LOCAL BOYS WIN BENDIGO FOOTBALL LEAGUE GRAND FINAL!

Saturday's result in the Bendigo Football League Grand final was one that some local boys had been striving towards for several years.

Pictured left, Jesse Collins, Ben McPhee and Brodie Collins were elated with the result especially after playing in last year's Grand final and losing to Strathfieldsaye.

This year the results were reversed, Eaglehawk winning 19.8 (122) to Strathfieldsaye 11.7 (73). Saturday's win capped an 18-3 season for the Hawks, who won their three finals by a combined 201 points. Best players: B Collins, J. Neaves, J Bowe, J Mullen, B McPhee, O Madden. At the end of the game, Brodie was then awarded the **AFL Victoria medal**. (pictured right)

He was elated with the overall results on the day and especially pleased that he got to play in a grand final with his brother Jesse.

The boys have had a great season with the Hawks. Brodie captained the Eaglehawk side for most of the season as Tim Hill (captain) was out with an injury. Jesse then stepped into a shared role of Vice-captain with Glen Daley. Ben and Brodie played in the Bendigo interleague side, Brodie was also picked in the Victorian Country squad and Ben and Brodie were recently named in the Bendigo Advertiser team of the year. Trent Bacon, another local, was unfortunate to experience a season ending injury at the beginning of the year.

"BREE MISS CRICKET STYLES"

Bree Styles is a shining star, Bree is a local superstar she has done something in the 'Bamawm Lockington district' that no other female has ever done before. She became the first female in the Bamawm Lockington cricket club (BLU) history to lead the way as captain of an all girls cricket side to the field. And became the first female to do so in the club's history. Somethink she is very proud of.

Not only that the "superstar" also played mens senior cricket last season as a 14 year old girl which is a massive achievement!

She's a local un-sung hero! And she will captain and lead the way once again this season for our local "Lion Cubs" all girls cricket team! She's a great leader who leads by example, she is a quiet achiever and someone who has the respect from all her team mates!

-Bree achievements in cricket so far"

She's a state champ who played for Echuca College year 7 girls squad in 2016 which went on to win the state title where she played a major role in.

Has played on the MCG! (Where she took a wicket with her first ball)" there's not too many people who can say that!"

-Was named as an emergency for northern rivers u16 girls squad last season (who went on to win the state title)

- played mens senior cricket last season and first female to captain an all girls cricket side for BLU cricket club.

She is blessed with loads of ability! Ability isn't enough though- lots of training hard work and dedication (which is something she has) should see her develop into a top player!

Hello again, Everyone,

By October, 1918, a century ago, there were clear indications that the Great War was coming to an end. News was emerging that there was turmoil within Germany; Bavaria threatening to declare its independence, and talk of revolution among the general populace. German military authorities were being urged to address a list of fourteen principles for peace negotiations, which had been outlined by United States President Wilson in January 1918. The terms were said to be harsh and, doubtless, there was reluctance among the Germans to accept the humiliation of defeat. In Australia, hopes were high that peace was at last to become a reality; so much so that false reports of the acceptance by Germany of American President Wilson's terms for an armistice, like one published by the *Bendigo Independent*, on 14 October, caused general excitement. Rochester was one of several places where premature peace celebrations had been set in motion, only to be faced with disappointment.

On 18 October, 1918, the *Independent* reported on the visit of Prime Minister, Mr W Hughes, to the Australian troops in France. His address to them is headed "On the Threshold of Victory", and it is described as follows: -

"Standing on the top of a motor car bonnet, Mr. Hughes, Prime Minister of Australia, addressed two parades of Australian soldiers behind the front to-day. The first was principally composed of South Australians, West Australians and Tasmanians, a famous brigade, which was in the forefront of the August and September fighting. There were others, New South Wales [men], Victorians and Queenslanders, who had crowned an arduous six months with the capture of the Hindenburg outpost line. Mr. Hughes said that the richly earned period of repose which the Government had secured for them told how proud the people of Australia were of their fighting men's deeds — how they admired them, and longed above all things for their return. The tide of war had at last changed to the Allies' way. No man would have said three months ago that the Allies would stand in October on the threshold of victory. None had done more to bring about this wonderful and amazing change, continued Mr. Hughes, than those who had blocked the way in the dark days when the Germans were sweeping like an avalanche toward Paris, and had proved such masters of the Germans that they had gathered them in as a woman gathered eggs in the morning. M. Clemenceau, the Premier of France, had asked him to tell them how much he loved them, how he regarded them as the beau ideal of soldiers whose work for her,

France would never forget. Generations yet unborn here and in Australia would look upon and revere the monument the Australian army had raised to liberty, sanctioned by the spirit of sacrifice. Perhaps in a little while the war would end. It might be very soon. But the work of the men who had fought was undying. Their battalions were mere shadows, yet they had fought valorously. Mr. Hughes concluded with a moving appeal to the men to be patterns of valour, temperance and patriotism in peace, as they had been in war. The men gave lusty cheers for Australia."

The Allies were on the threshold of victory, but still sad news was emerging from the Western Front. On 21 October, 1918, the *Independent* reported that Private P McCormack, the nephew of Mr P McIntyre of Pine Grove, had been killed in action in France. Then, on 26 October, the *Independent* reported the deaths of two Mitiamo lads; M. Hardiman, who was killed in action and Percy Peiper, who died of wounds. That same day, the *Bendigo Advertiser* reported that Private Harold James McGregor, youngest son of Mrs Margaret McGregor of Pine Grove, and her late husband John McGregor, had been killed somewhere in France on 18 September, 1918. Readers might recall that in March that year, Private McGregor had been commended for his gallantry in volunteering to take the place of a married fellow enlistee who had been selected at very short notice to be sent overseas. Had Harold not volunteered, the serviceman concerned would have had to leave the country without the chance to go home to say goodbye to his wife and young children. On the other hand, Harold's kind gesture meant that he then had no chance to say goodbye to his mother. Mrs McGregor had already suffered the loss of her older son William, at Gaba Tepe, Gallipoli, on 5 June, 1915, so losing Harold now must have been a doubly severe blow. Like many of our soldiers who were lost in France in the First World War, Private Harold McGregor has no known grave and is commemorated at the Australian National Memorial at Villers-Bretonneux, a village 15 kilometres east of Amiens. The focal point of this particular Memorial is a 105 foot tall tower in which is an observation room. On three walls of this room are recorded the names of 10,885 Australians, who were killed in France and who have no known graves. (When, after the war ended, an Honour Roll was drawn up at Pine Grove, Mrs McGregor was given the honour of unveiling it.)

That's all for this time. 'Bye,
 Marg O'Brien.

Eulogy**HELEN PERKS.**

Helen was born on the 31st July 1944, sec-
ond child of parents, William (Bill) and Doris
(Dolly) Henderson.

When small, Helen had little holidays with
her 3 Aunties and 2 Uncles.

She started school in 1949 at the Kotta
State School and then went on to the Echu-
ca High School for her final years of educa-
tion.

Helen played tennis and also had a hit of
golf with her Mum at the Kotta course.

She liked going to the Lockington dances
on a Saturday night, while her mother played cards.

Helen made her debut at the age of 17 with her partner Graeme Lyons. At
18 she met Roy Perks and got engaged at 19 then married at 21. They lived
with her mother for 12 months while their house was getting built at Market
Street.

Over the years, Helen loved gardening, growing flowers, playing golf and
ballroom dancing.

Helen and Roy enjoyed holidays in many cities in Australia, like Perth,
Broome, Darwin, Sunshine Coast, Brisbane and along the New South Wales
Coast. They enjoyed several great holidays to New Zealand and to the is-
land north of Australia.

After a few more years Helen started play-
ing bowls at Lockington. She enjoyed mixed
pairs and the Harrison shield was won with
Roy on a couple of occasions.

In 1986 Helen developed health problems.
These issues flared up again in 2000 and
she began a lot of treatment at the Peter
Mac in Melbourne, Bendigo and Echuca.
Helen passed away on Tuesday 4th Sep-
tember.

Roy remembers the many good holidays
over the years, the many good times in the
past, and if his belief is right, he lives in
hope that they will meet again in the future.

AGED CARE LOCAL PLANNING COMMITTEE

A local planning committee has been appointed to establish, govern and recommend an enhanced model of aged care accommodation in Rochester and district.

Rochester & Elmore District Health Service (REDHS) auspiced by the Campaspe Shire were awarded a \$51,000 grant as part of the \$200 million Regional Jobs and Investment Packages supporting the Australian Government's commitment to stimulate economic growth in Australian regions.

The funding package awarded will be responsible to conduct a feasibility study into models for aged care accommodation for the district including assessing current choices alongside future opportunities including the potential use of vacant land to the south of the current REDHS site.

Federal Member for Murray, the Hon Damian Drum MP said it is important that the Federal Government supports organisations that help our senior population, particularly in the regions.

"As Australians get older and need to enter in to aged care accommodation it is important that they can stay in their own community. It is important that the Federal Government can support REDHS looking at the future of aged care in Rochester and district," Mr Drum said.

Kate Lemon, current REDHS board director and senior staff member of Campaspe Shire has been appointed as the chair of the local planning committee. "I am very excited to be leading a team of professionals into the assessment of options for the future of aged care in our area," said Mrs Lemon today. "We will have long term outcomes that will benefit the region beyond the life of this study. This is the future for our area".

Alongside Ms. Lemon are the following appointed members for the local planning committee;

Kate Lemon, board director, REDHS

Ben Devanny, board director, REDHS

Anne McEvoy, Chief EO, REDHS

Colin Wellard, Corporate Services Manager REDHS

Keith Oberin, Economic & Community Development General Manager, Campaspe Shire Council

Astrid O'Farrell, Investment Attraction Manager, Campaspe Shire Council

The Planning committee has appointed the consultancy firm Biruu health who will be tasked to conduct the feasibility study to identify an appropriate delivery model for aged/disability accommodation in Rochester that will meet the present and future needs of Rochester, Elmore, Lockington and surrounding communities.

"The study will consider what we have now available to the community and where the gaps are. One area we will look at is the potential use of the vacant land to the south of the current nursing home/hostel site for future use," Ms Lemon said.

There will be community consultations conducted in October with all research finished prior to Christmas", Ms Lemon stated.

SPRING CLEAN KEEPS HARVEST INSECTS LEAN

The arrival of spring brings with it favourable growing conditions and along with this comes an associated increase in grain insect pests.

"With harvest approaching, crop growers are encouraged to start preparations for insect-free handling and storing of the new grain," Agriculture Victoria Grains Biosecurity Officer Jim Moran said.

"Avoiding new infestations and effectively controlling any current insect populations takes time, money and resources but ensures that returns are maximised," Mr Moran said.

He said to prevent stored grain insect pests from becoming a problem, hygiene strategies should be put in place now.

This means following a series of steps before, during and after harvest, such as closely monitoring grain storages by sieving grain and installing insect traps now as temperatures inside storages rise and insect activity increases.

"Increasing temperatures are likely to stimulate stored grain insect pest activity and growers need to know what insects are present to control them effectively. Different stored grain insects vary in their susceptibility to treatments, growers should consider all best practice control options to obtain maximum benefits.

Other steps to consider, include;

- Ensure grain from this year's harvest cannot be mixed

with grain from previous harvests that could be contaminated with insects.

- Clean up any grain residues/spills around storages, in sheds and handling areas to prevent attracting insects for a feed.
- Thoroughly clean out all equipment, including empty grain storages, grain handling and harvesting equipment, silos, aeration ducts, augers and conveyers, harvesters, field bins and trucks, and apply a structural treatment such as a desiccant dust to each surface prior to use.
- If fumigation is required, only do so in gas tight, sealable storages and apply the prescribed volume to ensure effective insect control. Insects will develop resistance if they survive as a consequence of being exposed to incorrect fumigant levels.
- Seek advice from an authorised reseller and then only treat grain as per the label instructions.
- If possible, plan for the capability to aerate the new crop in the silo as a cooler environment slows down the breeding cycle, making it easier to control any insects that may get into the silo.
- Repair seals around hatches, latches and chutes to prevent insects gaining access.

Locky News

Lockington's Priceless Paper

LOCKINGTON COMMUNITY NEWS INC.

2018 AGM, WEDNESDAY SEPTEMBER 19

PRESIDENT/EDITOR'S REPORT

Technology seems to have been our focus this past year, by way of Facebook and Cloud. What a difference technology can make, to how we do things...

At our last AGM it was decided to start using Facebook to promote the paper in electronic format. As very much a non-user of Facebook until then, I somehow (and with Kim's help) managed to set up a page for the paper. I worked out that I could attach a link to the web site, to specific editions of the paper, so I've been trying to get this posted, along with the edition's headlines, once each edition has been published. Then... how to promote the page? I've been sharing each post to the Lockington Community Page, where many people read and comment on the paper. I'm happy to say that we now have 287 people following our page, and we've reached a staggering 883 people. I even advertised our AGM on the page.

Then, as a necessity more than anything, at the end of March, when I started running a small business from my home office, I had to think of ways to streamline the production of the paper. I started by using my mobile phone to download emails and reply to them in-between getting to the office for typing days. So now I have 3 email sys-

tems on my phone... personal, work and Locky News! I then set up a Cloud file storage for the items used for the paper, so as I receive articles I transfer them to the Cloud, sorting for use for preparing the paper. The publisher file which we prepare the paper with is also on the cloud, so I (and any of our other volunteers with publisher software) can work on the paper from anywhere that has internet service. This change has given us the chance to prepare the paper remotely on some occasions, without having to go in to the office.

All these technological advancements for the paper, do however, mean we need to request some changes from our contributors. In the past, we've accepted email body text for articles, but it has meant that we then have to transfer it to text format and only then transfer it to our publisher document for the paper. It would assist us greatly if all articles for the paper were submitted as Word files, and with no formatting. This one small change will make it much easier for our volunteers to put the paper together.

Finally, speaking of volunteers, I want to thank the entire team with which I work, the Locky News would not exist without your dedication.

There was a time when the longevity of small community papers like ours was questioned, but I believe that so long as we keep abreast of new technology and media avenues, our paper has a long and colorful future ahead.

Alison Stewart (President & Editor)

LOCKY BOWLS

Report September 17:

The women held a successful 3 bowl Triples tournament on Friday attracting 78 bowlers from City of Echuca, Cohuna Golf, Deniliquin, Dingee, Elmore, Inglewood, Kyabram, Pyramid Hill, Mathoura, Moama, Rich River, Rochester and Tongala.

Lady President Kath Palmer and Tournament Secretary Annie Haines welcomed all bowlers and trusted that they enjoy the company and the true running greens. The sponsors for the day were Nichol Trading - Rochester and received thanks for their continued support.

At the completion of the three games, there were two teams undefeated. The Tongala trio comprising Ros Kellett, Jan Golds and Dot Parkinson (s) were successful scoring 75 points to win the major trophies, narrowly ahead of Marjorie Cowley, Pam Limbrick and Beryl Murray (s) from Mathoura on 74 points. Special competition winners were Bev Trengove, Isabel Tyson, Lorraine Appleby, Marie Malone and Rhonda Bibby.

Greens-keeper Ian Johnson was acknowledged for the presentation of the excellent greens.

Last Tuesday the women played rinks for the weekly Social bowls. The winning team was Kathryn Tibbs, Joy Weller, Lorraine Appleby and Kath Palmer (s).

A composite team competed in the recent Mathoura Fours tournament and managed to bring home the Runner-Up trophies. The team consisted of Norma Thomas, Annie Haines, Margaret Davis and Kath Palmer (s) in a fine display.

Social bowls will be played on each Saturday prior to CVBD Pennant, starting at 1.00pm. All welcome - casual wear.

Report September 24:

The women had a good roll up for their weekly Social Pairs on Tuesday. After two games of competitive bowling, the pairing of Annette Brereton and Anne Haines (s) came to the fore to collect the trophies.

During the past week several members have attended district tournaments. Several women competed at the Cohuna Medley whilst other members travelled to Tongala for their Star event with the results in the negative, but all enjoyed the hospitality and excellent greens on offer.

On Sunday eight of the male members journeyed to Rich River for the prestigious Norm Knopp Fours. Russell Shawcross, Geoff Shawcross, Ray Hanson and Ian Johnson (s) collected the chocolates in two games.

Chris Stewart and Bill Musgrove formed a composite team with Brian Watts (Rich River) and Paul Kearney (s) from Mathoura to finish with four losses including two games by one shot. Jim Harris and brother Andrew Harris combined with Greg Clymo and Jerome Shaw (Rich River) and had similar misfortunes to the Stewart rink.

The Friday evening barbeque and practice session was well attended.

The first winner of the lucky members draw was Club Secretary Neil Haines - the winning number picked out by lady Tournament Secretary Annie Haines. Well done.

Entries are being accepted for the fiftieth running of the Annual Waterwheel Classic Fours to be held on Sunday October 21st starting at 9.30am.

This tournament is a Gold Letter event. Early entries are encouraged.

Contact Chris Stewart 5486 2607 for details.

A BETTER AND FAIRER DEAL FOR MURRAY PLAINS BOATIES AND RECREATIONAL FISHERS

Our state's waterways are weekend playgrounds for millions of Victorians.

That's why a Liberal Nationals Government will create a *Blue Infrastructure Fund* that will provide first-class infrastructure and services for recreational water users.

At the moment, Victorian boat users pay significant fees to the State Government every year but only a portion of that money is invested back into better infrastructure and services for water users.

Under a Liberal Nationals Government, the *Blue Infrastructure Fund* will return all proceeds of collected boating fees into better facilities for the boating community.

Leader of The Nationals and Member for Murray Plains Peter Walsh said the *Blue Infrastructure Fund* will invest in infrastructure that will improve access, enjoyment and protection of Victoria's inland and coastal waterways.

"Thousands of people in the Murray Plains electorate love recreational boating and fishing and as well as being great fun for the whole family, these activities are important contributors to our local economies.

"The Liberal Nationals in government will deliver a fair go for boaties and recreational fishers by making sure their

licence and other fees are spent on upgrading and building the things they want, like more boat ramps, jetties, navigational lighting and onshore facilities such as bigger car parks.

"This investment will be right across our state – from our bays and coastal communities to our inland lakes and rivers," Mr Walsh said.

Boat owners raise significant revenue for the Victorian Government through boat licensing and other charges. In 2016/17 the Andrews Labor Government returned just 11.6 per cent of the \$27.7 million annual boating revenue on boating infrastructure. The \$3.23 million spent by Labor compares to investment in New South Wales of \$17 million and in Queensland of \$15 million annually.

Recreational boating is estimated to contribute \$4.5 billion to the Victorian economy each year. This is underpinned by 193,000 registered boat owners, 1 million boating participants annually and 17,700 full-time jobs.

LOCKINGTON GOLF CLUB

REPORT – 24TH SEPTEMBER 2018

12/09: The ladies played something different, a stroke event, best 9 on the card. Winner was Marg Eade with a terrific score of 39-15-24, with Carolyn Mitchell 38-11.5-26.5 the runner-up. Sherryl Jones won the nearest the pin. In the Handicap Matchplay, Sherryl Jones defeated Kathy Connors 3-up to progress to the final.

14/09: The Lockington Lions Club held their annual Golf Day, which was well supported by visitors from Rochester, Bamawm, Rich River, Mitiamo, Bamawm, Marong and Elmore, who enjoyed the glorious weather, delicious afternoon tea and the excellent prizes on offer from many generous sponsors. The ladies event was won by Annette Brereton and Sherryl Jones with a solid 43 points, just ahead of the runners-up Phyll Macfarlane and Sue Harris (42).

The Elmore pair of Alan Campbell and Tom Carboon won the men's event with a brilliant score of 51 points. Runners-up were the Rochester pair of Ross Lees and Laurie Jackel with an excellent 46, ahead of the third placed Andrew Glatte and Tony Brooke (45).

Long Drive on the 14th, sponsored by Hot 'n' Cold Plumbing: A Grade – Adam Gould (Mitiamo), B Grade – Bruce Haines, C Grade – Ron Dixon; ladies – Annette Brereton. Nearest the pins: 3rd – Robert Vise, Sue Harris; 17th – Grant Humbert, Annette Brereton. Nearest the line: Rick Connors, Annette Brereton.

Ball comp: 45 – Paul Condliffe & Peter Meighan (Mitiamo); 44 – Len Waith & Don Penfold (Marong), Des Pentreath & Barry Graham.

15/09: Golfers played a stableford round for the Privilege Cup in extremely windy conditions. Three players did remarkably well to finish with 37, and it was Andrew Harris who won the Cup and the Giddings Co Player of the Day voucher, on a countback from Barry Graham and Will Hardess. Andrew also won A Grade, ahead of Brett Stone and Ant Dennis, who both finished with 36. Barry's consolation prize was his B Grade victory, on a countback from the unlucky Will Hardess, while Rob Hardess won C Grade with a solid score of 36, ahead of Tony Brooke with 35.

Yardstick balls: A Grade – Phil Stanford, Terry Thomas and Steve Holt all 35; B Grade – Jason Wakefield 34, Ray Brereton 33; C Grade – Ron Dixon and Rohan Chugg both 33 – terrific to see Chuggy out for a hit.

Spike's Longest Drive on the 6th – especially difficult into the teeth of the howling westerly – Ant Dennis (A), Ray Brereton (B), Rob Hardess (C).

The Echuca CIH eagles nest on the 3rd was won for the second week in a row, this time it was Grant Humbert with an accurate shot. Captain Terry's yardstick prize on the 16th wasn't won however.

19/09: The ladies played a stableford round, and it was Jenny Holt who cleaned up big time with the day's best score of 36 points to win the Mary Robins Trophy, the Monthly Medal and A Grade honours. Sherryl Jones was runner-up in A Grade with 33.

B Grade honours went to Phyll Macfarlane with 33, on a countback from Pauline Humbert. Nearest the pins: A Grade – Sherryl Jones; B Grade – Pauline Humbert.

Jenny capped off a successful day with a 7 and 6 victory over Marg Eade in her Handicap Matchplay semi-final and will now play Sherryl Jones in the final.

22/09: All golfers dream of getting a hole-in-one sometime in their golfing life, and after 44 years of trying, Des Pentreath's dreams came true when he had a hole-in-one at Lockington. Playing the par-3 147-metre 17th hole with the hybrid off the tee, the ball travelled straight as an arrow and in the hole – not a bad effort at the age of 81 – and nearly 8 years since the last hole-in-one at the course.

Mat Dennis was in great form and was best on course with 72-9-63 to win the Giddings Co Player of the Day voucher and A Grade honours ahead of Travis Mancer who had a terrific 79-15-64.

B Grade was won by Rick Connors with a solid 84-17-67 from Ray Brereton 85-17-68, while Andrew Glatte won C Grade with the good score of 92-26-66.

Yardstick balls: 68 – Andy Freemantle (Pyramid Hill); 69 – Kevin Humbert, Gary Milligan, Brett Stone; 70 – Bruce Haines, Rob Hardess, Tom Scurrah.

Nearest the pins: 13th – Kevin Humbert; 17th – Des Pentreath (naturally!); 2nd shot 5th – Brett Stone (A), Darren Carnie (B), Andrew Glatte (C); 2nd shot 18th for the 8-pack smack – Grant Humbert.

Eagles – Des Pentreath, Mat Dennis, Rob Hardess on the 1st, chipping in from the 2nd hit off.

Spike's Longest Drive on the 2nd, sponsored by Hot 'n' Cold Plumbing – Brett Stone (A), Will Hardess (B), Andrew Glatte (C). Neither the Echuca CIH eagles nest on the 3rd, nor Captain Terry's yardstick prize on the 16th was won.

23/09: The Club's Mixed American Championships were played with Pauline and Kevin Humbert winning their 5th scratch title with a fine score of 82, by just one shot from Annette and Ray Brereton.

The nett title was even closer with 2 scores of 67.5 returned. With an excellent inward 9 of 41, Kathy and Rick Connors (88-20.5-67.5) won the countback from Marg Eade and Jeff Carnie (90-22.5-67.5). Next best were Annette and Ray Brereton (83-14-69). Kevin Humbert won both the mens' nearest the pins, while Annette Brereton won both the ladies'.
