EMBARRASSING ERROR OF JUDGEMENT

2015's Weekly Times Coles Farmer of The Year, one of our local Pine Grove farmers, Grant Sims recently shared this photo on social media.

What looked like a dry dam bed had a bit of a surprise in store for Grant when he tried to cross it on his motorbike.

Grant's comments...

"Not one of my best moves - nearly made it"

"I tried to take a short cut... (the cattle) won!"

"Always happens when you're the furthest point from home with no water and it's 38 deg C"

Hello again, Everyone,

I've been thinking about our local residents of a century ago, and the challenge they shared with fellow countrymen right across Australia. What could they do to acknowledge the gallantry and courage of those many young Australians who had volunteered their services and gone overseas to defend their country and the British Empire in the Great War of 1914-1918? How could they best honour the memory of the many friends and relatives who had lost their lives on the battlefield? Possibly the earliest form of recognition came as rolls of honour, listing those who served, particularly those who died.

In almost every Australian city and town, communities erected honour rolls in schools and halls, in churches and in places of business. The first notice of any plans being made in our district came in the *Rochester Express* on 14 May, 1915, when it reported that the Shire of Rochester was considering the erection of an Honour Roll. The report read as follows: -

'The following circular has been issued by the council of the Shire of Rochester to all ratepayers: — "Roll of honour."—"The council has decided to have a roll compiled containing the names of the residents of the shire who have joined the Expeditionary Forces for service abroad. It is intended that the roll shall be framed and hung in the Shire Hall, Rochester, where it will be a permanent record of this shire's contribution of troops to the Empire. Any person having knowledge of men who have joined the forces will assist by sending, as soon as possible, their names and full addresses and the dates of their departure from the district."— H. T. Downe, shire secretary.'

Up until that time, details of the Gallipoli landing had been conveyed by the newspapers in a positive way, emphasising whatever minor successes the Australians had gained, but casualty lists were beginning to arrive which told a somewhat different story. The very next day, the *Bendigo Advertiser* carried the information that Australian troops in the Dardenelles had suffered 1686 casualties; 204 officers and men had died and 1482 were wounded. Though there had been no news of any local people having been killed or injured, the reality of the danger that they were facing would be becoming clear to relatives and family at home.

Though the Shire's response to the community's need for a roll of honour was under way, it would take many months for all the formalities to be addressed, and other bodies moved a little more

quickly. On Sunday, 1 May, 1916, an Honour Roll was unveiled at the Rochester Methodist Church and the event was reported in full in the *Bendigonian* on 4 May. It read: - There was a crowded congregation at the local Methodist Church on Sunday night, whose interest centred in the unveiling of an Honour Roll, containing the names of the gallant lads of the Rochester Methodist circuit who have gone to the war. Lieutenant H. T. Downe performed the ceremony, and delivered a recruiting speech with fervour and effect. The speaker, during the course of his remarks exhorted the young women present not to have anything to do with a man who had not offered his services to his country. Lieut. Downe said that during his 30 years' connection with military work he had never accepted payment for his services. His duties as local recruiting officer, etc., were entirely honorary, and he wished to correct an impression that was abroad that his zeal in the cause of the Empire was other than a labour of love, and a duty for which he would rather pay than accept payment. Lieut. Downe, who is the Rochester shire secretary, has three sons (Leslie, Cyril and Reuben) at the front. [Cyril Downe would be one of the many who lost their lives in World War One.] The resident minister then delivered a fine discourse on the Australians' doings at Anzac, and the singing of "God Bless Our Splendid Men" was not the least feature of a notable function. There were about 60 names of town and country gallants on the Methodist honour roll, which is a work of art, designed and painted by a district artist, Mr. T. Sweatman, settler, of Ballendella.

By 16 July, 1916, the *Express* was able to report that the Rochester branch of the Australian Natives Association had gratefully received its own Honour Board, presented to the branch by Mr J G Hart. Then, on Friday, 4 August, 1916, readers were advised by the *Express* that 'The Rev. W. M. Madgwick has received notice from the shire council that as many of the councillors as possible will attend the patriotic service on Sunday evening next. A Roll of Honour (temporary), containing between 80 and 90 names, will take part in the loyal decorations on Sunday next at Holy Trinity' Anglican Church.

That temporary Honour Roll at Holy Trinity has been replaced with a permanent one which bears more than 100 names of those connected with the church and those from the district who served, died in service or were killed in action during World War One. I'll have to leave the Shire's Honour Roll until next time.

'Bye until then, Marg O'Brien.

The Locky News is prepared every fortnight by a dedicated team of volunteers, who compile and distribute this FREE publication for you, our readers.

We recently had some distributors retire from the roster (4 times a year) a BIG shout out to Gordon Weller, Bev Pentreath and Sandra White, for your many years of service to the Locky News.

2 new volunteers have helped to fill the gap left, Bridie Boyle and Deb Taylor, welcome to the team!

Thank you too, to Margie Hanratty, for her stint at picking the papers up from the printer in Echuca every single fortnight! We have thankfully had someone offer to take over this role, as using a courier service is simply way too costly.

We are keen to hear from people with bookkeeping experience, who might be able to learn our Treasurers role.

And...always keen to have new helpers in the office on Mondays to prepare the paper for publication.

I love you
Skidamarink a-dink a-dink
Skidamarink a-doo
I love you
I love you in the morning
And in the afternoon
I love you in the evening
And underneath the moon*

Many locals will have fond memories of Skidamarink – it’s Jeanne Aitken’s favourite pre-school sing-along and after 24 years at Lockington Pre-school quite a number of us have sung it, or had our children or grandchildren sing it.

Last December saw Jeanne retire from teaching, and in honour of this occasion an afternoon tea was held with many past and present students and families, along with Jeanne’s family attending. Jeanne was presented with a “Skidamarink Chair” built especially for her by one of the preschool dads (great job Small).

So to Jeanne, on behalf of all families that have had the pleasure of you loving, nurturing and guiding their children, we thank you. Thank you for the 24 years that you have dedicated to making each and every child’s time at Lockington Preschool special and helping them achieve their best. You have touched the lives of many children and their families. You have inspired, motivated and encouraged all children that have been here at Lockington. We wish you all the best for your retirement. In 2019 we welcome our new Kinder teacher, Tracey Norris. Tracey comes to us from Shine Bright at Echuca Central Kindergarten and has many years’ experience working with children and families. We hope your time at Lockington Kindergarten is wonderful and that you feel a part of our great community. If you see her about in the community please make her feel welcome.

Tracey is working alongside our fabulous pre-school assistant Lois Toohey. We know that the current kinder students are enjoying getting to know each other and our fabulous kinder teachers as well as learning new skills.

Last week we were lucky enough to have a local visit and teach the children Yoga. Emmanuelle taught the children about the importance of stretching and breathing, for relaxation and as a calming mechanism. Emmanuelle used engaging stories to take the children through a series of poses. By the time she left students were able to do several poses such as cat, dog, crocodile, cobra, tree, mountain, fishing rod, boat and bridge. The children had a great time. Thank you, Emmanuelle, for giving up your time to come teach the children.

In the coming weeks, the children will be raising funds for their annual Hop-a-thon. You may see children asking for sponsorship or parents selling raffle tickets around the community. Please support our local kinder. All funds raised will go towards equipment and resources for the children to use throughout the year.

SCHOOL NEWS

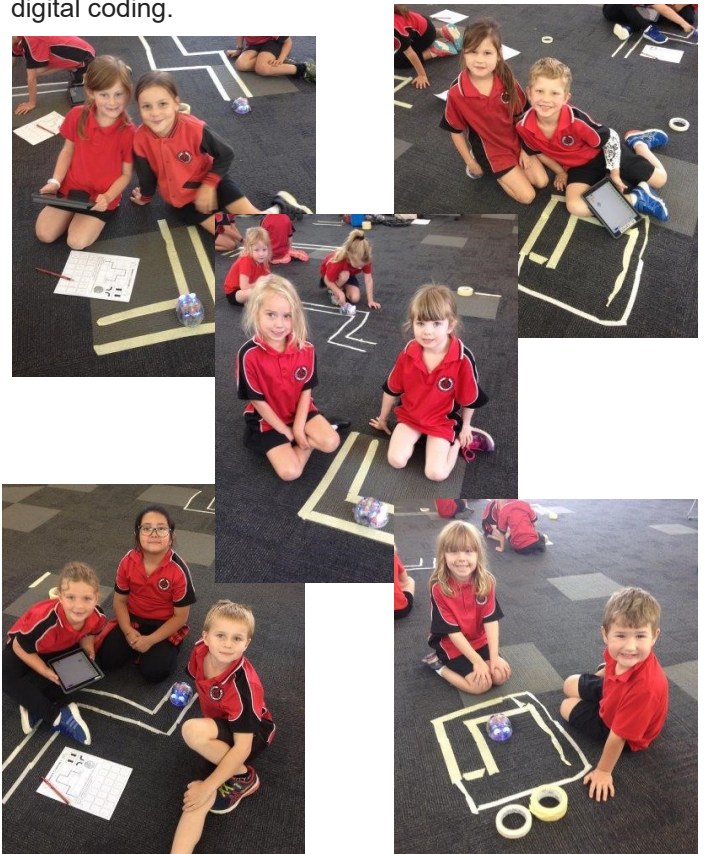

Community Visits

Over the next few weeks the junior students will be learning about the community that we live in. They will take part in some town walks to explore and meet with some of the local business people, look what services are available in our towns and what facilities we have. Places they visited this week were the Men’s Shed, the Community Garden, the Business Centre, the Library, Gidding’s Co Supermarket and Ciurleo’s Ice Creamery.

Discovery Time

Last week our students in the Junior Department enjoyed taking part in digital coding sessions using the Blue Bots. Students were set the challenge of coding their Blue Bots to navigate through mazes. Thank you to David from the Discovery Centre in Bendigo for sharing his knowledge on digital coding.

SUPPORT FOR LOCKINGTON HEALTH AND WELLBEING

Lockington's community groups have been working tirelessly to bring services to the town for locals who wish to gain more information about community health and wellbeing.

It all started with some simple suggestions and ideas from the Lions Club, CFA, Lockington and District Bush Nursing Centre and Lockington District Business Centre. From there it grew to a number of services attending with entertainment in the form of activities by the Lockington Consolidated School, music by the Healers and inflatables for the kids. The Youth Action Group will be running the Zorb Balls as well as a "Good Choices, Great Life" campaign.

It will be a great opportunity for individuals, family and friends to find out where they can get support, put some planning into place and find out some general information on health, activities and keeping the social connection. There are some services who are unable to attend on the day, but have supplied information for community members to take home.

Funding has been generously given for the day by Bendigo Bank, Campaspe Shire and Look Over the Farm Gate to ensure families can enjoy free barbecue sausages, free tea and coffee while Coliban Water are

bringing their water drinking stations.

Some key services include Community Living and Respite, Echuca Community Mental Health, Dementia Australia, Bendigo Bank, Campaspe Shire, Lockington and District Bush Nursing Centre, Rochester and Elmore District Health Services, Ambulance Victoria, Headspace, Kinetic Therapy and more.

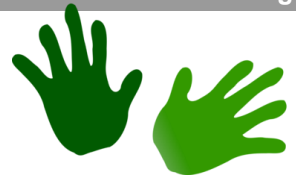

For those who enjoy cooking and baking, there is also the opportunity to enter your favourite diabetic cake, slice, biscuit or muffin into the cooking competition that will be judged on the day.

The Lockington Family Health and Wellbeing Day is held on Sunday 24th March at the Lockington Recreation Reserve from 10.00am to 2.00pm.

***Look Over the Farm Gate** was developed in 2015 in response to the drought impacting north west Victoria, and was extended in 2016 to areas affected by the dairy crisis. The aim of the initiative was to increase mental health awareness, support rural communities in building resilience and encourage local action to look out for one another.*

LETTER TO LOCKINGTON COMMUNITY

Dear Des, Dorothy and all the residents of Lockington who we had the pleasure to meet recently.

I am writing this letter to say thank you to Lockington for providing such a wonderful venue for travellers who visit your area. We are a Victorian Motorhome group who meet once a month in different parts of Victoria. We meet in different places because we all come from different parts of Victoria, with one of our members travelling from Hay, NSW.

Our group choose to select venues from rural towns that offer affordable stays with well-kept grounds and facilities, as you do in Lockington. We in turn hope to spend money within your community. Our stop in Lockington this week was very special, because we were made to feel part of your community by the residents and businesses that we came in contact with. Particularly Dorothy who organises your Travellers Rest area, she is a "Pure Gem", and it was a delight to come across Des, with all his knowledge of your community and the history he was able to pass on to us. Not to mention all the other situations he helped us with.

During our four day visit we went to the Ice Cream Shop, the Op Shop and the Supermarket. Our members had a couple of swims in the Swimming Pool, and bowled at the Bowling Club. We dined with Annette in her restaurant and Saturday night we had dinner at the pub. Thursday afternoon we had a bus ride to see Lockington, then spent a couple of hours at the Heritage Centre. All in all I think our members spent some \$5,000-00 in your township.

Supporting rural communities is one of the reasons our group chooses the areas we do, we like to see other places, meet local people and give that community a little financial injection of our funds.

Thank you Lockington for the wonderful time our forty-five members had staying at Travellers Rest. We look forward to returning one day.

Kind regards, *Gail Peters*, Treasurer, Eastern Rosellas, CMCA Motor Home Chapter.

18 February, 2019

On behalf of the Eastern Rosellas, many thanks to Steve Koch and Darren Keath for the use of the bus and driver to provide the group with a tour of the district.

STATISTICS 101 AND MAKING IT SEXY

Agriculture Victoria Seasonal Risk Agronomist Dale Grey spoke at the GRDC Grains Update in Bendigo last week. If you weren't able to catch his talk, you can read the key points here and online;

- The p value needs to be less than 0.05
- It is good if the CV per cent is less than 10 per cent
- Values must be greater than the LSD apart to be significant
- Always ask for statistical analysis.

Background

For many first-year science graduates, even more so than chemistry or physics, statistics was the particular subject that many found the hardest to grasp. So, it is not surprising that statistical knowledge is something that people either try to avoid or they use it in error. The problem is that agriculture often consists of scientific trials and data presentations that require a rudimentary knowledge of statistics to be understood properly

LOCKINGTON BOWLS CLUB

Report: March 10

The women held the Annual Presidents Day of bowls on Tuesday enjoying ideal conditions. Past members present included Mary Dullard, Maree Malone, Marie Davie, Gwen Haines, Julie Chappel, Rhonda Gallagher and Lorrie Forster. At the completion of the games the cards were drawn and the winner Joy Weller, Denise Gilmore, Annie Haines (s) ahead of Mary Thomas, Annette Brereton and Lorraine Appleby. The women returned to the clubhouse and feasted on a magnificent luncheon. Lady President Kath Palmer welcomed all the former members and thanked all bowlers for participating.

On Saturday the club Division Four pennant teams tackled Moama in the Week-end Pennant Preliminary final played at Rich River where the greens were true and the gentle pace of 15.25. After a moderate beginning the teams settled down to display some fighting qualities as the opposition began to open up a clear lead of 24-10. However, the Steve Peter rink collected a seven right on the afternoon bell to make the scores level at 33-all. The game was on after the break where the Bill Musgrove was in close battle against Alan Jones and his rink with little separating the two sides. On the middle rink the Neil Haines four were trying desperately to make up lost ground after dropping 10 shots in two ends earlier in the match. All rinks lifted in the latter part of the competition when Moama suddenly made inroads to take the lead of 68-65 on the 62nd end. The Musgrove rink was dominant in the later ends to double the score of their opponents and win 30-15 while Haines made a comeback to be within four against Bernie Connell, before Moama picked up three shots on the final end and winning the game 29-22. The final rink of Steve Peter were able to stave off the opposition to win 26-24, allowing our division four to win the match 78-68 and progress to the grand final to play Mathoura at the Moama Bowling Club on Saturday. The game will be played on the carpet rinks 9,10 & 11. Participating clubs are invited to practice on the carpet/greens during the week, but must make arrangements with the Moama Bowling Club regarding time.

The second night of the Sports Bowls three night series was held on Tuesday evening drawing a good roll up. The back-to-back winners were the team of Neville Sims, Rob Fraser and Andrew Harris (s) being the only two game winner. The Owen "Smiley" McPhee skipped team comprising Leon Laffy and Terry Malone were Runners Up.

During the week several members attended local tournaments at Elmore, Cohuna Golf and Leitchville. The results were a little late for publication.

The club has enjoyed some success at the weekly Sixty and Over competition held at several District clubs. The team of Chris Stewart, Brian Kinnane, Les Brereton and Bill Musgrove (s) displayed some immaculate bowling to gain the Runners Up trophies at Elmore. The historic win was the result of an excellent bowl delivered by Musgrove to draw the closest and only bowl in the range. Other local teams have been competitive over a period of time.

The club will be holding the annual "Toyota" Open Fours tournament on Sunday 24th March commencing at 9.30am. Contact Chris Stewart 5486 2607 for details.

The Friday evening meal and practice was well attended with Kath Palmer winning the lucky members draw.

Good luck to all bowlers playing in the respective grand finals on Saturday

PRESIDENT'S DAY AT LOCKINGTON BOWLS CLUB.

Weather conditions were excellent for President's Day on Tuesday 5th March, when President Kath Palmer welcomed bowlers, and past members for a game of social bowls. It was lovely to see some of our older retired members deliver a couple of bowls down and take part in roll to the spider and the ditch. This was followed by a delicious luncheon served up by the current members. At the conclusion of the day, cards were drawn to select winners on the day, Rhonda Gallagher, on behalf of the past Members, thanked Kath for the invitation and acknowledged the lovely luncheon and hospitality. Thank you to all concerned who played a part in making the day such a great success .

L to R: Mary Thomas, Annette Brereton, Lorraine Appleby
