGeachin, The Last Painting of Sara De Vos by Dominic Smith, Wimmera by Mark Brandi and The Dry by Jane Harper - all brilliant reads and recommend them.

PETER WALSH
MMPER FOR MURRAY PLANS
Leader of The Nationals / Deputy Leader of the Coalition

Monday 30th October 2017

ROYAL COMMISSION INTO VICTORIA’S FIRE SERVICES

A Liberal Nationals Government will initiate a Royal Commission into Fire Services in Victoria.

Leader of The Nationals and Member for Murray Plains Peter Walsh said a Royal Commission which is completely independent of government will take the politics out of the bitter dispute over Victoria’s Fire Services.

“It’s time that Victoria stood up to protect those who protect us,” Mr Walsh said.

“Absolute deception and duplicitous action has been occurring in the Fire Services, and this state is poorer because of it. “After years of ongoing intimidation, threats, bullying and alleged inappropriate behavior, it is time to reset and ensure the fire services are focused on community safety.”

Mr Walsh said there was serious concern across his electorate that Daniel Andrews had politicised Victoria’s fire services.

“The ongoing dispute over the CFA and the MFB’s enterprise bargaining agreements led to concerns about operational effectiveness.

The board and senior management of the CFA expressed those concerns and they were sent packing because they did not agree with Daniel Andrews.

“Mr Walsh said the implications the EBA has on community safety, and the process and conduct of these negotiations will be a key area of investigation by the Royal Commission.

“It will critically examine the issues our fire services are facing and come up with evidence based solutions.”

**THE HELM’S THE SAME AT HERITAGE COMPLEX**

Joe Chappel was re-appointed as President of Lockington & District Living Heritage Complex Inc at their annual meeting held, October 23. The other office bearers remain the same, i.e. Senior Vice President: Des Pentreath, Junior V.P: ‘Jack’ Oliver, Secretary/Treasurer: Beryl Marshall, Catering Chairman: Julie Chappel.

Beryl as Secretary/Treasurer, in thanking the committee for their support and patience whilst holding both positions, requested those present to consider asking people in the community to become involved in the organisation. We are all part of a team, although ageing ‘gracefully’.

A summary of President Joe’s report for the 24th AGM stated, “It’s been a trying year with the council and fire services both involved in the updating of the big shed.” In thanking the committee he said, “You are a good committee; you’ve worked well together over the last year. When one looks around and sees what has been achieved over the last year, one feels quite proud of the outcome.”

Regarding our 20th rally, “Saturday may have been down a little, but Sunday was a very good. We ran a segment on ‘Cropping in the Twenties’ machinery that was used between 1910 and 1930. Just a reminder, a committee member is allowed to put two engines in the compound and they must be able to start.”

10 old tractors were taken to the Elmore Field Days the “Heritage got quite a bit of mileage out of that visit.”

“The premises are still used quite a lot. Thanks to Des he has the ability to find people everywhere and take them through.” “We raised $430 at our Biggest Morning Tea.”

“We must not forget our volunteers and supporters who helped us throughout the year and also the groups who come and help at the Rally times. We thank you very much and anyone I have missed mentioning, we thank you also. We could not cope without your help. Many thanks to our kitchen staff. They do a fabulous job. There are probably over 1,000 meals that come out of that kitchen over the Rally weekend. Not forgetting the Lions Club. They come along and cook up a storm on the BBQ. Five hundred sausages and five hundred hamburgers are cooked and served on one hundred loaves of bread. A marvellous effort. Thank you very much. In closing we must thank Gordon McKay. He has done an incredible amount of work here of which we are all very grateful.”

Lockington Bowls Club

Report: October 30, 2017

Last week the social bowls were cancelled while several women competed in the CVBD State Triples event at Rochester Bowling Club.

The latest round of CVBD Midweek and Weekend pennant competitions did not bring much joy or success to the Club. On Friday the women travelled to Moama and could manage just the one rink win in the 55-89 loss, but still remain in the top four. (B Mustey, N Haines, A Haines, K Palmer (s) l.t. K Gillingham 14-34; L Maslen, D Smith, L Chugg, P MacFarlane (s) l.t. K Washall 19-37; A Lowrie, L Appleby, M Davis, P Humbert (s) d.D Armstrong 22-18).

In the CVBD Week-end pennant competition both division two and four team lowered their colors to the respective opposition, Deniliquin and Ky Valley View. Division two had a long trip home after being defeated in all rinks to lose the match 106-43. (D Isgrog, K Main, R Holman, R Shawcross (s) l.t. L Ritchie 13-29; R Head, T Davis, A Kauffman, J Harris (s) l.t. M Freshwater 16-29; F Chugg, G Shawcross, R Hanson, G Turner (s) l.t. H Lea 14-46). The team slips out of the four to sixth position on the premiership ladder. Over at Ky Valley View the division four teams tried valiantly to notch up another win, however the home sides were equal to the occasion and allowed us just the one rink victory. The Bill Musgrove rink kept us in the game by winning 33-14, but the opposition scored five shots better on the other two rinks to win 75-70. (K Gibbon, D Smith, L Breerton, P Collins (s) l.t. M Finn 18-32; K Stout, G Hyden, P Cunnington, B Musgrove (s) d. B Gawley 33-14; C Stewart, B Breerton, A Harris, S Peter (s) l.t. C White 19-29). Division four remain in the top four.

During the week teams journeyed to Picola for the Triples tournament and enjoyed the greens and hospitality. The women will hold the Invitation Fours event on Wednesday 15th November starting at 10.00am. Contact Kath Palmerton 5486 2314 for entries.

On Sunday the Norm Knopp Shield and Northern Challenge was held at the Moama Bowling Club in fine but gusty wind conditions. Spectators were treated to some excellent bowling from all competitors representing the Goulburn, Campaspe, Bendigo and Murray divisions for the Norm Knopp Shield event while Campaspe, Bendigo, Goulburn and Northern (Cohuna) divisions vied for the Northern Challenge trophy. The Campaspe women dominated the Northern Challenge winning all three matches and dropping just the one game. Details: Campaspe defeated Goulburn Valley 52-23, then defeated Bendigo 67-18 by a large margin and scored a close 33-30 victory over Northern to take the challenge. (J Grimshaw 17-6, 22-7, 8-13; M Roberts 13-8, 24-2, 13-8; L Harris 22-9, 21-9, 12-9). The Melissa Roberts team won the best performed rink 3 wins plus 32 shots ahead of runner up Linda Harris 3 wins +28 shots. The Jill Grimshaw four finished 2 wins +21 shots. Campaspe finished on 6 points plus 81 shots in a resounding victory.

In the battle for the Norm Knopp Shield being held for the fiftieth occasion, it was the strong Bendigo squad that finished up unbeaten on 6 points (two points per win) plus 36 shots ahead of Campaspe 4 points +33 shots followed by Goulburn 2 pts - 23 shots and Murray 0 pts - 46 shots. It was interesting to note that the overall results were relevant to the first match played between Bendigo and Campaspe whereby Bendigo were the victors 82-79 by three shots. The best performed rink was the Brad Marron (Bendigo) team with 3 wins plus 24 shots ahead of Brad Orr (Goulburn) 3 wins +16. The only other three game winner was Cameron Wilson (Bendigo) 3 wins +5. Details of the Campaspe teams in finishing order: B Tinning, S Hammond, P Thorn, M Humphries (s) 2 wins +12 shots; D Hessell, T Nagorcka, S Barker, S Laing (s) 2 wins +10; M Chaplin, G Dorward, A Birch, K Brennan (s) 2 wins +4; W Brooks, I Hicks, K Liver- ton, G Beattie (s) 2 wins +1; A Vesty, J Hogan, R Werner, T Mansbridge (s) 2 wins -1; C Roberts, S Cunnington, R Feulk, D Keenan (s) 1 win +3. A successful day overall with the daughter of the late Norm Knopp, Judy Anderson and husband Sandy in attendance to assist with the presentations. Thanks to the Moama Bowling Club for hosting this special event.

Report: November 6, 2017

Last Tuesday the women enjoyed a game of Scrounge for their social bowls. The winners on the day were Annette Brereton, Annie Haines, Kath Palmer and Joy Weller on a day where pure skill prevailed.

On the Monday and Wednesday the club hosted the CVBD Ladies State Fours. The weather was close to imperfect on Monday with heavy showers, sunshine then more rain and a cold wind. All bowlers were equal to the task, however the decision was made to play two games and return on the Wednesday to complete the schedule. After the third game was completed there were three teams to contest the finals. Our local team comprising Pauline Humbert, Lois Chugg, Phylis MacFarlane, Kath Palmer (s) performed well to win a place in the final. Playing the Bev Trengrove skipped Moama rink over 18 ends both teams were evenly matched in the early part of the knock-out final. Lockington gradually fought their way to a slender lead before Moama struck back winning 9 shots over three ends to bridge the gap. Both teams traded ends with Moama leading by one shot with one end to play. The pressure may have been building a little as both leads rolled the kitty out-of-bounds before Humbert calmly decided on a three quarter length end. As the final end was played out, most of the bowls were a little scattered before the Kath Palmer skipped rink was able to take the match out by picking up four shots to win by a margin of three shots. The team will now play the Melissa Roberts rink from Moama on the 15th January 2018 for the opportunity to reach the Regional final.

In the Week-end pennant competition Division two managed to overcome a persistent Mathoura 69-63 with two rink wins. (J Harris l.t. J Hulm 16-28; G Turner d. M Lewis 22-16; R Shawcross d. B Murray 31-19). At City of Echuca division four lost all rinks to lower their colours in a 72-84 loss. Two teams lost by one single shot. (N Haines lost to J Hollowood 25-26; P Collins l.t J Aitken 23-33; B Musgrove l.t. G Ryan 24-25). On the premiership ladders, division two regain fourth position, division four dropped to fifth place while the women remain in fourth position.

Several members played the Calivi Pairs on Sunday - no results to hand at the time of print.

Members enjoyed the Friday evening barbeque and practice. The members draw favoured the missing link - Don Isgro.
We just wanted to update everyone on the 100 Year celebrations and what has been happening.

The Reunion Book – this has had a major delay as our writer has been sick alongside of a family member being critical in hospital as well. So patience is asked, we are about six weeks behind so things are still happening but unfortunately slowly. We are still working on them being here in December – ideal for that Xmas gift!!! (let’s hope things improve quickly for the family).

If you’d also like to sponsor the printing of a page in the book – there is now still opportunity for you to be able to do so. Your name/family/business would be printed at the bottom of each page that you choose to sponsor.

Decade photos – these weren’t taken on the reunion weekend with so much happening on the day, however as many would have seen, we have a fantastic photo of everyone on the field on the day – you will be contacted to let us know if you would like copy of this instead or $$ returned.
