"THERE ARE NO WINNERS IN WAR"

Major Geoff Lowe RFD quoted this when speaking at the ANZAC service in Lockington.

He was called up as a National Serviceman in 1965, an Army Musician, sent to South Vietnam in early 1966 which established the Task Force Base at Nui Dat in Phuoc Tuy Province. His duty was to act as stretcher bearer/rifleman on operations while playing cornet in concerts for Australian and American Units as well as for the locals. He returned home after 376 days.

Major Lowe served through the ranks of Private, Lance Corporal, Corporal and Temp Sgt, was commissioned 2Lt in 1977 then rose to the rank of Major.

Part of Major Lowe's address included: "who we are as Australians. About 50,000 years ago the first migrants arrived in this land, it was the stone-age... European migration started about 225 years ago and since then we have had bursts of migration. People come to Australia because it is a safe place, one of the best in the whole world. A way of life which we have gone to War numerous times to protect. Australia and New Zealand went to war in 1914 when Britain declared war on Germany, landing on Anzac Cove, Turkey, at dawn on 25th April 1915. The stalemate ended when it was decided that there could be no victory and the ANZACs withdrew on 17th December. Over 8,000 ANZACs died with 20,000 being wounded. The Gallipoli Campaign was the beginning of true Australian nationhood. Following Gallipoli Australian soldiers went on to serve in France and Belgium. Our nation lost over 60,000 killed with thousands more wounded before the war ended in 1918.

The Second World War started in 1939 and ended 1945 when 2 nuclear bombs were dropped on Japanese cities. Australia was involved in every theatre and suffered 37,000 dead.

After that in 1951 North Korea started a war against South Korea which lasted until 1953. 330 Australians died. Australians served in Malaya and Indonesia before we were committed to the Vietnam War in 1962. I served with the 5th Battalion in 1966 and spent 376 days there as a combat medic – one of the worst jobs. We lost over 500 killed in that war which ended for us in 1972. Since then we have had servicemen and women serve in Somalia, Rwanda, Iraq, East Timor and Afghanistan. We have had thousands of servicemen and women serve as Peace Keepers and Observers in many countries worldwide.

War is one of the worst things that we can do to each other as human beings; there are NO winners in war. Everyone who experiences war is seriously affected by that experience. It is not like an Xbox of Play station game where you can restart a level when you get killed. War is awful and all I pray for is that it won't be necessary for our government to commit Australia to another.

Anzac Day is the day that we as a community pause and commemorate all those who have served our country as servicemen and women in warlike conditions. Our country is safe and secure today because of the sacrifice made by those who have died and suffered as a result of their service. We should never lose sight of the fact that this country is the best in the world to live in, due largely to our sailors, soldiers and airmen and women who have lived with the ANZAC spirit. Lest we forget.

Hello again, Everyone,

Our local district newspapers throughout February, 1918, a century ago, seem to have carried fewer reports of casualties to young people from the area who were then serving in the war overseas, but there were still some instances. On 1 February, the *Rochester Express* reported that Gunner Clive L T Bunbury, the second son of Mr Tom Bunbury of Ballendella, had died in Europe as a result of wounds. A memorial service in his honour was being arranged to take place at the Ballendella Hall on 6 February. It was also reported that Colour-Sergeant Soutar, of Bamawm, an ex-imperial soldier who was appointed at the beginning of the war as Drill Instructor for the Victorian Troops, was currently unwell. He was receiving treatment in Bendigo, but was not responding as satisfactorily as could be hoped.

In other news, reported by the *Rochester Express* on 5 February, two Diggora lads had met with separate accidents in helping out with farm work. James Cahill, son of Mr Edmund Cahill, had sustained a severe injury to his face whilst loading wheat at Colbinabbin, and George Hanley, the 16-year-old son of Mr J S Hanley, had been kicked by a horse and suffered a serious flesh wound to his leg. Both were treated by the Rochester doctor and were recovering.

Other news was varied. Having complained of Scotch and variegated thistles in the irrigation channels, the Bamawm Fruitgrowers' Association would have been relieved to read in the *Bendigo Independent*, on 1 February, 1918, that the State Rivers and Water Supply Commission was already in the process of destroying these pest plants. They would also have been pleased to learn that building of the new Shepparton Fruit Preserving Company factory was close to completion, and that the factory would begin taking in fruit for processing quite early in February.

On 1 February, the *Cohuna Farmers' Weekly* carried a report of the loss of most of the ostriches which had been taken by train from the Bamawm Extension Ostrich Farm to the Mornington Peninsular some time earlier. Almost all had perished in a fierce bushfire which raged through the Cape Schank area on 23 January, 1918 - a loss estimated at about £10,000. About a week later, the remaining forty or so ostriches were brought back to Bamawm Extension, again travelling by train, and, on 8 February, the *Rochester Express* reported that the owner, Mr Sanderson, had taken twelve of the big birds by train to Mansfield, to be put on his farm there.

A report in the *Express* on 5 February, stated that the suspension of the prohibition of destruction of possums in the irrigation districts, which had applied in 1917, would not be repeated in 1918. This decision was made because no recent damage caused by possums had been detected in the

orchards, and also because possum skins (which were sold in 1917, to benefit charitable or patriotic undertakings) currently had almost no commercial value.

A thunderstorm on 29 January, 1918, had brought rainfall in excess of 2 inches (50 mm) to much of our district, and this was followed by an unpleasant spell of humid weather in the early part of February. From 18 to 20 February, further heavy rainfall was experienced across northern Victoria though, luckily, as was reported in the *Bendigo Independent* on 22 February, 1918, wheat carting in the Diggora West district had been completed just before the heavy rains arrived there. Local growers had received an average return of about 18 bushels per acre, and 33,000 bags were carted to the Warragamba siding. The amount of wheat delivered to Rochester that year had noticeably depleted since grain grown in the western areas was being delivered to railway stations on the Elmore-Cohuna rail line. District farmers now prepared fallow in the hope of an early sowing for the next season.

Despite the heavy rain, the social held at the MIA Hall on 22 February, in aid of the Tennyson and Pannoomilloo branches of the Red Cross, was well supported and a financial success. However, not all of the district news was good, and 19 February had brought sadness for two Bamawm families. On that day, Mrs Cowley, the wife of Mr J C Cowley, died in Bendigo after having been taken to hospital there a week or two earlier. She left four children, including a son who was serving at the front. On the same day, Cr James Martin of Bamawm, lost his wife, the mother of their eight children. He and Mrs Martin had two sons who were then fighting overseas. Another loss felt in the district was that of Mr Andrew Oliver, a Diggora identity of long standing, who had moved to Casterton, where he died on 21 February, 1918. Mr Oliver was the father-in-law of Bamawm's Major George Rankin, who was then serving in Palestine.

Reports coming from overseas, indicated that the Allied troops engaged in pushing the Germans back from France could be facing increased difficulty. "Russian inactivity" in the east, due to the Russian Civil War, meant that an additional 1,600,000 Austro-German troops were now available to boost the German numbers on the Western Front. For the Allies, this meant that too much was being asked of the soldiers currently at the battlefield, and here in Australia, recruitment personnel were stressing the need for yet more enlistments.

'Bye until next time,
Marg O'B

EULOGY - DORIS PELLEW RANKIN

Doris Rowe was born 13/11/1921 in Rochester to parents William & Elena Rowe.

Fourth of seven children 4 brothers and 2 sisters.

Bill, Bert, Ann, Gloria Wes and Brian

Attended school at Rochester. Lived in Moore St just near the Court House.

Had a happy childhood with lots of good memories. In spite of some hard times as a family. During the Depression her father lost his Grocery business because people could not pay their accounts and he was not prepared to let people with families go hungry.

This formed her love of families and compassion for people.

At the age of 10 she was sent to Heathcote to live with her Grandmother for 12 months. As she was sick and her mother had just given birth to Wes, This was a sad time for her to be away from her family and missing playing with new baby brother.

She had what was thought to be rheumatic fever which left her with the tremor and heart issues that plagued her life.

During WW2 Bill Bert and Glorie had enlisted in the army. Doris was working on the telephone exchange and was classed as an essential service. So was not able to move anywhere else.

During the floods in Rochester in 2011 she often tells of her experiences during the many floods. One story of her father having to piggy back her all the way to the exchange so she could work

She turned 21 during the war.

Her great skill and passion throughout her adult life was making wedding gowns.

She had no formal Qualifications but had started making gowns for many Rochester girls

She moved to Melbourne at various times to work as a seamstress

Living at the Princess Mary Club A hostel for single women at Wesley church and working at places such as Buckley and Nunn.

She would always be available to come home to care for family members. Told the story of many outings with her sister Ann and her nieces when they would often confuse the girls as hers.

It was on one such trip home to Rochester that she met and later married Robert Rankin. She was booked on the Rochester bus, told of running late but the driver was an old friend of hers, Bill Iddles so he waited for her to arrive, the only vacant seat was next to Rob.

They married at Wesley Church in Melbourne in April 1956

She wore a grey lace over pink gown because she was too old to wear a traditional white gown.

Then she moved to the Rankin family farm in Milloo.

Doris and Rob had 2 sons Ian and Russel.

Here she was involved with the church, and CWA. And supporting Rob in his continued involvement with local council, masons and country party.

She took pride in her garden, something she could make her own on the farm. Her passion for Roses and growing award winning Dahlias

This love was continued in Bendigo .

The many nieces and nephews tell of their holidays up at the farm.

Lots of wonderful memories.

The big family event was the Rowe family picnic. This was held every year at Castlemaine Gardens then later at Moonee Ponds. A great get together of all generations of the Rowe family.

She was to lose Rob to cancer in 1978. After his death she continued to support her sons as Ian ran the farm and Russel attended university in Bendigo and Adelaide

She stayed involved with her many activities still making many wedding dresses for most of the community. Had served a time on Rochester council to continue the Rankin name

In 1987 Ian married Leanne and Doris moved to Bendigo.

For this wedding she got to make all the dresses for everyone .

Leanne's gown which she made from a photo taken through the shop window. Her gown the mother of the bride and bride maids as well.

Russel was married in 1994 in Brisbane She was not able to make Annette's dress but she did make her own dress, this dress is what the family chose to bury her in and is the photo on the front of the order of service.

Ian and Leanne have 2 children James and Elizabeth. Russel and Annette have 2 sons Keenan and Anson.

Doris always enjoyed her annual visits to Queensland to see her family. In later years when she could not travel north, she always looked forward to her annual visit from the family, when they came down from Brisbane to visit in Bendigo,

While in Bendigo she continued to make wedding gowns with no bought patterns making the pattern out of baking paper, using sheeting to trial the bodice and then making the gown. Would start with the ideas, then use her skills to suggest any changes to better suit the bride. A view of the many photos showed the changes in fashions over the 60 years of making gowns

The last gown she made was her granddaughter Elizabeth's Debutante dress, a fair feat at 87. This is the dress on her dress maker dummy.

When in Bendigo she continued her involvement with CWA joining Eaglehawk branch. Continued as a member of the National party.

We are here today in her church, note the cushions at the alter and some of the crochet knee rugs .

She joined the Valkyrie group, ladies who made care bags for people with cancer. This combined all her joys in life, Sewing, helping people and friendship of others.

In her later years she had several health issues. 4 years ago she had a fall and broke her leg.

She was determined to get home to her house after this. And with the help of services she was able to achieve this.

The family would like to acknowledge her dear friend Lyn, She started out visiting to help Doris with her Garden and has become so much more.

Following a fall last September she finally could not manage at home and ended up Benetas in Eaglehawk. The family would like to thank the staff there for their care of Doris in her last months.

She was a very strong lady, who lived by the rule if you have nothing good to say about someone say nothing, Although she was always good at communicating the fact if she did not approve of your actions.

She was always proud of her sons and their families.

She was laid to rest this morning with her beloved husband Rob at Pine Grove Cemetery.

MEDIA RELEASE

PETER WALSH MPMEMBER FOR MURRAY PLAINS
Leader of The Nationals / Deputy Leader of the Coalition**THE NATIONALS**
for Regional VictoriaTuesday 15th May 2018**LIBERAL NATIONALS
ENSURE A BRIGHTER FUTURE
FOR CHILDREN IN CAMPASPE REGION**

Leader of the Nationals and Member for Murray Plains Peter Walsh has said children in the Shire of Campaspe will have a brighter future under an elected Liberal Nationals government's plan to boost support for parents and children in the early years of schooling.

The \$80 million Brighter Futures Fund is a dedicated investment in lifting rural education results and closing the education divide between city and country students.

Mr Walsh said the Fund was the first step in working to overcome the unique challenges facing rural students.

"Where you grow up shouldn't determine your future," Mr Walsh said.

"We need to take action to ensure our children have the best start in life.

"The Liberal Nationals will ensure our kids have a brighter future by investing in integrated education hubs that better support parents and ensure our kids reach their full potential – regardless of where they live."

The Victorian Auditor General recently found *there is no sign that the gap in performance is likely to narrow. Indeed, in some areas of performance, the gap is getting wider*.

Results of the most recent Australian Early Development Census show 15 of Victoria's 20 worst performing LGAs for early childhood education are in rural and regional Victoria.

Shadow Minister for Training, Skills and Apprenticeships and for Young Victorians Steph Ryan said the integrated education hubs will be a one-stop-shop for allied health, early childhood, maternal and child health services, and tertiary education.

"A short-term plan won't secure real change. We know real change will only happen with a dedicated generational approach," Ms Ryan said.

"The Premier for Melbourne's promise to make Victoria the 'education state' ends at Melbourne's tram tracks.

"An elected Liberal Nationals government will do more than create number plate slogans.

"It takes a village to raise a child and we'll help build that village to give children in rural and regional Victoria a brighter future."

Thursday 17th May 2018**COMMUNITY HARMONY GRANTS
NOW OPEN**

Multicultural groups in the Murray Plains electorate are being encouraged to apply for a grant to build social cohesion and community harmony across the electorate.

Leader of The Nationals and Member for Murray Plains Peter Walsh said the *Community Harmony Program 2018* aims to provide groups with the opportunity to access grants of up to \$100,000 per annum for one or two years.

"The purpose of the grants is to support all Victorians to have a strong sense of belonging, whatever their religion, ethnicity, skin colour, or cultural identity.

"It aims to increase intercultural, inter-community, and interreligious interaction, engagement and understand-

ing," Mr Walsh said.

"We are fortunate in the Murray Plains electorate to have so many residents from culturally diverse backgrounds enriching our lives in so many ways.

"They make an important contribution to the social, political, cultural and economic fabric of our region," he said.

Applications close **12 June 2018** and further information is available at multicultural.vic.gov.au/grants.

"The electorate welcomes people from a range of countries and cultures and I encourage community groups to use this funding to promote belonging and celebrate those people and cultures with the broader community."

Friday, 18th May 2018**OPPORTUNITY TO CELEBRATE
OUTSTANDING WOMEN**

Leader of The Nationals and Member for Murray Plains Peter Walsh has encouraged women in the Murray Plains electorate to recognise outstanding local peers by nominating them for the 2019 Victorian Honour Roll of Women.

Since 2001, the Honour Roll has acknowledged and celebrated the achievements of over 600 amazing and inspirational Victorian women.

Mr Walsh said the prestigious award was an excellent opportunity to identify female trailblazers across the Murray Plains electorate and acknowledge the contribution they make within their communities.

"Our rural communities have so many local champions who make a positive impact on countless lives every day.

"Nominating them for the Honour Roll recognizes the inspiration they have given to other women to reach and exceed their goals," Mr Walsh said.

Nominations will be accepted in any one of three categories:

A **trailblazer** is an inspiring role model who may be a first or founder in their field. They effectively break new ground and lay a foundation for women starting out in a traditionally male-dominated field. This category may include young women and women who challenge traditional gender stereotypes, attitudes and norms.

A **local champion** is a dedicated member of her community. They have used their skills and expertise either in a voluntary or professional capacity. A local champion may be an unsung hero, a woman whose substantive contributions are deserving of wider recognition.

A **change agent** is a woman who has made an enduring commitment that has brought about significant and lasting change. They are renowned with their field of expertise and have lifted the visibility of women as subject matter experts. Through persistence and determination, a change agent shines a light on a particular cause, initiates much needed reforms or supports a shift in public perception.

Nominations for exceptional women for the Victorian Honour roll of Women can be completed online at <https://www.vic.gov.au/women.html>.

For further information contact womensleadership@dhhs.vic.gov.au
Nominations are now open and close on **28th May 2018**.

NO MORE RUBBISH EVENTS

Council has adopted a Waste Wise Events Guide aimed at improving recycling and reducing waste at community events.

Campaspe Shire Council Deputy Mayor, Cr Vicki Neele said with so many organisations now seriously considering their environmental responsibilities, council wants to ensure that events held in our region are using best waste practices. Supporting events to be more waste wise also aligns with council's commitment to environmental sustainability including reducing the amount of waste going to landfill.

"Events generate large volumes of waste that often ends up in landfill. Whilst banning single-use plastic items would be effective in reducing harmful waste, the focus is currently on educating event organisers to minimise waste, improve recycling techniques and prevent litter," Cr Neele said.

"Any event that requires waste services and is on council owned or managed land will need to meet the minimum level of certification under the Waste Wise Events Guide."

There are three different star ratings of certification as follows:

1 star rating The minimum requirement that ensures events offer effective recycling facilities and maintain a litter-free environment.

2 star rating Requires events to achieve recycling and contamination targets, work to reduce food and packaging waste while eliminating two single-use plastic items.

3 star rating In addition to achieving recycling and contamination targets, events also must provide free water refills, separate organic waste collection and eliminate all single-use plastic items.

Events that are awarded any level of certification will be encouraged to use the corresponding Waste Wise logo in any promotion of their event.

"With our increasing awareness of environmental sustainability, people may choose to attend an event with a high star rating, knowing the negative impact to the environment will be minimised," Cr Neele said.

Whilst there may be costs associated with meeting two and three star certification requirements, event organisers may experience savings in reducing the amount of waste going to landfill. Event organisers would be encouraged to apply for a Campaspe Community Grant to assist in the upgrade of their waste systems.

The guide has been developed through council's waste education program, WICKED (Waste in Campaspe – Know, Educate, Do), and is available on council's website.

LOCKINGTON SENIOR CITIZENS CELEBRATE THEIR 49TH BIRTHDAY

A great day was enjoyed by eleven visiting clubs to celebrate our 49th birthday party on May 4. We were delighted to have Cohuna "Justuss" singing duo, Wendy Woods and Kerri Nicholson to entertain us. Betty Mustey (President) welcomed all present and introduced "Justuss" prior to the singing of the National Anthem and our Theme Song.

Winners of prizes were: Lucky Door – Betty Mustey; Raffles 1st Basket of fruit – Shirley Egan (Shepparton), 2nd Pot plant – Jean Camello (Leitchville).

After singing 'Happy Birthday' the birthday cake, which was a delicious fruit cake made by Betty Mustey, then iced and decorated beautifully by Pauline Humbert, was cut by Betty Mustey and Norm Bacon (Treasurer).

Miloo CWA treated us very well with a lovely spread of sandwiches, slices, small cakes and sponges – 'Very well done'!

"Justuss" conveyed their appreciation for being invited and how they enjoyed themselves. Betty thanked everyone for coming and the great jobs that Miloo CWA and "Justuss" did.

Dot Pearse, Secretary.

LBU - CLUB LEGEND

BEV BRERETON

It wouldn't be a day at the footy without seeing Bev either in the canteen, on the sidelines cheering on her beloved Cats or even offering the umpires some advice on a decision or two.

Bev has formed part of the LBU family forever. Her father, Sam Appleby, was Secretary and Treasurer of the Lockington Football Club for no less than 10 years and a

committee man for many more.

Back in 1962 the football committee at the time decided to establish a Ladies Committee to run the canteen side of the club separately.

Bev was just 18 at the time but it didn't stop her from putting up her hand and taking on the role as the very first Secretary of this committee. She has since held Ladies Committee roles of President, Secretary and Canteen Manager over her many years of involvement.

Bev is still the go to when ordering canteen supplies for home games and social functions. Out comes the little book and orders are placed down to the last sausage. It's known when to order extra for certain opposition clubs and when hosting a final.

Bev was made a Life Member of the Lockington Bamawm United FNC in 1985. It was a huge honour but unfortunately fell at a time when her father was ill and he couldn't be there to see her receive this prestigious award which he had also received only 16 years earlier.

Bev and her husband Les together with their children Trevor (dec), Joanne, Rohan, Narelle and Matt have always been involved at the Club. Her children all played for LBU at one time or another and her youngest, Matt, still plays in our Reserves side.

Her eldest daughter Joanne and two of her granddaughters, Kelsie and Larissa, also umpire netball and were recently celebrated as the first ever family of three to umpire on the same day in the Lavington-Wangaratta matches.

Bev's most precious Club memory in recent times was when she was asked to hoist the premiership flag for LBU's second premiership win in 2012. She is such a huge part of the LBU family and she is always there to lend a helping hand this is why she is our Local Legend. Thank you Bev for everything you have done and continue to do for the Lockington Bamawm United Football Netball Club.

LOCKINGTON GOLF CLUB REPORT – 21ST MAY 2018

07/05: Round 4 of the Bendigo Pennant competition saw the Locky ladies go down 2/1 to the combined Bridgewood team in a keenly contested match. Kathy Connors scored a dominant 6 and 5 victory, Helen Hayes lost 1-down in a tight tussle, while Phyll Macfarlane lost 4 and 2.

09/05: The ladies played for the Lorna Henderson Canadian Trophy. Winners were Lois Chugg and Annette Brereton with an excellent score of 91-23-68. Runners-up were Verna Clymo and Sue Harris with a solid 93-23-70. Nearest the pin: Annette Brereton.

12/05: The biggest field for the season played a stableford round. The windy weather created testing conditions, but Will Hardess was best on course and won his first ever Pentreaths Supermarket Player of the Day voucher, as well as C Grade honours, with an excellent score of 41 points.

The club is still active with the weekly game of Scrounge played on a Wednesday afternoon. Play commences at 1.00pm at a reasonable cost of \$3.00 per player. Last week Norma Thomas from Dingee went back-to-back to win on rink one while Ian Johnson still retains that amazing drawing power by scoring a victory on rink two. Several members attended the Mathoura tournament over the week-end. Ray Hanson, Russell Shawcross and Don Isgro (s) enjoyed the bowls and returned home after winning the odd game. The club will hold the Annual General Meeting on Monday 4th June at 8.00pm. Nomination forms are available at the club.

Congratulations to the City of Echuca women on their combined effort in the BowlsVic Mid-week State Pennant championships played at Moama Bowling Club last week. Although they were out bowled in some games, they showed great determination to score a win and draw.

Details: Game 1. .v. Bairnsdale - lost 37-48; Game 2. .v. Croydon - lost 29-53;

Game 3. .v. Wycheproof - won 62-27; Game 4. .v. Portland - drew 42 all;

Game 5. .v. Dunolly - lost 38-47.

A special highlight of the week was the effort by the Roma Opie rink including Jan Palmer, Pat Schram and Lee Beattie in scoring an eight on the last end against Wycheproof to take victory 25-12. In the final Ocean Grove defeated Croydon 43-38 in a great display of bowls.
