DON'T BE LAZY...

With the easing of COVID19 restrictions, it would be easy to take a lazy approach to social distancing and sanitizing... please don't be one of those lazy people though.

We have had an easing of restrictions because the majority of us have been doing the right things.

We need to be able to do business freely and openly, but we need to do it in the right manner, otherwise restrictions will be tightened again, and third time around it will hurt us more than ever.

Please make a conscious effort to support our local businesses whenever possible, they are the ones who have changed how they do business for us... Our local small businesses have adapted much quicker and more effectively than most big businesses, so please show them your appreciation by continuing to support them, their families and the many locals they employ and/or support.

LOCKY SPOONVILLE

Welcome to Lockington's very own "Spoonville", located opposite Giddings, at the front of the Community Garden.

The very first Spoonville was started in Winnersh, Berkshire, England and soon enough "Spoonvilles" were popping up all over the world. With communities locked down and unable to get together themselves, there are no rules for Spoony people and so Spoonville populations everywhere are growing and growing.

Making a Spoony person is fun for all the family and a great activity to keep children and grown-ups busy and it's lovely to see the smiles on the little ones faces when they visit a Spoonville.

THUMBS DOWN

To the "vandals" who have been scavenging the timber from the historic site of the Kotta Railway Station.

You are stealing our district's history.

KOTTA RAILWAY STATION VICTORIA. LATE 1920s

The station opened in 1915 on the Cohuna line which branched from the Bendigo/Deniliquin line at Elmore. It closed - along with the line - in 1981.

Here an AEC Rail Motor makes a stop at Kotta. Note the raised bonnet to cool the motor.

Hello again Everyone,

In this issue of the *Locky News*, I'm returning to the Kyneton *Guardian* article, written in August, 1873, about the "land-hunger" or "land-fever" that had gripped the colony of Victoria, particularly districts in our part of the country. It was stated that since the beginning of 1873, and up until August, there had been 496 applications to select land, lodged at the Echuca Land Office, with yet more applications being made at other land offices. Applicants sought the allocation of property to the extent of 170,000 to 180,000 acres within the Echuca district, and almost all were being recommended for approval. Selection sizes varied from 6 acres to 320 acres, but it was said that the average block was of 250 acres. Initially, the squatter pastoralists had opposed selection but having been allowed to secure 640 acres around their homesteads, they had "given up the contest."

I found the *Guardian* article interesting because it focuses on our district but, more particularly, because it told something of the people who were involved, our forerunners in this district. In stating where the applicants for land had come from, the writer of the article said that few localities in the colony of Victoria were unrepresented, and he went on to name some places; Melbourne, Richmond, Inverleigh, Baringhup, Geelong, Williamstown, Learmonth, Camperdown, Brown's Hill, Ballarat, Castlemaine, Sutherland's Creek and Kyneton. As the writer was from Kyneton, it isn't to be wondered that he found it remarkable that so many applicants actually came from there.

He writes: - "The lists of applicants are crowded with Kyneton names. The Yeaman's of Carlsruhe (nine) have selected 2,880 acres in Pannoomilloo and Wanurp. The Ryans of Barfold (four) have selected 1,050 acres in Wyuna. The Watsons of Greenhills (five) have gone for 1,600 acres of Pannoobamawm. The Crawfords of Malmsbury have selected in the same parish, and in Terrick Terrick, Cochrane of Barfold, and Orr of Woodend, are also ambitious of holding a portion of the Terricks. The Archibalds of Barfold have selected 880 acres in Bamawm — still keeping among the Bars. Castles, Harrison, Breen and Sam Smith, of Baynton, select in Koyuga, Samuel Windridge in Pannoobamawm; Moses Watson, of Kyneton, in the same parish; Anthony Watson, of Highbank, selects in Timmering; Hughes, of Malmsbury, (3), Milloo and Pannoomilloo; Pethybridge and Saunders, of Malmsbury, and Lucardie, from Drummond, in Timmering; Bingham, of Drummond, in Mooroopna; David Rannard, in Pannoomilloo; Wm Hodge and Geo. Piggins, in Wanurp; Brereton in Wanurp. A whole colony of Hipwells, Sims, Cant, Rigby, Wright, M'Lean, from Spring Hill, go to Wanurp and Pannoobamawm. From

Tylden, Chanters (2) and Heeps (2), have taken land in Pannoomilloo. James Mills and James Stowe represent Piper's Creek amongst the selectors. The Paynters selections are at Wharparilla. George Watson, of Spring Hill, has selected in Koyuga; Edward Steed, of Green Hill, in Timmering. Geo. Campbell of Carlsruhe, Runnymede, Tweddles of Gisborne in Koyuga. Of other Kyneton names are to be found Robert Wilson, John Kurtzweil, Pat Halloran, William Murrell, James Smith, Chas. Wall, Pell (2), Jonathan Hamilton, John M'Pherson, Mary Ann Vickers, John M'Auliff (Redesdale), Charles Southby, Robert Marshall, George Jones (Redesdale), John M'Kenzie (Monument Creek), James Gilligan (Newham), William Murray, (Rosebank), William James senior and junior, Reddropp, Pickering, Fitzsimmons (4) of Woodend, Burns, (3) of Woodend, Squire of Carlsruhe, Forge of Kyneton, and several others. Added to those who have already settled along the valley of the lower Campaspe in Nanneella and Timmering on the east and Turrumbury on the west, Kyneton will be largely represented in the newly settled country."

While many of these people selected property on the other side of Rochester, a good many actually settled right here. Many of those surnames are still represented among us though, for some we might need to go back a generation or two to find these names among the mothers or grandmothers of the present generation. Yet others are represented among those at rest in the Pannoobamawm (Pine Grove) cemetery, or at Mitiamo, Rochester, Elmore or Echuca. There was a time when district roads were so badly affected by wet weather that the local cemetery was not an option. In thinking of roads, some of those early district names will remain with us in the local streets and roads that commemorate them. Some of those people listed didn't stay in this district. They may have gone further, to the Mallee or across the Murray into New South Wales, or they may have gone with the drift to the city. Perhaps they even returned to Kyneton. I find it interesting that so many were from there, though there were very definitely quite sizeable representations from the Ballarat and Geelong areas, to name just a couple.

There is a little more of this article to share with you, but I'll leave it for another time.

'Bye,

Marg O'Brien

LOCKINGTON CONSOLIDATED SCHOOL NEWS

Exciting times ahead at LCS as we will see the return of all students from Monday 5th October. We are so excited and all staff can't wait to resume face to face learning.

During the period of remote learning we had many students write letters to the elderly members of Lockington. I am not sure who got the most pleasure out of this, the students or the community members? Thanks must go to the staff at the Bush Nursing Centre who assisted with the planning of this initiative, and of course those members of the community that took part and wrote letters in return. Another example of what a truly wonderful place we live in.

Pictured...

**Yes please
to peas!**

As peas are a legume, they are naturally high in protein and fibre. Peas are a good source of iron, vitamin B and phosphorus. Peas are great for your digestion due to their high fibre content and can boost the health of your eyes due to being packed with carotenoid pigment lutein. They are a versatile in cooking and are good in soups, dips, casseroles, salads or steamed as a side dish in meals.

Habitat forever

GET PAID TO PROTECT YOUR LAND

Trust for Nature is offering financial incentives to help fight extinction. Place a conservation covenant on your land today.

- \$1,000 per hectare for protecting Plains-wanderer native grassland habitat in the Northern Plains of Victoria
- you choose where the covenant is placed on your property
- work with Trust for Nature to ensure the covenant works for you
- join more than 1,400 other landholders in Victoria who have protected habitat
- proudly leave a legacy for future generations and protect critically endangered wildlife

"The cash incentives are really great and show the value of what we have out here, and the beauty of our covenant is that we can still selectively graze our land. There's no negative effect for us." Patho Plains farmer.

Outdoor dining

Council is assisting Campaspe hospitality businesses to either start or expand their outdoor dining footprint, when they cannot do so on their own land, to maximise the number of customers that are able to dine. Under the Third Step of the Victorian Government's roadmap, hospitality businesses will be required to mainly serve patrons outside. Go to www.campaspe.vic.gov.au/outdoordining to get the full details.

LOCKINGTON BOWLS REPORT

With further Stage 3, C.O.V.I.D. restrictions being eased, bowlers will be able to approach the game with increased numbers allowed and occupy the clubhouse under certain terms.

Over the past couple of weeks, bowlers have enjoyed the opportunity to have a roll-up and keep in touch. Club champion Denise Gilmore celebrated a special birthday amongst fellow bowlers, who were treated to a birthday cake that was presented by Brian Kinnane (freshly) baked that morning.

On the green there was a display of intense bowling from all concerned amid plenty of humor and laughter. Gilmore was on a high as she introduced the "golden-arm" bowling aid to further her improvement in bowls. Other bowlers to feature include Owen "Smiley" McPhee, Jim Harris, Jerome Shaw. Ivan Hicks and Russell Shawcross. The club appreciates the support from the City of Echuca, Moama, Elmore and Rich River Bowling Clubs plus our own members, in helping the cause.

Being able to have increased numbers on the green, the club will hold the popular Scrounge event on each Wednesday at 1.00pm and a feature Pairs competition on Friday at 1.00pm. Names to be listed prior to 12.45pm on the given day.

The club 100 Up championship has been decided with Ian Johnson defeating Andrew Harris in a splendid display of draw bowling. Both bowlers traded ends in the early part of the match before Johnson showcased his vast experience to draw out to a comfortable victory. Although somewhat disappointed, Harris will no doubt be able to draw out on this as a valuable learning curve to greater things.

The club will soon be able to decide on various items relating to Presentation evening, plus any Championship games to be completed. Also the return to Friday evening barbeques.

LOCKINGTON GOLF CLUB

MONDAY 21ST SEPTEMBER

Competition golf has resumed at Lockington, with the ladies playing a stableford round on Thursday. Pauline Humbert was in sparkling form with a score of 37 points to clearly win the Giddings Player of the Day voucher and A Grade honours as well, with Annette Brereton runner-up.

Helen Hayes won B Grade with Marg Eade finishing runner-up. Helen capped off a good day by winning the two nearest the pins for B Grade, while Annette Brereton won the two nearest the pins for A Grade.

Congratulations to Annette Brereton who won the 2020 Handicap Matchplay title in a close contest against Jan Clymo, the match score 3 and 2.

Saturday's stroke round saw Brett Stone in top form, his score of 76-5-71 was best on course and won him the Giddings Player of the Day voucher, the Monthly Medal and A Grade honours, ahead of Kevin Humbert (82-9-73).

Mark Lyons won B Grade with 92-20-72, on a countback from Matt Higgins (94-22-72), with Jeff Carnie (90-17-73) a close third. C Grade was won by Tom Scurrah (97-23-74) ahead of Jack Milligan (109-32-77).

Best scratch scores: A Grade Brett Stone 76; B Grade Kahl Oliver 89; C Grade tom Scurrah 97. Gartside Cup qualifiers: Brett Stone, Mark Lyons, Matt Higgins; standby – Ian Maddison (c/b).

Nearest the pins: 3rd – Darren Carnie; 2nd shot 12th – Grant Humbert (A), Matt Baulch (B), Rob Hardess (C); 2nd shot 18th for the 8-pack smack – Matt Baulch. Spike's Longest Drive on the 10th, sponsored by Hot 'n' Cold Plumbing – Andrew Cochrane (A), Matt Baulch (B), JD Wright (C).

The Echuca CIH eagles nest on the 3rd wasn't won, but Captain Bricka's yardstick prize on the 16th was won for the first time all season, with Kahl Oliver winning the \$200 with a super shot.

Congratulations to Brett Stone on his victory in the 2020 Handicap Matchplay Championship, defeating the gallant Tony Brooke 2 up. Brett began well to be 3-up after 4 before Tony won the 5th and 7th to close the gap back to 1-down. Brett won the next 3 holes to be 4-up but again Tony fought back to win the 11th, 12th and 14th to cut the margin back to 1-down.

Brett steadied with a crucial par on the 15th to win that hole to go 2-up, followed up by an important half on the 16th when conceding 2 shots on that hole, and ultimately went on to win the match 2-up in a fitting championship contest.

Upcoming events: **Wednesday 23rd September** – Stableford – Mary Robins Trophy. **Saturday 26th September** – Stroke – Gartside Cup Final – Monthly Medallists Final.
