"SAVE OUR PUB", THEY CRIED. **TOWN CRIERS VISIT LOCKINGTON**

Lockington and District Living Heritage Complex was thrilled and honoured to have the International Town Criers Competition visit on Friday, October 18. After a welcome and morning tea some considerable time was spent looking through the Complex. Joe and 'Jack' turned on a show with the starting of the 1953 field Marshall Tractor. Not only watched by the Town Criers but the grades 5 and 6 students of our School. After that show the Criers assembled at the front of the Complex and took in turns to give their rendition of the importance of keeping the Lockington Hotel open. The students then had to decide the winner of the competition, which was most difficult, but after great deliberation the Canadian team was chosen. Nicholas Mitchell, on behalf of the students, thanked the Town Criers, so too did the Complex President, 'Jack' Oliver.

Hello again Everyone,

Recently we featured here some information about the World War I Memorial monument at Mitiamo. On this monument are the names of personnel from the western part of our district – such places as Milloo, Pine Grove and Wanurp – who fought, and in some instances gave their lives fighting in the war of 1914-1918. In this *Locky News* I want to share some photographs of the Mitiamo Monument. They include a photo of the memorial itself, and four closer images showing the names of those commemorated there.

That must be it for this fortnight, and for our review of the Great War and how it was experienced by our families here.

'Bye until next time, when we will return to the story of the railways.

Marg O'Brien.

LOCKINGTON COMMUNITY NEWS INC. CONTACT AND PUBLISHING DETAILS

Casual Advertisements - must be accompanied by name, address and telephone number (without this information the advert cannot be printed)

Charges: Minimum 5.5cm x 5.5cm \$8.50 incl GST (Locals), \$12.50 (Non Locals). Contact our office re larger advertisements and prices. No charge for non profit organizations.
Reports - a word count limit of approx. 500 words is sufficient for most reports, preference will be given to shorter reports. Due to space limitations your report may need to be edited.
 Letters to the Editor, articles and reports should be typed or printed, and must show the author's name and contact details. We do not include controversial political issues or party policies unless we can give equal space to all parties or sides of the argument. (Contact details are for office use only and will only be published by request.)
Articles printed in this paper are printed in good faith and in no way reflect the views held by the 'Locky News' voluntary workers. We reserve the right to reject items deemed to be unsuitable. Any malicious information will be forwarded to the Police.
All news items will be put on website unless we're advised not to.

A REQUEST FROM OUR POSTIES

Could people please clean up the long grass and weeds around your mail boxes. A Hot exhaust system can start fires . Thanks for your help. 🔥🔥

Lets keep our homes safe from possible fire danger this summer.

Life's journey is not to arrive at the grave safely, in a well preserved body, but rather to skid in sideways, totally worn out, Shouting "Wow... what a ride!"

MILLOO C.W.A. REPORT

There was a full attendance at our October Meeting where the roll call was "A Good News Story". Everyone agreed that "A Good News Story" was hard to find, but never the less there were a few very interesting stories told. Approximately \$1200 was distributed to C.W.A.

objectives and locally.

The Echuca Group International and Christmas Lunch is to be held on Monday the 11th November at the Rochester Senior Citizens Hall at 12 noon. The Echuca Group Delegates Meeting will precede that at 10am.

C.W.A. Country of Study for 2020 is Botswana, quite a different challenge to Iceland. Milloo Branch will hold their Christmas Lunch and meeting at the Huntly Hotel at 12 noon on Thursday 12th of December.

The next meeting will be the A.G.M on Thursday 14th November at 10.30am., the General Meeting will be held at 1.30pm when the competitions will be:

- Craft – a lavender bag,
- Cookery – cake or slice using lemons
- Horticulture – a succulent bloom
- Miscellaneous – the biggest lemon
- Charity – lavender bags for the C.W.A. Club.
- New Members always Welcome.
- Julie Chappel – 5486 2226.

SCHOOL NEWS

Science (pictured right)

This week during Science grades P-2 experienced how vibrations cause sound, which can be sensed. We felt our throats vibrate when we

we hummed and sang "Twinkle Twinkle Little Star", the balloon vibrated when we talked into it, the guitar and ukulele strings vibrated when they were plucked and tapping the tambourine caused the rice to bounce. Great work junior scientists!

Grade 5/6 Businesses (pictured left)

During the week our Gr 5 and 6 students held their businesses to raise money for their trip to Maryborough to compete in the Energy Breakthrough. The students made their way to Giddings on Monday to get all the supplies they would need for business on Tuesday and Wednesday. The students had to prepare a business plan prior to the event and work out costings, prices etc and hopefully come out with a profit!

Picasso Cow (pictured left)

The students are having an awesome time in the Art room. Our Picasso cow Daisy Meadows is looking a treat! Daisy, along with lots of other great works of art will be on display at our Art Extravaganza, which is being held on Friday 29th November at the school. More information to follow.

RURAL AID COMMUNITY LUNCH

On Friday 18th October, the community enjoyed a free barbecue lunch with slices, tea and coffee on offer. Everyone enjoyed the wonderful weather and lunch in the Plumbers Shed and Community Garden of the Lockington District Business Centre. Community members then listened to Suzie Jacobs who spoke about Rural Aid, the impacts on farmers and small communities and what assistance is on offer.

We also enjoyed a visit from members of the World Invitational Town Crier Tournament 2019. Locals enjoyed the interaction and spoke with Town Criers from places such as Canada, New Zealand and England.

The Lockington and District Bush Nursing Centre also attended with blood sugar and blood pressure testing on offer for community members.

Local handmade craft, jams and chutney were popular with visitors and community members alike to view and purchase. Overall it was a successful community lunch made possible through a grant received from the Campaspe Primary Care Partnership. We would like to thank everyone who volunteered their time and those who came along to support this event.

If anyone would like any further information about Rural Aid or how to get assistance if you are a farmer, please call: 1300 327 624 or register online: www.ruralaid.org.au.

SHIRE NEWS

Tuesday, 19 November

Council meeting, 5pm
Echuca Civic Centre
Information: Frank Crawley

Free Garden Waste Drop Off

Council is currently offering assistance to residents with clearing up for the fire season by accepting household garden waste free of charge at council's transfer stations from now until Tuesday, 5 November.

Works Notice

Resurfacing of a number of sealed roads across the shire will start from 11 November. Primal Surfacing has been contracted to do the work. Weather permitting, the works will be completed by the end of November.

Affected landholders, both rural and urban, will be advised by letter drop prior to works starting in their immediate area. Delays up to a maximum of 15 minutes may be experienced by road users.

Council apologises for any inconvenience caused.

Nominate for Australia Day

Nominations for the 2020 Australia Day Awards are now open. Details and nomination forms are available from

customer service centres and can be downloaded from council's website. Nominations close Friday, 6 December and must be submitted to local Australia Day committees.

IMMUNISATION SESSIONS

Appointments are available in Gunbower and Girgarre. *Please call the Immunisation team on 1300 666 535 to book.*

Monday, 25 November

Lockington Bush Nursing Centre
11.30 – 12 noon

Bioenergy Infrastructure Fund Grants

The Bioenergy Infrastructure Fund supports projects that use bioenergy technologies for the recovery and reprocessing of organic waste from commercial, industrial and municipal sources. Up to \$750,000 in funding is available to invest in bioenergy technology including funding equipment, infrastructure and support for technical and feasibility studies.

Grants available include:

- Infrastructure, can apply for \$50,000 to \$750,000 in funding
- Business case or feasibility/technical study, can apply for \$20,000 to \$100,000 in funding

The Bioenergy Infrastructure Fund is open to industry, social enterprises, community groups and government entities. Applications close 28 October 2019. For more information please go to:

<https://www.sustainability.vic.gov.au/Grants-and-funding/Bioenergy-infrastructure-fund-grants>

HISTORY OF LIONS CLUB IN LOCKY

In late 2016, the school approached the lions club for assistance with purchasing a Buddy bench. The members took hold of the idea and went onto purchase the bench. A working bee was held and with a kind donation of some concrete, the bench was set in place. In May 2017 Councillor Leanne Pentreath along with members of the club and school teachers, the bench was officially declared open.

The Locky Lions Club are proud to be supporters of the school.

LOCKINGTON TO BE RESCUED

The Ten Towns initiative is Rural Aid's way of supporting small rural communities and highlighting the impact the drought is having on them. Lockington will receive \$100,000 to be spent over five years on renewing their town.

The \$100,000 includes \$10,000 for town leaders to workshop with experts in rural/regional town renewal with the aim of developing a long-term renewal strategy. These facilitated workshops will support the long-term sustain ability of the town and local community.

\$90,000 will be spent on materials for maintenance projects identified by the town leaders, that fits within our scope of work. If available, materials will be sourced locally to support local businesses.

Rural Aid's Farm Army of volunteers (usually between 50 - 100) will spend a week in the town in the first year, possibly in July 2020, bringing a welcome financial injection to the town's local businesses.

Lockington was selected because of it's vision for the town's future and it's leadership capabilities.

LOCKINGTON PLANNING MEETING:

The next meeting will be on **Monday 18th November** at the Business Centre at 7.30 pm. It is important that a representative from **ALL** local businesses, sporting groups and organisations attend this meeting as this 'rescue grant' will be discussed. This is an initial planning meeting with follow up consultations to take place in the following months. Questions to Wendy Sims 0427 868307

ROCHESTER SILOS TO BE LIT UP

Rochester Business Network (RBN) is proud to announce that the Hon. Damian Drum MP, Federal Member for Nicholls, will officially light up the GrainCorp Rochester silos this Friday.

The GrainCorp silo in Rochester township has increased tourism and has sparked the nation wide appreciation of silo art.

"Silo art has been incredibly well-received in region areas and I'm excited to be able to throw my support behind the Rochester Community and officially light up this addition to the Rochester skyline" Mr Drum said, "It is fantastic to see the Rochester community pull together to see this project through."

The project is unique in that the local community has fully supported the first stage of preparing the site, the painting and the protection of the site. The lighting up is part of a stage two of beautification of the site to make it friendly for tourists and locals, creating a place that people want to get out of their cars and spend time in the great town of Rochester.

"We are one very resilient community. This is a special community project being undertaken and supported by the people who live here. We are very proud and cannot wait to see how this continues to put Rochester on the map of places to visit in Regional Victoria", said Kate Taylor, project member.

"We want to continue to invite all Victorians to come to our town, see the artwork, have a coffee or a beer and check out the other great things we also have to offer in Rochester", said Kate. "We now invite you day or night and why not stay for a while", said Kate.

Painting started Monday 11th June and was finished Saturday 14th July 2018. Further works including new fencing from Tree Salvage Victoria, turf area supported by Coolabah Turf, irrigation system donated by Campaspe Irrigation, improved foot walking area supported by Mawson's and coordination of work and labour from Temptation Living and Landscapes.

"The site really is looking fabulous and we can not wait to officially light it up this Friday", said Kate.

A community BBQ will be made available from 6pm with official proceedings starting from 7.30pm.

For media and photo opportunities please contact:
Rochester Business Network Media Manager, Kate Taylor, 0407 842 221

LOCKY POOL OPENING ON SATURDAY 9TH NOVEMBER

The Lockington Pool has had a makeover! The long awaited painting of the pool has occurred and the water is sparkling. The ducks are loving it too! So it all adds up to being another great season. Nearly time to hit the pool, cool off and enjoy some time with friends, away from other life pressures!

The pool is opening on Saturday 9th November, from 3-7pm everyday except Christmas. Come along, let the kids get tired in the pool and renew the seasonal Outdoor Pools pass. There are many different ones to suit everyone.

Family Season Pass \$147.20
Adult Season Pass \$84.50
Student/Child Season Pass
\$63.40

Family Day Pass \$16.80
Casual Adult Pass \$5.20
Casual Student Pass \$4.20

Across the state there is a requirement for 2 shire employed life guards to attend every shift. To offset this extra cost, the shire will be implementing a minimum day temperature of 25°C, up from 20°C in previous years. This will mean if the temp is under 25°C, there will be a likely chance the pool will be closed for that day. They will post on the Campaspe aquatics facebook page, which I sure we will keep an eye on, if closure is occurring. Luckily for us, most days are above that! On the chance there is a low temperature forecast for the day, the shire will make the call on that particular morning. Just in case the weather has other ideas and it turns out to be hotter than expected!

As the season progresses, more information and events will follow. At the moment, the school and kinder (I believe) are having swim lessons, the annual Lockington Consolidated School carnival will be on (18th Dec) and end of year school party is on the cards (1.30pm on the 20th Dec).

The one week intensive Learn to Swim (LTS) school holiday intensive, will be held in January school holidays, and is usually held for ages of 4 and up. More info as we receive it.

Hope to see you at the pool!

IN THE... LIBRARY

Book review - 'The Da Vinci Code'

'The Da Vinci Code' is a conspiracy thriller written by Dan Brown. We follow the protagonist Robert Langdon, a professor of religious symbology. In Paris he is awakened by the French authorities to view a murder of the current curator of the Louvre. Little did he know about the insane sequence of events that follows. After discovering he is now a suspect in the murder investigation he befriends a French Cryptologist, Sophie Neveu, they embark on a harrowing journey and race against time discovering and deciphering clues the curator left for them to find the true murderer and an ancient piece of history. The book has also been adapted into a successful and well known film.

Dan Brown is a 55 year old American author best known for his thriller novels such as 'Angels and Demons' and 'Inferno'.

When the book was released there was an immense amount of controversy surrounding it. A lot of this has come from both the apparent misrepresentation of Christianity and the Catholic Church, as well as criticism about the inaccurate depiction and descriptions of European art, history, architecture, etc.

Before I began the book I was a little skeptical, I thought perhaps it's been overhyped like a quite a few other novels I've read, for example 'To Kill A Mockingbird'. Boy, was I wrong. I was only a few chapters in and I was absolutely hooked, I devoured it. The story is intense, fast paced, fascinating and hectic but in a good way. Dan Brown goes into so much detail and explains everything incredibly well. Without giving away spoilers, the plot twist that occurs towards the end was amazing, it was such a mind spin. Seeing it all come together was interesting and satisfying at the same time.

As for the characters, I loved the three main characters. Robert Langdon, the protagonist and professor. Sophie Neveu, the Cryptologist, and Leigh Teabing, the antagonist and history buff. I thoroughly enjoyed his character, regardless of the twist, he was intelligent and calculating.

All in all, I LOVED this book. I 100% recommend to read it if you haven't already, it's earned a place on my favourites shelf.

Tenesha (Volunteer—Lockington Library)

LOCKINGTON GOLF CLUB REPORT

October 21: The Locky ladies recently held their Presentation Dinner, a delicious 2-course meal including fish

& chips from Helen's Café, acknowledging the season's winners and enjoying good company.

**TRY WALKING
BASKETBALL**

**COMMUNITY
GATHERING**

**From 1st November
until 6th December**

The season will run for 6 weeks beginning on the
1st of November at 7PM
every Friday until the 6th of December
at the Lockington recreation reserve.

The event is suitable for all ages and all abilities.
You can bring your own dinner and drinks
and family if you'd like.

Come out and have some fun and exercise.

Walking basketball is for participants across all ages, genders and abilities and helps to maintain and improve health and decrease risk factors associated with sedentary behaviour. What makes Walking Basketball stand out from most activities is that it doesn't matter if you have never played the game of basketball before or you are pretty handy on the court as this will still be a level playing field for everyone within a social, fun and non-competitive environment.

Can I or can't I?

This guide gives you general information about what you can and can't do during declared Fire Danger Periods and on days of Total Fire Ban, when fires in the open air are legally restricted.

CFA declares Fire Danger Periods by municipalities in the country area of Victoria during periods of increased fire risk. Refer to the CFA website cfa.vic.gov.au for further details about your location.

In state forests, national parks and on protected public land, fire restrictions are in force all year round. Contact the Department of Environment, Land, Water and Planning (DELWP) for advice on fire restrictions in these areas.

Also, always check with your municipality as some have restrictions in place all year round.

Total Fire Bans are declared by CFA on days when fires are likely to spread rapidly and be difficult to control.

The penalties for lighting fires illegally during the Fire Danger Period and on Total Fire Ban Days include large fines and possible imprisonment.

Total Fire Ban (TFB)

Total Fire Bans are declared by CFA on days when fires are likely to spread rapidly and be difficult to control.

Fire Danger Period (FDP)

CFA declares the Fire Danger Periods by municipality during periods of increased fire risk.

The following activities are subject to restrictions, in the open air on days of Total Fire Ban and during the Fire Danger Period.

- BBQ / Campfires
- Commercial Catering
- Solid Fuel BBQ
- Scaring Gun
- Burning Off
- Driving Vehicles
- Chainsaw / Lawn
- Hot Work / Bees
- Incinerator
- Farm / Road Machinery

**To report a fire
DIAL 000**

It is the responsibility of every individual using fire to ensure they comply with the fire restriction laws. Anyone using fire must ensure that their actions do not cause a fire to spread to other property. Severe penalties apply under the Crimes Act 1958 (Vic) to anyone who intentionally or recklessly lights, maintains or fails to contain a fire and allows it to spread on to other property.

I'm planning a burn-off on my property. How do I notify emergency services?

If you have been issued with a burn-off permit by CFA or a Municipal Fire Prevention Officer, you need to give the Emergency Services Telecommunications Authority (ESTA) prior notification by phoning 1800 668 511 and any other person identified in the permit conditions.

How can I find further information or apply for a permit?

For any clarification or further information about this guide, or to obtain a permit application form, visit cfa.vic.gov.au, contact your local CFA district headquarters or phone (03) 9262 8444. A list of contact numbers for CFA district headquarters is available on the CFA website.

In many municipalities north-east and east of Melbourne, DELWP fire restrictions also apply within 1.5km of the public land boundary. Check the DELWP website for details.

If you need to apply for a permit, contact DELWP on 136 186 or delwp.vic.gov.au.

Current statistics indicate that 1 in 7 women will develop breast cancer, well I'm now the second in my family of 5 girls!

Since it's now quite certain that I will lose my golden locks to chemotherapy, I have decided to take control, and shave my head as part of a fundraiser for the National Breast Cancer Foundation Australia (the pink ribbon one). With such fair skin you probably won't get to see much of my bare scalp, I'll instead don a nice scarf or a hat.

So come out for a fun day in Lockington when I shave my golden locks AND in the meantime, please pledge your donations, to this cause that is quite literally close to my heart, via the following link

<https://fundraise.nbcf.org.au/fundraisers/alisonstewart/golden-locks-to-fall>

The National Breast Cancer Foundation (NBCF) is Australia's leading national body funding game-changing breast cancer research with money raised entirely by the Australian public.

Cash donations will be accepted on the day, and at the Locky News office on Monday 11th November, between 9am and midday. All donations over \$2 are tax deductible and you will be issued with a tax-deductible receipt via email as soon as you make your donation.

Thank you so much for your support!

CFA HAYSTACK WARNING AFTER SPATE OF FIRES LAST SUMMER

Dry conditions in some parts of regional Victoria similar to those seen last year have led to a warning to all farmers to exercise extreme caution with the cutting, baling and storage of hay.

CFA Chief Officer Steve Warrington said firefighters responded to a record number of haystack fires last fire season.

“Over the previous fire season CFA crews responded to close to 90 haystack fires, more than any season before.

“North West Victoria was a hot spot last fire season and remains a concern for CFA. Dry conditions have meant some crops have failed with farmers having to cut crops for hay raising the potential risk of haystack fires.

“It is important for farmers when you’re preparing your property for the fire season that your haystacks are prepared, put away and stored safely.”

CO Warrington emphasised that haystacks can pose a great danger and occupy crucial firefighting resources for days during a potentially extreme fire season.

“What people don’t realise is that when a haystack catches fire, it continues to smoulder over a long period and CFA crews need to continue monitoring it for several days to make sure it doesn’t spread and get out of control.

“Haystack fires can start quite easily from lightning, equipment and machinery, but another major source is spontaneous combustion.”

Spontaneous combustion can occur when hay is either not properly cured before baling, or not stored to protect it from rain or damp conditions which means moisture content in the bales is higher than the recommended level.

They are then stored in environments with high temperatures and little airflow which triggers a chemical reaction that leads to fire. This can happen to any bale regardless of size.

“The advice is clear and simple; cure your hay properly and then store it in multiple locations and away from assets to avoid large losses if a fire occurs,” Mr Warrington said.

“If you’re storing hay in a shed, make sure air can circulate around the haystacks, monitor stacks on a regular basis, check for heat levels and avoid walking on stacks in case they collapse due to internal heating.

“Please make sure to keep your haystacks out of the rain to avoid fluctuating moisture content.

“Since 2008, CFA has responded to more than 1500 haystack fires, by storing your haystacks properly.

“You can avoid adding to those statistics and save yourself from the costly impact of a fire.”

Damp or poorly cured hay can overheat and catch fire. Know how to avoid it. Know how to detect it. Know how to deal with it.

Important tips

- It is important to ensure hay is well cured before baling
- Know the history of the hay you purchase
- Keep haystacks to a limited size
- Monitor moisture and temperature of your hay regularly
- Watch for unusual odours such as pipe tobacco, caramel, burning or musty smells
- Store hay in separate stacks or sheds away from farm equipment and other buildings
- Keep your hay dry. Protect it from rain, leaking rooves or spouts, and runoff. Cover stacks with tarps or hay caps
- Don’t stack hay right to the top of a hay shed. Allow some air to circulate at the top, this helps to carry away moisture.

Temperature guide – what to do when your hay is overheating

Use a thermometer in a probe or insert a crowbar into the middle of the stack for two hours

- Less than 50°C (can handle bar without discomfort): Check temperature daily
- 50°C – 60°C (can only handle crowbar for short time): Check temperature twice daily. Remove machinery from shed
- 60°C – 70°C (can touch bar only briefly): Check temperature every two to four hours. Move hay to improve air flow
- Over 70 °C (bar is too hot to hold): Potential for fire. Call 000 immediately. Avoid walking on top of haystack.

Haystack Temperature Guide

- Less than 50°C** ✓ Check temperature daily
- 50°C to 60°C** ✓ Check temperature twice daily. Remove machinery from shed
- 60°C to 70°C** ✓ Check temperature every 2 to 4 hours. Move hay to improve air flow
- Over 70°C** ✓ Potential for fire. Call 000 immediately. Avoid walking on top of haystack

AGRICULTURE VICTORIA

EMERGENCY WATER INFRASTRUCTURE REBATE

The On-Farm Emergency Water Infrastructure Rebate Scheme is now available for the purchase and installation of emergency water infrastructure for livestock.

The scheme is available to eligible farm businesses in a number of local government areas, including: Campaspe, Gannawarra, Greater Bendigo, Greater Shepparton, Loddon, Strathbogie, Swan Hill, Mildura and Buloke.

Farm businesses outside of the above local government areas can make an application if they can demonstrate a critical water need for livestock resulting from current seasonal conditions.

These applications will be assessed on a case-by-case basis.

The scheme is available for water infrastructure purchased since 1 July 2018 – guidelines and application details can be obtained from Rural Finance, call 1800 260 425 or visit ruralfinance.com.au

TAPPING INTO VICTORIAN CRAFT PRODUCE

Victoria's small-scale and craft producers are being supported to grow in a bid to create new jobs and attract more visitors from interstate and overseas to enjoy locally-made food, beer and spirits.

Minister for Agriculture Jaclyn Symes has this week launched the \$10 million Small-Scale and Craft Program, encouraging all small-scale producers across Victoria to apply.

Two streams of funding are available under the new program:

Stream One – Small-scale and Craft Business Development: Grants up to \$25,000 are available to eligible small-scale and craft producers for projects that support businesses to scale up, expand their operations and diversify their products – with applications closing on 6 December.

Stream Two – Job Creation and Economic Development: Grants of \$25,000-\$200,000 will go to eligible small scale and craft agribusinesses for significant projects that will deliver benefits to the community and generate jobs.

Projects involving multiple businesses are particularly encouraged to apply, with Expressions of Interest, which close on 31 December. This new program follows on from the successful Artisanal Sector Program, which delivered grants to businesses in Victoria's highly valued and diverse artisanal produce sector, helping them grow production, enhance their farmers' market potential and take their local produce to the world.

To find out more about the program visit agriculture.vic.gov.au/agriculture/food-and-fibre-industries/artisanal-agriculture.

PLANNING SUPPORT

Provides Victorian small-scale pig and poultry producers with funding of up to \$3,000 to help them with the costs related to obtaining a land use planning permit.

Who can apply:

At a minimum, you must:

- have an Australian Business Number (ABN)
 - be seeking a land use planning permit for an existing or proposed small-scale pig or poultry farm located in Victoria
 - complete a small-scale pig and poultry planning workshop prior to applying for the grant program
- Other eligibility requirements may apply.

Deadline to apply: Applications close: 31 May 2020

Applications will remain open until 31 May 2020, or when the funding allocation is expended, whichever occurs first.

Contact information: 13 61 86
or psai@ecodev.vic.gov.au

LOCKINGTON BOWLS CLUB REPORT

October 21: What a big week of bowls at Lockington. Social bowls, Sixty and Over competition, Mid-week and Week-end Pennant culminating in the annual Waterwheel Classic Fours on Sunday.

The club held a successful tournament on Sunday attracting 108 bowlers from Calivil, City of Echuca, Deniliquin, Lake Boga, Lockington, Mathoura, Moama, Rich River, Rochester, Stanhope and Tongala. At the completion of the scheduled four games of ten ends, there were two undefeated teams. The local Lockington rink comprising Geoff Shawcross, Don Isgro, Steve Peter, Russell Shawcross (s) fought out a tremendous battle against the Moama four in Roy Jackson, Arch Bailey, Tony Hawley and George Thornley (s) in a play-off over five live ends. Both teams traded ends before the Moama team picked up consecutive ends to win the play-off and taking home the trophies as well as having their names etched in Gold Lettering. President Russell Shawcross thanked all bowlers for their support and also acknowledged the sponsorship from Maddison Property & Livestock - Lockington. Tournament Secretary Chris Stewart thanked Kath Palmer and the ladies for an outstanding effort in providing the excellent meals on the day. Stewart also acknowledged the help from Lorraine Appleby and Dave Thomas in the preparation of the tournament documents plus the input from members in the work around the greens and surrounds. Club Greenkeeper Ian Johnson relinquished the position during the week-end, but will continue to play pennant. The club is extremely grateful for the commitment that "Johnno" has shown over the past fifteen years in the position and wish him well for the future. The special competition winner was Alan Kauffman. The Mathoura Bowling Club members supported the day with five teams competing. After three games there was two Mathoura teams going for four wins, however both teams lost their final games. The Norm Hodge rink had the hard-luck story of the day after drawing the first three games played, then suffered a one shot loss in the last game.

On Tuesday the women played their Social bowls with the rink of Trish Jones, Mary Atkins, Lorraine Appleby and Kath Palmer (s) ruling supreme on the day.

The Sixty & Over competition was held on Wednesday with 120 bowlers in action and enjoying the ideal conditions albeit, with a slight sprinkle of rain during the day. Local rink of Dave Thomas, Frank Chugg, John van den Bosch and Tom Davis (s) played off to the Yardstick to score five within the area but had to settle for the Runner Up chooks as the Moama team had the closer bowl. Chris Stewart collected the dozen eggs for the best lead.

Congratulations to the team of Ann Lowrie, Lorraine Appleby, Lois Chugg, Phylis MacFarlane (s) on winning the Elmore Ladies Invitation Fours during week. A great effort.

The CVBD Pennant did not favour the club with much success. In the Midweek competition Lockington lost their match at home to Rochester 70-81 scoring one rink win. (K Palmer lost to A Fiedler 16-38; P MacFarlane defeated S Sholl 31-15; M Davis I.t. C Anderson 23-28).

In the Week-end pennant our teams also failed to flatter against Rochester at home. Division Two lost 48-84 with half a rink win. (J Harris I.t. R Turner 9-36; I Johnson drew B Jones 22 all; R Shawcross I.t T Quinlan 17-26). Division Four shared the rinks against Rochester but lost the match 63-88. (S Peter I.t D Murray 11-43; B Musgrove def. B Smolemnaars 26-19; G Shawcross drew G Prince 26 all).

The Friday evening practice and barbeque was again well attended with the absent David Luptons (ill health) name being drawn out.

October 22: What a big week of bowls at Lockington, First up was the Tuesday Social bowls then the Sixty & Over competition, Midweek and Week-end pennant culminating in the running of the Annual Waterwheel Classic Fours on Sunday attracting 108 bowlers to compete in this prestigious event. Club President Russell Shawcross welcomed all bowlers and thanked them for their continued support. Shawcross also acknowledged the sponsorship from Maddison Property & Livestock - Lockington.

At the completion of the scheduled four games of ten ends, there were only two undefeated teams to play a five live end play-off to decide the winners. Our local rink comprising Geoff Shawcross, Don Isgro, Steven Peter, Russell Shawcross (s) challenged the Moama team of Roy Jackson, Arch Bailey, Tony Hawley, George Thornley (s). Both teams traded ends before the Moama rink were able to win consecutive ends to take out the final and have their names etched in gold lettering. The special competition winner was Alan Kauffman. Tournament Secretary Chris Stewart congratulated Kath Palmer and her committee for the magnificent meals provided on the day. Thanks were also offered to Lorraine Appleby and Dave Thomas for their assistance in preparing the tournament documents. Members were acknowledged for the effort and work ethic in the preparation of the greens and surrounds. Greenkeeper Ian Johnson relinquished the position on Friday, but will continue playing pennant. The club is extremely grateful for the commitment that "Johnno" has shown towards the club over the past seasons and wish him well for the future.

On Tuesday the women played rinks with the winning team of Trish Jones, Mary Atkins, Lorraine Appleby, Kath Palmer (s) ruling supreme.

Congratulations to Ann Lowrie, Lorraine Appleby, Lois Chugg and Phylis MacFarlane (s) on winning the Elmore Invitation Fours during the week.

On Wednesday the club hosted the Sixty & Over competition with 120 bowlers in the field. Our local rink comprising Dave Thomas, Frank Chugg, John van den Bosch, Tom Davis (s) were placed second following a roll off to the Yardstick and win the chooks while Chris Stewart collected the dozen eggs for Best Lead on the day.

In the CVBD Pennant the women played against Moama at home. The final result favoured Moama with a 80-56 victory. (K Palmer I.t B Trengove 19-27; P MacFarlane I.t. T Thompson 12-32; M Davis def. E Bennett 25-21). The Week-end pennant failed to register much success as both Division Two and Four lost their respective matches to Rochester. Division Two 48-84. (J Harris I.t R Turner 9-36; I Johnson drew B Jones 22-22; R Shawcross I.t. T Quinlan 17-26). Division Four had a similar score line after losing 63-88 and sharing the rinks with Rochester. (G Shawcross drew G Prince 26-26; B Musgrove def. B Smollemaars 26-19; S Peter I.t. D Murray 11-43).

The women will be holding an Invitation Fours tournament on Wednesday 13th November starting at 10.00am. Contact Annie Haines 5486 8220 for entries
