THUMBS DOWN...

To whoever broke into the Locky Pool on the night of 18th February.

There have apparently been a number of community pools broken into in the last 2 to 3 weeks around the area.

It is hard enough to keep our local pools open for business, without having to deal with this.

If you have seen anything suspicious, or have any information, please contact our local Police.

FORMER RESIDENT RECEIVES OAM

Former Tennyson resident, Margery (Richter) Currie, received the 'Order of Australia Medal (OAM)' for service to youth through scouts on Australia Day.

Margery reported to Beryl Marshall, "I can thank Tom Parsons and Doreen Archibald for this, they were Group Leader and Cub Leader respectively. They invited me to join 1st Lockington Scout Group in 1967. Brothers, Malcolm and Trevor Richter, were cubs at the time.

After two years there and completing my basic Scout Training, I moved to Melbourne and became a leader at 1st and 3rd Kew.

I then moved to Camberwell and had several scouting positions including Cub Leader, District Cub leader and District Commissioner. In 1995, Camberwell, Kew and Hawthorn became the city of Boroondara and these scout districts combined to become the biggest District in Victoria at the time with about 1800 members.

Since then I have held several positions in Boroondara District including District Cub Leader, District Leader- Development, District Joey Scout Leader, District Commissioner and Leader in Charge of groups as they find replacement leaders. I am also on the Boroondara District Executive and am a member of the Victorian Scout First Aid Service, regularly attending camps as the First Aider.

I have several awards including the Silver Kangaroo and Volunteer of the Year in Boroondara. Scouting Motto – 'Prepare for Adventure- Prepare for Life' says it all, I have had a great time in Scouts, hopefully influence positively thousands of young people through outdoor activities and camps, and certainly enjoyed the great Adventure myself. I'm lucky to have experienced camps and activities in several parts of the world, the most memorable being the 1979 World Scout Conference in England (my honeymoon) and the 1991 Jamboree in Korea."

Hello again, Everyone,

A sense of responsibility for the debt owed to those who volunteered their services to defend our country, and the Empire, was felt by those at home from the very earliest months of the 1914-1918 War. Those volunteers were young men who had been known to them from their childhood; who had been fellow students at school; who had attended church services with them; who had worked with them on local farms, especially at such busy times as the harvest or the shearing; who played with them on local sports fields and who danced with them at the local halls. The thought that these young people had suffered grievous wounds or, worse still, had lost their very lives, weighed heavily on the minds of the folk at home.

The date 25 April was officially named Anzac Day in 1916, and in that year a wide variety of ceremonies and services took place in Australia, New Zealand and London. It marked the first anniversary of the landing of the ANZAC forces at Gallipoli. Despite twelve months having elapsed, the tragic outcome of that landing was still fresh in the minds of the many Australian families and communities whose relatives and/or friends had suffered. There were Church services and commemorative marches in London, and in the various State capitals throughout Australia, but those who had sacrificed life and limb were also being remembered at much smaller venues, including a couple of locations within our own district. On 3 May 1916, the *Bendigonian* carried the following brief reports: -

COUNTRY CELEBRATIONS.

BALLENDILLA.-Anzac Day was celebrated at the State school on Wednesday. Mr. Aitken (chairman of the school committee) presided, and Mr. T. Bunbury (correspondent) supported him. The head teacher (Mr. S. Little) opened the proceedings by stating the objects of the day. An interesting programme was gone through by the scholars, and interesting and appropriate addresses were given by the chairman and Mr. Little.

MITIAMO.---Anzac Day was celebrated at the local State school on Wednesday, when Inspector Hard addressed the children, after which they saluted the flag and sang the usual patriotic songs, and gave recitations. Afternoon tea, provided by the parents, was then served. The singing of the National Anthem terminated the proceedings.

In a growing number of communities, similar commemorative events took place in 1917 and 1918, though there was considerable disruption to such activities in 1919, due to the Australia-wide (even world-wide) outbreak of influenza. It was at the State Premiers' Conference in 1921 that the decision was made to continue Australia's observance of Anzac Day on 25 April each year. This came into effect in

1922, and an official public holiday was observed in all Australian states from 1927. By the mid-1930s, the rituals that we have come to associate with the day (i.e. dawn vigils, marches, memorial services, reunions, and two-up games) had become part of the Australian culture. Although there were church services and other solemn features as part of the early commemorations held here in Australia while fighting continued overseas, it was common for entertainments, competitions and games to be included. Anzac commemorations were often occasions for fund-raising and, perhaps even more so, provided the opportunity for recruitment.

The following event, reported in the *Echuca and Moama Advertiser & Farmers' Gazette* on 25 April 1918, sounds like it might have been quite fun. The march and other commemorative activities were to have been conducted in conjunction with 'Eight-Hours Day' celebrations, but the sporting events portion of the day had to be cancelled because of wet weather. The band turned up 45 minutes late but otherwise the march went well, and the speech-making and the fete-like activities that were planned for the remainder of the day took place indoors in the drill hall/Orderly room. The children present disposed of the edibles speedily, and the various stall holders who were raising money for returned soldiers, seem to have been quite successful. Just one fund-raiser was described in detail: -

"A map of Australia, drawn by Miss Lassie Judge on a blackboard, was placed on the floor. It was prettily ornamented with brown and gold, the colours of the battalion of Miss Judge's brother, who is on active service. The young lady conceived the idea of gathering in some coins by asking the public to cover the surface with silver and copper and gold. The map had the words, 'Lest We Forget' at the top, and 'Anzac' in the centre. The 'Anzac' was quickly silvered with threepenny pieces, 'Lest We Forget' disappeared under sixpences, and numerous pennies covered the continent. Tasmania also received attention, and on Major Blezard appealing on behalf of the little island, a pound's worth of silver soon covered its surface. To connect Tasmania with the mainland was the next effort, and a generous donor—Mrs. Middlemiss — quickly handed in a half-sovereign note, which effectually bridged the straits. Now Zealand had next to be connected with us, and a long line of coins came from willing pockets to span the 1200 miles from Melbourne to the Bluff. The connecting link was pretty solid, as it was largely made up of half-crowns and two shilling pieces. The map thus added considerably to the funds."

It sounds quite inventive, doesn't it? 'Bye until next time,

Marg O'Brien.

JUNCTION
MOAMA

THAT'S BUGGIN' DELICIOUS...

Let's start a conversation about the food we **don't** eat...

twisted science is on a mission to help Australians embrace insects and make them part of our daily bread (or cocktail or dessert...).

They have collaborated with Junction Moama to create Buggin' Delicious, a unique event for the 2019 Melbourne Food & Wine Festival Regional Weekend. Head chef Dave Palmer designs and creates a menu with fresh and local ingredients inspired by Twisted entomophagist Kathy Stubberfield. Together they take you on a delicious journey into the world of insects, why we should love them, and what makes them the food of the future. This quirky and delectable lunch questions why Australians have ignored insects as a sustainable alternative to the meat on our plate.

Junction Moama provides a picturesque backdrop and a truly social dining experience. With entertaining and enlightening stories and hands on insect wrangling, this is a chance to learn more about beautiful bugs, their products, and the process of bringing them to life on the plate. A few adventurous eaters will challenge their preconceptions and discover new and curious tastes in Echuca Moama for the MFWF Regional Weekend in March.

The heroes of our unique meal are the bees that create truly local honey, the ants that add unique flavour, and the larvae that are a critical part of forest ecosystems.

More than anything, it's a great way to start a conversation about the future of food - Buggin' Delicious will be an entertaining way to do just this.

DAVID COLLETT
18~12~1953 TO
22~1~2019

*Barry Graham
 representing
 Lockington's Men's Shed
 gave the following tribute
 at David's funeral.*

It is a time for us to be able to reflect on our association with David, and a chance to tell Linda, Bradley and Kimberley, just what an influence David had on the members of Locky Men's Shed.

It is an opportunity to allow us to reflect on the very sad loss of a man who meant so much to many people in Lockington. He had a great influence on many people, in his role as Coordinator of the Men's Shed, and spent a great deal of time at the shed five days per week at times, above and beyond the two days allocated. Even when David shifted to Tooborac he still drove to Locky twice a week, a return trip of almost two and a half hours daily, such was his devotion to the role.

He was a true woodworker, and was able to pass on his many skills to all Men's Shed members. His expertise with woodworking machinery including the safety and maintenance was outstanding.

He was a very patient man, and needed to be at times, to teach members how to acquire new skills.

His skill with the wood turning lathe, and the finish he produced was so smooth, that often meant sanding was not required.

The Men's Shed Members covered a wide range of ages, both male and female, all with varied abilities. Echuca sent out a mini bus with intellectually disabled adults, and their Carer, to enjoy woodworking tasks. He even had a young paraplegic woman confined to a wheelchair. Other

members included Dementia sufferers, accompanied by their Carers, as well as men with limited mobility. David took them all in his stride, and was extremely patient, and caring with them. They really enjoyed making things. The wives of these men were great cooks, and often sent in many slices and cream cakes. David did have a sweet tooth.

David encouraged discussion on Men's Health, in the kitchen over a cuppa, a vital, and very important part of the Men's Shed. Members were able to open up about Men's Health issues, including depression, and grieving, topics not often spoken about previously. These discussions were shared, with many a laugh at times. Better than any visit to the doctor.

One man, who had never even hammered in a nail at the Shed, always visited the shed - just on morning tea time, with a block of chocolate. He always boiled the jug, ready for a cuppa, enjoying his visit as his wife was in care.

We all knew when we had become part of the Men's Shed, it was when our name went up in texta on a plank of wood above the kitchen sink, with details of morning tea requirements, tea or coffee, milk or sugar. A real Blokes thing.

Some of us visited David at Tooborac to see the development by builders, of their large house he had designed. We had seen the plans for the house at the Men's Shed, and shared his disappointment in the delays getting approval for the plans. The house is testament to the skill and detailed planning, resulting in a truly wonderful building. We were pleased that he was able to live there, even if only for a short time. He was very proud of their home.

Conclusion: On behalf of the Lockington Community, I would like to express our thanks to Linda and her family for the time, the care, skills, and devotion that David gave to the members of the Lockington Men's Shed. Testimony to his efforts, was the fact that he has not been able to be replaced. There is no Coordinator at the Men's Shed now. We all appreciated his time, skills, expertise, dedication, and above all, the care and help David displayed to each and every one who came through the doors to the Shed. Lockington has been saddened at the far too early passing of David. Sometimes life just doesn't seem fair, and today is one of those unfair times.

He is really missed, but will never be forgotten.

COMMUNITY SPONSORSHIP FUNDING PROGRAM NOW OPEN

February 5, 2019

The Elmore/ Lockington/ Rochester **Community Bank®** branches, who recently celebrated 15 years, are excited to announce applications are now open for the Community Sponsorship Program.

This is the sixth round of the Community Sponsorship Program since its inception in July 2016 and it is open to all organisations and groups in the Elmore, Lockington and Rochester districts.

Brad Drust, Chair of Lockmore Financial Services, announced applications are now open. "We are very excited to again be receiving applications that will support local programs, projects and events. We have given over \$1.5million dollars back to our local communities. This was all made possible thanks to the customers of the Elmore/ Lockington/ Rochester **Community Bank®**" said Brad.

Senior Branch Manager, Tracie Kyne supported the

announcement. "It's simple. The more our customers bank with us, the more our **Community Bank®** Company can invest in our local communities. This is our demonstration of being able to invest in our communities today and we thank those that bank with us," said Tracie.

"With many other banks turning their backs on regional towns like ours, we once again prove our commitment to this community. Talk to our staff, bring your banking across and watch our community benefit, especially through our local Community Sponsorship Program. You can be part of the change today. After all, you have to bank somewhere, so why wouldn't you bank with someone that gives back to your communities", said Tracie.

A **Community Bank®** community is a thriving community. A drive through Elmore, Rochester and Lockington will soon show just how much our local towns are benefiting from our **Community Bank®** branch.

Last round saw 19 recipients awarded **Community Bank®** sponsorship funds for a number of programs, projects and events including \$19,000 to assist an upgrade at Travellers Rest facilities in Lockington, resurfacing of a basketball court at Rochester Primary School, replacement of water fountains at the Elmore Bowls Club along side many activities that support our local clubs and schools. These are a number of examples of how sponsorship funding continues to benefit our communities from **Community Bank®** contributions.

In the past 15 years, we've returned \$1.5 million back to our local communities. "And we are excited to be able to give away more with round six of this Community Sponsorship Program," said Brad.

Information on how to apply can be found at <https://www.bendigobank.com.au/public/community/our-branches/elmore/sponsorships-and-grants> or by visiting a branch today. Applications close 14 March 2019.

SLOVENIA

'Come—Everything Is Ready'

What's this World Day of Prayer?

On or near the first Friday in March every year, millions of Christians have gathered worldwide to pray for the issues of family violence, child abuse, human trafficking, and other forms of injustice. In 2019 the prayerful support will be directed at the approximate 2,000,000 inhabitants of the Republic of Slovenia. "Come – Everything is Ready" is the theme and is based on the passage from Luke 14: 15-25. At the core of the theme, an invitation – Come; and to enable the response – Everything is ready. Come to praise, thank, and proclaim the kingdom of love. You are invited to join in prayer for the needs of Slovenia and its people at the World Day of Prayer service

MEDIA RELEASE

PETER WALSH MP

MEMBER FOR MURRAY PLAINS
Leader of The Nationals / Deputy Leader of the Coalition

Wednesday, 13 February 2019

**WALSH CALLS FOR LOCAL BANKING
TO STAY LOCAL**

Communities in the Murray Plains electorate will miss out under an Andrews Labor Government plan to force Victoria's schools and hospitals to put their banking through Sydney. Labor's 'centralised banking' plan will force state-owned organisations to close accounts with their local banks and transfer money into the Government's Sydney-based Westpac accounts.

Mr Walsh said the Andrews Government must abandon the ill-conceived plan.

"Daniel Andrews is demanding these funds are pulled from banks, including community banks that support jobs and investment in the electorate to put into his Sydney bank account," Mr Walsh said.

"Only this city-centric Labor Government would ignore the impacts of taking investment out of regional communities.

"Daniel Andrews likes to claim he's 'putting people first', but putting all our state's government banking through Sydney just isn't common sense for country communities."

Community banks invest tens of millions of dollars into local communities, with country Victoria-based Bendigo Bank alone contributing almost \$114 million to Victorian communities since 1997.

Shadow Minister for Regional Victoria and Decentralisation Peter Walsh said taking money out of country communities was taking away opportunities to put money back into local sporting clubs and community organisations, for instance through programs run by Bendigo Bank.

"Local banking is good for country communities, providing investment and supporting good, secure, local jobs," Mr Walsh said.

"Daniel Andrews must reverse his decision and make sure our sporting clubs and community groups don't miss out on much needed opportunities to fund local projects and programs."

WALSH – APPLY NOW FOR YOUTH PARLIAMENT

Young people in the Murray Plains electorate wishing to influence future Victorian law, policies, programs and services have the opportunity to do so as part of the YMCA Victoria Youth Parliament.

Leader of The Nationals and Member for Murray Plains Peter Walsh said applications for the 2019 program were now open to interested young people aged between 16 and 25.

"The YMCA Youth Parliament Program provides an insight into Parliament and gives participants the opportunity to engage with the highest levels of government and in the parliamentary process," Mr Walsh said.

"It is a great chance for young people to put forward their own issues and to collectively work through the parliamentary process of developing solutions to those issues," he said.

Parliament of Victoria has supported the YMCA program since 1987, with youth 'parliamentarians' from across the state gathering in Parliament House to debate 'Bills' dealing with issues of interest and importance to them.

The 2019 program involves young parliamentarians attending an intensive training camp in May where they will develop teamwork, public speaking and leadership skills to equip them for their parliamentary experience.

Teams of young parliamentarians will then draft, debate and vote on Bills during a three-day sitting at the Victorian Parliament in July.

Mr Walsh said Youth Parliament gives young Victorians the opportunity to shape policy and develops the debating, public speaking and team building skills of our future leaders.

"I encourage any young people with an interest in the order and general wellbeing of their community to apply for the program."

For more information on how to apply, visit vicyouth.ymca.org.au/programs/youth-parliament.html.

Applications close on Thursday, 7 March 2019

AUSTRALIA DAY AT MILLOO

A good crowd of about 45-50 gathered for a delicious meal. CWA President Joy Weller welcomed everyone and gave a few reflections on Milloo, paying respect to the indigenous heritage of the country, and the aboriginal tribes, as hunters and gatherers that once moved about this area. The convicts, explorers and early settlers who came and started to till and graze the land, and put permanent structures in place – schools, churches and halls to designate gathering places for their communities. We also pay homage to those who have taken responsibility over the years to support the Milloo community, with past memories of Balls, Spring Fairs, and many other functions. Many of the Milloo community groups have now closed.

The Hall Committee, Milloo North dam filling group, and C.W.A. are the only organisations operating here now, this year Milloo C.W.A. will celebrate 50 years of service to the Community.

The C.W.A. Collect was said, followed by Grace after we

had all enjoyed the wonderful meal.

John & Colleen Van Den Bosch spoke about their recent trip to Iceland and Greenland, they also had some interesting pictures and a few interesting souvenirs. Greenland has a population of approximately 56,000, there is no agriculture, mainly fishing, oil and gas.

Iceland has a population of about 349,000. There is a lot of building going on in the capital Reykjavik, big hotels, and guess what, there is not "McDonalds", but there are a few take-away type places. There are no natural trees, but trees are being planted. Reykjavik is a very pretty place, but also very expensive therefore the tourists are not coming in the numbers they were hoping for.

John said Princess Mary and Freddie were there, they did not see them, but their ship was in the port. Iceland is part of the Kingdom of Denmark.

A very pleasant evening was had by all.

ENCOURAGING YOUNG MINDS TO CONSIDER PEST MANAGEMENT

Agriculture Victoria is hoping to inspire young people to become involved in managing invasive species at a free workshop at Melbourne Museum on 6 May.

The workshop is a new initiative from Agriculture Victoria's Weeds and Rabbits Project.

This workshop is aimed at anyone, volunteer or professional, with responsibilities in land or invasive species management. This includes interested members of local communities or farming groups, Landcare, universities or TAFEs, government agencies or other non-government or not-for-profit organisations.

"We've spent a lot of time talking with people involved in invasive species management. We know everyone has a role to play, regardless of where they live in Victoria," said Established Invasive Species Program Manager, Michael Reid.

"We know young people are interested in invasive species management, but they are under-represented in our discussions," Mr Reid said.

"Landscape management is an intergenerational issue, and we want to make sure young people are active participants in discussions about how to address the problem."

The workshop on 6 May will be interactive – focused on building the capacity and confidence of participants to develop youth-focused practices into their programs.

Landcare Victoria Deputy Chair and Corangamite farmer, Kaye Rodden, said boosting youth involvement was an opportunity to strengthen community-led approaches to invasive species management.

"Young people have so much to offer. They are energetic innovators and we need to inspire and empower them to be part of community-led initiatives such as this one focused on managing invasive species," Ms Rodden said.

"A healthy, pest free landscape needs a strong resilient community, and this relies on people of all ages being engaged and involved."

The workshop at Melbourne Museum is open to people of any age, whether volunteer or professional, from across Victoria. Community volunteers can be reimbursed for their out-of-pocket travel expenses to attend.

LOCKINGTON BOWLS CLUB

REPORT February 11, 2019

The women had a good roll up for their weekly Social bowls where Denise "Happy" Gilmore and Phylis MacFarlane (s) were the dominant team. MacFarlane made it a

double by winning the Giddings Co. voucher. The club thanks Giddings Co. for their generosity.

The round of pennant in the CVBD resulted in a more favourable success story with both divisions in the CVBD Week-end pennant competition winning their respective matches against Tongala at home after winning five out of six rinks. The only loss was the team which possibly played the strongest of the opposition!

The women played the second placed Elmore combination at home and suffered a 56-70 shot loss. (K Palmer lost to A Williams 11-23; P MacFarlane defeated E Locke 27-20; P Humbert l.t. E Burke 18-27). In the Week-end pennant division two defeated Tongala 96-65 with two rinks up. (I Johnson d. M Golds 32-18; G Turner d. N Lloyd 46-21; K Main l.t. N Mackrell 18-26). This morale winning victory has allowed the team to leave the cellar-dweller position on the premiership ladder. The division four teams scored a sound victory over Tongala with all rinks up and all recording emphatic wins. N Haines d. P Holman 30-17; B Musgrove d. B Vistarini 47-4; G Shawcross d. W Andrews 25-13).

Currently the team lies in third position behind Moama and Mathoura. In an upset result on Saturday Moama was defeated by Rich River by twenty shots which reduces the points difference on the ladder with only two games remaining.

In the club competitions Ken Main defeated Geoff Shawcross in a round of the 100 Up championship. Ray Hanson proved too consistent for Dave Thomas in the 100 Up.

On the local tournament scene several teams played in the popular Elmore Bowling Club Mixed Pairs 2x4x2 event. The ecstatic winners were the husband and wife pair in Neil and Annie Haines which received tremendous applause. Russell Shawcross and Leanne McInnes won two games while Tom and Margaret Davis enjoyed the evening.

On Sunday the Regional play-off in the Men's and Ladies Triples and Fours championships was held at the Bendigo Bowling Club in ideal conditions. The CVBD was able to share the overall results with the Elmore women winning the Fours while the Rochester men won the Triples. The Elmore team comprising Ina Heywood, Lorna Wilson, Ann Williams, Evelyn Locke (s) proved too superior for their Golden Square opponents skipped by Julie Ross. After gaining an early lead the Locke skipped rink was able to hold their opponents at bay to win 22-14 and will represent the Region at the State Championships to be held at Bendigo East Bowls Club in April. The Men's Triples provided an electric atmosphere as the Rochester trio comprising Cameron Keenan, Ashley Vesty and David Keenan (s) tackled the strong Eaglehawk team of K Rushbridge, T Ellis and D Burgess (s). Eaglehawk drew first blood by leading 6- nil after 5 ends before our local hopes levelled at 6-all. Both teams traded ends as the display of bowling was a treat to watch as there was rarely more than a two shot difference. After 15 ends of the 18 end competition, the Rochester trio were leading 15-14 before dropping five shots on the following end to trail 15-19. In a clutch situation it was the guile and experience of the skipper "Crackers" Keenan who played a magnificent bowl to wrest shot with his first bowl on the 17th end, then moved the jack to make two shots with his final bowl. Trailing 17-19 on the final end, young Cameron Keenan and third Vesty delivered close bowls to be holding two shots as the skippers crossed over. Skipper Keenan drew another shot to be holding game when the opposition skipper Darren Burgess missed the head with his first bowl. Keenan delivered a bowl to try and prevent a clear shot for his opponent. The final bowl from Burgess come up a bit short and the Rochester trio celebrated a determined and strong victory 20-19 and will

head to the State Championships. The City of Echuca team of John Dinsdale, Ivan Hicks, Greg Page, Matt Liverton (s) failed to match their opponents in the Fours play-off against the strong Brad Marron composite team. After trailing 6-nil in the early part of the match, The City of Echuca rink was hard pressed to make up the deficit. On several ends there were opportunities to make numbers, but their opponents were able to reduce or take the shot bowl out. Bendigo winning 22-10. The ladies Triples was a near replica of the men's Fours as Marilyn Stephenson, Mary-Anne Spizer and skipper Sandra Connolly faced off against the Golden Square trio in Patti Pain, Mardi Chisholm, Julie Ross (s) who had all played in the Fours event earlier in the day. Golden Square gained the early advantage with some precision bowling to lead 14-7 before extending the lead. The Moama trio gained some hope in holding 5 shots at one stage only for Ross to move the kitty back some distance to hold three shots. Connolly was able to draw shot before Ross then gained the shot with a perfectly weighted bowl and win the game 21-14. All bowlers were congratulated on their bowling performances.

The Friday evening meal was well attended with club Secretary Neil Haines winning the lucky members draw. The previous week it was not Margaret Davis that missed the draw, but her husband Tom that collected the jackpot. Apologies to Margaret.

REPORT February 18

The women played for the coveted Alys Humbert Club Pairs on Tuesday in varied conditions including sun, rain and wind. However, all soldiered on to complete the games. The winning pair comprised Ann Lowrie and Kath Palmer (s) in a fine display of bowls. The Runners Up were Joy Weller and Phylis MacFarlane (s) with Weller also winning the Giddings Co. voucher.

On the CVBD Week-end scene the club fared well to have Division two play out a thrilling 66 - all tie with Mathoura while Division four collected all points in a 110-40 win over Ky Valley View. In the division two clash the Graeme Turner four were the only winning rink. (G Turner defeated B Murray 33-13; K Main lost to M Quor 20-29; I Johnson l.t. J Hulm 13-24). Division four had all rinks winning in their mammoth victory. (B Musgrove d. B Brown 47-12; N Haines d. G Topp 26-17; S Peter d. C White 37-11). With one round to be completed the division four team remains in third position on the premiership ladder. However, with the shock losses to Moama and Mathoura on Saturday the door remains a little ajar for us to grab a second chance if we defeat City of Echuca.

In the CVBD Midweek Pennant competition the semi-finals were hotly contested with small margins separating the teams in all divisions.

Div' 1: Moama d. City of Echuca 67-63, Deniliquin d. Mathoura 75-72.

Div' 2: Moama d. Rich River 93-61, Elmore d. City of Echuca 74-71.

Div' 3: Moama d. City of Echuca 47-46, Rich River d. Tongala 51-50.

Moama has three teams progress to the Grand finals.

Members have been active in attending local tournaments at Gunbower and Rochester during the past week. Results to hand are a little sketchy!!

In the club competitions, Don Isgro was in brilliant form to defeat Tom Davis in a round of the Presidents Trophy 21 Up. Davis had little room to move as he tried to rally after trailing 19 to nil. Another game completed was the match between the valiant Dave Thomas and club champion Ray Hanson. Hanson was able to control the mat to record an emphatic victory and proceed to the next round.

The women are close to playing the 100 Up championship.

The Friday evening practice and cold meat and salad meal was well attended with Ken Main missing out on the lucky members draw.

Bowlers are reminded to enter the "Toyota" Open Fours to be held on Sunday 24th March commencing at 9.30am. Contact Chris Stewart 5486 2607 for entries.
