COATES MAKE A BOOM WITH ROCHESTER SILOS

Rochester Business Network (RBN) is proud to thank Coates Hire, a major sponsor of the GrainCorp Painting the Silos project.

The GrainCorp silo in Rochester township has been painted by Australian artist Jimmy Dvate who was lifted to great heights by a Coates Knuckle Boom lift.

"It is fantastic for me that I am able to use a great lift that I have used in the past. I know I am in safe hands and heights which is very important as I paint the GrainCorp Rochester silos", said Dvate last week from the Rochester site. Dvate was required to reach 30 metres high with the Knuckle Boom lift to be able to get to the top of the squirrel glider silo.

With branches in over 150 locations Australia-wide, and over 1 million pieces of equipment across 21 equipment categories; Coates Hire has the range and footprint to deliver when and where you need it.

"On this occasion we are very proud to be involved in this silo art community project in Rochester", said local Coates Representative Troy Sinclair. "Coates is one of Australia's most recognised and trusted brands, we have some great engagement throughout regional Victoria and this is another great example", said Troy.

The project is unique in that the local community will be supporting it. "We are one very resilient community.

This is a special community project being undertaken and supported by the people who live here. We are very proud and cannot wait to see how this puts Rochester on the map of places to visit in Regional Victoria", said Kate Taylor, project member.

"We want to invite all Victorians to come to our town, see the artwork, have a coffee or a beer and check out the other great things we also have to offer in Rochester", said Kate.

Painting started Monday 11th June and was finished Saturday 14th July 2018.

"We are proud of our hire products and we congratulate Dvate and the local community on this successful project", said Troy. "And as Coates say "Lets make it happen" – this is exactly what this project has done," Troy stated.

Hello again, Everyone,

As the Fourth Anniversary of the outbreak of World War I approached, the Federal Ministry here in Australia announced that Sunday 4 August would be observed as a day of special intercession and prayer. Our servicemen overseas were never far from the minds of their families at home, and every effort was made to alleviate the discomfort they might be encountering at the Front. For example, on 23 July, 1918, the Annual meeting of the Milloo sub-branch of the Red Cross was held at the home of Mr R G Forsyth on 23 July, 1918, and the following details were reported in the *Rochester Express*. Reviewing work done in the previous twelve months, items produced for the forces included 281 pairs of pyjamas, 73 pairs of socks, 9 scarves, 7 pairs mittens, 2 Balacava helmets, 1 cholera belt, 1 dozen pillow slips, 1 dozen handkerchiefs, and 1 dozen bags. An amount of £40/4/11 was raised for the war effort, and the following items were sent to the trench comforts appeal: - 6 cans of fish, 10 packets of maizena, 5 cans of jam, 2 cans of cocoa, 3 tins of bloater paste, 3 tins of sweets and 1 plug of tobacco. The group also sent parcels of books, old linen, sugar bags, treacle tins, nugget tins and kerosene tins. This was no doubt typical of every sub-branch throughout Australia.

In other news, the *Express* reported that on 15 July, Captain Ackroyd (Late AIF), the current Inspector of State Schools, addressed a group of people at the MIA Hall in Tennyson, on the subject of gasses used in the war overseas; the different types, their effects on men, and ways to avoid being effected by such gasses. In more news from Tennyson, neighbours of E C Walsh, who had enlisted for service overseas, gathered under the direction of Mr M McCullough, Rabbit Inspector and Mr Rumble, Assistant Inspector, to clear his property of rabbits, bagging 500 for the day's work. Those present included Messrs E P Sieresen, A Scurrah, Walters Bros., J Y and C Anderson, G Turvey, Archibald, Cathcart, Reg Scurrah, Sieresen Jnr, W Oliver, J Rich, E Roberts and Cr Ham.

It was also reported that, on 17 July, Ballendella residents had gathered at the local Public Hall to welcome home from service overseas, Private John Frances Kellett, son of water bailiff, Mr George Kellett; that Mr Robert Helmore, of Bamawm, had heard from his son Sergeant Fred Helmore, currently serving at the Front, to say that he was okay, but had experienced many narrow escapes; and that local Wharparilla soldier, Harry Neale had been seriously wounded. A Social, held at Warragamba State School, honoured Private T Green, son of Mr James Green. Private Green had enlisted at Kyneton where he was working as a teacher at

the local High School. Mr and Mrs Green already had one son, who was also a teacher, fighting overseas.

Hare shoots were in the news across the district. A shoot held on 31 July, 1918, to aid the Pine Grove Red Cross, bagged 381 hares and some rabbits. Gus Pieper was the top scorer, and had been so at every shoot he attended that year. Another shoot, this time held by Pine Grove and Wanurp gunners, resulted in 884 hares being shot, while one held at Milloo achieved 356, and one at Ballendella yielded a bag of 539 hares. It was reported that young lemon trees in the new settlements were suffering considerable damage, largely due to the numerous hares in the district, but also from recent severe frosts, though older trees had suffered less.

In more news on the local scene, the *Rochester Express* reported that a school concert was held at Bamawm on 24 July, 1918, to aid the School Patriotic Fund. It was announced that in future, dances would be held fortnightly at the Bamawm Public Hall, until sufficient funds had been raised to build shelter sheds at the Bamawm North State School. There was a report that Mr James Cahill, of Rochester and formerly of Warragamba, had been informed that his son Corporal Michael Cahill, had suffered a severe wound to his right arm. Corporal Cahill's brother, John had recently been invalided home from the front. Also invalided home to Australia, was Private Ben Mew of Bamawm, Mrs Sheaf's brother. Private Mew, who had enlisted in Rochester 2½ years earlier, had suffered a severe leg wound at Passchendale, after previously having been gassed.

The people at home were very aware of the sacrifices made by those of their family and friends who had volunteered to fight overseas, and thought of them with pride. On 9 August, 1918, the *Rochester Express* reported that there were about twenty participants at a recent working bee when ground was prepared at the Kotta Railway Station for the planting of 220 native trees to honour Australia's fallen soldiers. Mrs Johnson, who had been a resident at Pannoobamawm for forty years was to plant the first tree.

On 31 August, 1918, the *Weekly Times* published a report that many of our families might have read. It came from special War Correspondent, Keith Murdoch. From France, he wrote that there was some progress being made by the Allies fighting on the Western Front. It was his feeling that morale among the German troops was low and that, for the Allies, "infinite possibilities" stretched ahead.

There'll be more next time,
 Marg O'Brien.

COMMUNITY BANK PUTS THE SCORE ON

July 23 2018

The Elmore / Lockington / Rochester **Community Bank®** is proud to announce a \$10,000 contribution to the Rochester Junior Football Club's electronic scoreboard project.

This funding will assist the Rochester Junior Football Club to purchase an electronic scoreboard for the good of football, cricket, little athletics and all activities conducted at Windridge oval.

Tim Rasmussen, Director of Lockmore Financial Services, made the presentation to Rochester Junior Football Club President David Fuller on Sunday. "We are very excited to be able to support great local projects that help our communities. Our contribution is helping a local club, run by volunteers, to bring their big ideas to life. Here we're adding to funding from the club themselves as well as in kind support from many local businesses to make this project possible" said Tim.

"We are absolutely thrilled with the donation from the **Community Bank®**", said David Fuller President of Rochester Junior Football Club. "This not only helps the project come to fruition sooner, it helps us keep focus on the every day task of running a sporting club. We are very proud of our club with its facilities here at Windridge Oval but we want to keep increasing the standard which will not only benefit our members but also be attractive for others to utilise the facilities", said David.

Senior Branch Manager, Tracie Kyne supported the project. "It's simple. The more our customers bank with us, the more our **Community Bank®** company can invest in our local communities. Investing in the community is only made possible thanks to the customers of Elmore/Lockington/Rochester **Community Bank** and how exciting to be giving away \$10,000 for this scoreboard project," said Tracie.

In the past 15 years, we've returned almost \$1.5 million back to our local communities. "And \$10,000 to local junior football club that is offering participation and positive social experiences is so important to the growth of our community. Lockmore Financial Services is proud to be able to help in this way," said Tim.

Media Release

Doors open to affordable 'home away from home' for regional Victorians undergoing medical treatment

Family-friendly accommodation, Bendigo Bank House, opens for regional patients and carers from Kyneton to Mildura

Bendigo, 24 July 2018: Bendigo Bank has today opened Bendigo Bank House, a new short-term, affordable and subsidised accommodation facility at Bendigo Hospital for regional patients, their carers and families who need to be away from home while being treated at the hospital. Over \$200,000 has been invested in establishing Bendigo Bank House by the Bank and 13 of its community banks and regional communities in partnership with Bendigo Health, Spotless, Exemplar Health and Gouge.

The new facility means patients and their families can stay close by the hospital during specialised treatments, ranging from oncology to psychology services, which usually take place over multiple days.

Bendigo Hospital is now Victoria's largest regional hospital development, servicing a quarter of the State from Kyneton to Mildura. As a result, more patients are travelling to Bendigo for specialty services. Over the past three years, Bendigo Health has seen a 22 percent increase in the number patients travelling to Bendigo for treatment. Last financial year, 14,460 patients came from outside Bendigo.

The new, means-tested, comfortable accommodation aims to ease the financial and emotional burden for patients and their families. Each of the 15 specially-fitted rooms has been funded by a regional Bendigo Bank or Community Bank® branch including Inglewood, Heathcote, Rushworth, Donald, Elmore/Lockington/Rochester, Kyneton, Cohuna, Swan Hill, Kerang, Mildura (Langtree Ave), Castlemaine, Echuca and Deniliquin.

Bendigo Bank House has 15 rooms:

- Eight one-bedroom studio rooms
- One one-bedroom apartment
- Three two-bedroom apartments
- Three three-bedroom apartments

There is a common kitchen; lounge, laundry and library facilities as well as a shared workspace with office services. Each apartment has its own kitchen.

"For many regional patients travelling to Bendigo, finding and paying for accommodation during an already emotional time can take its toll. Staying somewhere comfortable and familiar with family and friends can make a challenging time a lot more bearable. Bendigo Bank House is a wonderful partnership bringing together multiple regional communities to further improve the excellent care Bendigo Health provides to the Loddon Valley," said Bob Cameron, Chair, Bendigo Health.

Robert Johanson, Chairman, Bendigo and Adelaide Bank said "All of us at Bendigo Bank are proud to support this important community initiative for regional Victoria. Backing projects important to Australian communities is critical to our success and goes back to the principles that were established by our founders 160 years ago."

Last year, Bendigo Bank's Community Bank® network paid \$5.5 million in shareholder dividends, employed 1,500 people, with \$100 million in wages and services spent locally. Since 1998, \$200 million has been invested in Australian communities.

The Bendigo Bank House building is the former the Alexander Bayne Centre. It is located at 15 Bayne Street, Bendigo. Patients and their families can access the website www.bendigobankhouse.com.au for more information and to book accommodation.

MEDIA RELEASE

PETER WALSH MP

MEMBER FOR MURRAY PLAINS

Leader of The Nationals / Deputy Leader of the Coalition

THE NATIONALS
for Regional Victoria

Thursday, 25th July 2018

SUPPORT FOR EMERGENCY SERVICE VOLUNTEERS

Emergency service organisations across the Murray Plains electorate can apply now for funding through the Emergency Services Volunteer Sustainability Grants Program.

"Grants of up to \$50,000 are available to SES units and other organisations identified in the Emergency Management Manual Victoria," Mr Walsh said.

"Volunteer emergency services play a crucial role right across this electorate in the face of difficult and quite often extreme circumstances," he said.

"It is vital that these organisations be equipped with the necessary tools to carry out the important work they are required to do."

"Funding can go towards training and development, community engagement, operational equipment, education and minor facility upgrades.

"Applications can be made by an individual volunteer, unit or club or agency."

Mr Walsh said emergency service volunteers gave up their time and energy to respond to emergencies and were selfless in their efforts to protect lives and property.

"They do a great job in keeping our communities safe so it is important that they are supported."

For more information or to apply for funding, visit emv.vic.gov.au/esvsgrants.

Applications are open until 9am on Wednesday, August 22.

Dear Editor,

Victorian communities and community groups across the state will now be aware of **Australia's-first home energy rating program - Scorecard**, that is targeted at all Victorians.

Just to refresh your memories, under the Scorecard program, householders can arrange for an accredited assessor to come to their home and assess how they can improve their home to use less energy.

The assessors use the government-supported Scorecard webtool to rate the energy efficiency of the home's construction, fixed appliances and other key features such as solar PV energy production. The two-page rating certificate then recommends upgrade options to improve the home's rating.

During Scorecard's statewide public awareness campaign, the public have asked how Scorecard is related to their community or their community group and what it does.

Now you can find out more by watching the latest Scorecard video for the community/community group, please click here <https://youtu.be/3LMhLKtvR5o>

Please make sure to share this information with your fellow community residents.

For all queries please make sure to email: help.scorecard@delwp.vic.gov.au

Kind regards

Paola Ghirelli

LOCKINGTON GOLF CLUB REPORT – MONDAY 30TH JULY

18/07: Marg Eade made a welcome return to the winner's circle, with a fine round of 100-31-69. She was best on course and won the Giddings Co Player of the Day voucher, plus the Monthly Medal and B Grade honours. A Grade was won by Annette Brereton with 85-12-73, ahead of Sherryl Jones. Count the putts: A Grade – Sherryl Jones; B Grade – Helen Hayes.

21/07: Scores had been brilliant on the previous Saturday, but seven days later they were not – a week certainly is a long time in golf. The best nett score on the day was 69, returned by 3 golfers, so a countback was needed to decide the day's winner.

Darren Carnie (87-18-69) was the lucky golfer who won the countback and won the Giddings Co Player of the Day voucher, plus the Monthly Medal and B Grade honours.

In a very tight finish, Mat Dennis (79-10-69) won A Grade on a countback from Terry Thomas (78-9-69), with Gary Milligan (82-12-70) and Grant Humbert (70-0-70) hot on their heels, Grant's 5 on the par-3 9th proved costly. Barry Graham (89-18-71) was runner-up in B Grade, ahead of Ray Brereton (88-17-71) and Mark Lyons (95-21-74).

Tony Brooke (102-32-70) won C Grade, ahead of Bruce Haines (96-22-74). Bruce made a good comeback after a nasty 11 on the 6th (twice out of bounds) threatened to ruin his day. Ron Dixon (96-22-74) and Andrew Glatte (103-29-74) were next best. Gartside Cup qualifiers: Darren Carnie, Terry Thomas, Gary Milligan; standby – Tony Brooke. Nearest the pins: 3rd – Andrew Glatte; 2nd shot 13th – Brett Stone (A), Darren Carnie (B), Ron Dixon (C); 2nd shot 18th for the 6-pack smack – Barry Graham.

Spike's Longest Drive on the 10th, sponsored by Hot 'n' Cold Plumbing – Grant Humbert (A), Des Pentreath (B), Rob Hardess (C). Neither the EchucaCIH eagles nest on the 3rd nor Captain Terry's yardstick on the 16th was won.

Digits championships semi-finals: Mark Lyons & Terry Thomas defeated Rick Connors & Ron Dixon 2-up in a titanic struggle. Rob Hardess & Ray Brereton (aka The Big Rs) smashed Darren Carnie & Jeff Carnie 10-up.

Brett Stone has progressed to the Handicap Matchplay semi-finals, after he accounted for Steve Holt 3 and 2.

25/07: A quality field played a bisque bogey event, and Marg Eade was the star again. Her excellent score of +6 was best on course and won the Giddings Co Player of the Day voucher for the second week running. Runner-up was Phyll Macfarlane with +3. Nearest the pin: 3rd shot 5th – Annette Brereton.

28/07: Numbers were back up again, with visitors from Pyramid Hill, Culgoa and Rich River in the field – it was terrific to see past Captain Joe Sebire out on the course having a hit.

Best on course with a solid score of 38 points was Mat Dennis, who won the Giddings Co Player of the Day voucher, plus the Wedgie Trophy and A Grade honours (despite his great score, he lost his matchplay quarter final to Barry Graham 5 and 4). Next best in A Grade were Phil Stanford and Jeff Carnie, both with 36, followed by Tim Staley and Grant Humbert both on 35.

Visitor Andy Fremantle (Pyramid Hill) showed the locals how to hit the ball and won B Grade with 37 on a countback from Barry Graham, whose round was highlighted by a brilliant 23 on the outward 9. Ian Maddison (36) was next best, followed by Rick Connors (34).

Blake Humbert finished with 35 points to win C Grade, his first grade win for the season. Runner-up was Bruce Haines (34), followed by Tony Brooke, Ron Dixon and the birthday boy Rob Hardess, all on 33.

Nearest the pins: 3rd – Will Hardess; 2nd shot 13th – Grant Humbert (A), Rick Connors (B), Tony Brooke (C); 2nd shot 18th for the 8-pack smack – Brett Stone. Spike's Longest Drive on the 1st, sponsored by Hot 'n' Cold Plumbing – Brett Stone (A), Ian Maddison (B), Bowden Stone (C).

Neither the EchucaCIH eagles nest on the 3rd, nor Captain Terry's yardstick on the 16th was won. Handicap Matchplay quarter finals: Tom Scurrah defeated Kevin Humbert 3 and 2; Barry Graham smashed Mat Dennis 5 and 4.

Ray and Annette Brereton were winners at Wedderburn's Tournament mixed day on Sunday, with a fine score of 76 off the stick to win the scratch event, played in testing conditions.

Upcoming events: **Saturday 4th August** – Par – Privilege Cup. Duty: Barry Graham, Jeff Carnie. **Wednesday 8th August** – Irish 3-ball. Duty: Sue Harris, Phyll Macfarlane.

Bamawm Golf Report

July 22: A group of brave men ventured out in freezing conditions at Bamawm on Sunday, to play a Ambrose event. Winners were Chris Fry and Damien Kelly (Visitor) with a fine score of 71-10 ¾ - 60 ¼ from Runner-up Ian Hunter and Anthony Lee on 73-9-64. Nearest Pin 7/16 - Chris Fry, 8/17 – Owen McPhee, 2nd shot 4/14 – Damien Kelly. Longest Drive – Chris Fry (267 meters) Sponsors were Shamrock Rochester and Giddings Co. Lockington.

July 29: Golfers played a stroke round on Sunday in difficult conditions, however that did not deter Louise Williams from returning a great score of 91-19-72 to win the event from Lisa Evans on 99-24-75 to commence the first round of the Championships for the Women.

Nearest the Pin on 5/14, 7/16 and 8/17 was Anita Ward and the Longest Drive went to Rachael Major. In the Men's event Shane Dyson scored 88-18-70 from Jeff Carnie 88-14-74. Nearest the pin on 7/16 – Ray Hanson, 5/14 – Russell Tatt, Longest Drive - Jeff Carnie.

Next week is a stroke round, first round of the Championships for the Men and second round for the Women.

Lockington Bowls Club Report

July 23: The game of Scrounge is still proving a success with an increase in numbers on a weekly basis. Last Wednesday the competition was hot with an even spread of points scored. Geoff Shawcross made an immediate impact in scoring 49 points to win the rink ahead of Annie Haines on 41. It was a close game on the next door rink as Ian Johnson returned to the winners circle after accumulating 42 points to win narrowly from Club President Russell Shawcross on 39 pts. The previous week Norma Thomas from Dingee was the winner on rink one after scoring 39 points while Russell Shawcross tallied 35 points to win rink two. The greens are rolling really well. The end of July and the Pennant season is not far away, beginning in early October.

The club is seeking any potential pennant players to boost the ranks. Contact the club to register same interest.

July 28: Another competitive field at the weekly game of scrounge on Wednesday. The greens are rolling really well, as indicated by the high scoring by some members. Annie Haines had the game high tally of 51 points to collect the spoils on rink one ahead of Lorraine Appleby with 43. Next door Phillip Cunnington finished on 48 points for a win and edge out fellow left-hander Russell Shawcross on 46. The game of Scrounge is played each Wednesday (weather permitting) starting at 1.00pm.

Members are pleased to see David Lupton up and about following surgery. Not long before Lupton will be drawing the shot! The club program is in the process of printing for the new season 2018/2019.
