LOCKINGTON PLANNING MEETING YOUR TOWN ~ YOUR VISION

Town beautification main theme.

Many organisations expressed their intention to create garden areas throughout the town, particularly at the town entrances to showcase shrubs and native plants that thrive in our area. Other projects included painting and upkeep of facilities in our district and the further development of walking tracks both in the township area and on the proposed rail trail between Lockington and Kotta.

At the meeting held on Monday 1st March, preliminary planning was started for the 10 Town Rescue from Rural Aid to take place in September this year.

Each group or organisation took the opportunity to outline planned projects they wish to undertake in the coming

year / years. Two or three representatives from each group will meet with the Co-Ordinator of the project, Peter Kenyan and two reps from Rural Aid over two days, 12th and 13th March. If your group has not asked for a time slot to meet with the reps please contact me to arrange a suitable time.

Rural Aid Project representatives will be having their evening meal at the Lockington Hotel on Friday 12th March and would like to take the opportunity to speak to locals about their vision for their town / district. If you are free please join us at the Hotel from 6.30 onwards.

If you would like to look at previous projects completed by Rural Aid under this banner, copies of the Community Development Plan for the district around Monto and Gayndah in Queensland are available at the Lockington District Business Centre.

LOCAL YOUTH STEP UP TO THE CHALLENGE

The Lockington Lions Club held the Annual Youth of the Year for 2021 on Sunday 21st Feb. We were delighted to welcome the 3 participants, Kaitlyn Bulmer, Johanna Grundy, and Jack Creed.

We were entertained by 3 very confident young people, and the task of selecting the winner by

the judges was very difficult and a very close race.

Congratulations to Kaitlyn for being the overall winner on the day. Kaitlyn will go onto represent the Club in the Regional finals. Thankyou to the participants, Judges and members for making the day a very successful one.

Hello again Everyone,

We've been following the development of our district from the time our selector forebears arrived here in the early 1870s. Initially, the seasons were kind; crops were successful, and enthusiasm ran high. Rumour even had it that the seasons were becoming more mellow as selector settlement took hold. The harvest of 1875-76 had been a satisfactory one and travelling reporters visiting the region on behalf of such publications as the *Weekly Times* and the *Australasian*, commented very favourably on developments taking place. The *Australasian* of 15 January 1876, carried a highly commendatory article about a visit to the Pannoomilloo property of Mr Archibald Yeaman. "Several of Mr. Yeaman's relations have settled near to him, and they are thus often enabled to render each other assistance in busy times that is mutually advantageous. Among them, they hold four 320-acre blocks, and 230 acres have been under cultivation this season." Writing to the *Geelong Advertiser* on 3 March, 1876, a correspondent, also farming at Pannoomilloo near Rochester, said: — "The crops about here were harvested and threshed long ago, and, as a rule, the yield was very good. ... Ploughing is now general, but the ground is very hard, and a little rain would be much appreciated, even if only sufficient to half-fill our dams." As the year progressed, water supplies dwindled further but still, any fear of drought was short-lived, and the settlers turned their minds to other things.

Across the Terricks plains, few roads had been made, and the grid pattern formed by the recently surveyed properties resulted in fence lines crossing, and blocking access to, the beaten tracks that had been used by the pastoralists and their workers. Travel in any form could be difficult, and the transport of farm produce to market was seriously impeded by the poor condition of such roads as were available. There was ongoing agitation for the formation of a new shire, with Rochester to be its administrative centre. On 6 April 1876, the *Riverine Herald* reported that a deputation of representatives from the Terricks had waited on the Commissioner for Railways and Roads to urge the formation of a new shire comprising portions of the existing shires of Echuca and Waranga. In support of their request, it was stated that the Echuca Shire had been neglectful of its duties in respect to the Terricks region. In the Echuca Shire's defence, its secretary, Mr Shackell claimed there had been no such neglect and that, in the previous twelve months, almost half the shire's revenue had been spent in the territory concerned. The newspaper report of the deputation went on to state that, in light of the allegations and contradictions that were being made, the Commissioner, Mr Jones was unable "to see his way in the case" and could not comply with the request.

So, the campaign to divide the shire had been halted, at least temporarily, but a transport problem remained to be solved. Farm allotments within easy distance of the rivers and/or the main Melbourne to Murray railway line, had been taken up by the selectors who were earliest to arrive on the northern plains.

Thus, in order to access markets, those farmers who arrived later, and had taken up selections in such places as Pannoomilloo, Wanurp or Terrick Terrick, had first to cart their produce by wagon to the nearest railway station. Depending on the condition of the roads, or tracks, this could be a lengthy process and the settlers sought some alternative. On 9 March 1876, the *Bendigo Advertiser* published an item, written by the Mitiamo correspondent, indicating that agitation had begun for the construction of another rail link; this to be between Sandhurst (Bendigo) and Swan Hill. Local residents felt that the least expensive and most advantageous option would be the provision of a branch line from Runnymede, following the route of an existing 3-chain road from there to Swan Hill. "The road is level, direct, and without any engineering difficulties. It intersects the whole of the Terrick district, passes close to the Pyramid and Mount Hope, and through Kerang. This road would traverse an immense area of good agricultural country, which is either taken up or being taken up and is not secured to any extent by squatters." It would provide better and closer access to the transport and the marketing facilities that the settlers needed.

Meetings, like one at Mitiamo on 28 April, which was reported in the *Bendigo Advertiser* on 4 May 1876, were held throughout the region. Committees were formed, and groups calling themselves Railway Leagues were established in many of the districts involved. Unfortunately, there were strongly-held differences of opinion about the route to be taken by the proposed railway line, so that for much of the time, these groups worked "at cross purposes". Most agreed that the line should proceed via the Terricks and Kerang and on to Swan Hill. However, some felt that a line commencing at Eaglehawk and proceeding via Raywood and Mitiamo before reaching Kerang, would serve more people and provide a better option than would a branch line from Runnymede (Elmore). And so began a series of contesting meetings, committees, and deputations that continued throughout the year.

In the meantime, the season was not turning out as well as had been hoped. On 10 July 1876, the *Bendigo Advertiser* reported that crops in the Echuca district were considered "backward. Rain did not set in until late in the season." Lack of moisture had caused considerable anxiety, as the ground had been too hard to plough, and the seed had been put in later than usual. However, in September that year a correspondent from the Terricks was able to write to the *Bendigo Advertiser* that the area had enjoyed "a copious downfall of rain" and that, with "a few showers at intervals up to harvest time... a fair, average yield may be expected." Fortunately, such rain arrived, as reported in the *Riverine Herald* on 14 November, and was "the salvation of the settlers in this locality."

'Bye until next time,
Marg O'Brien.

**Finding good players is easy...
 getting them to play together
 is the hard part**

Hi everyone... after much consideration, instead of cancelling altogether, we have decided to move the Lockington Country Music Festival from August to October.

Dates for the 2021 **LOCKINGTON COUNTRY MUSIC FESTIVAL** are
22nd – 24th October 2021.

It will be better weather and we won't clash with the football etc. By then, hopefully, Covid will be a thing of the past, or at least have less regulations.

Anyone, wishing to offer any sponsorship for this event would be much appreciated. Sponsors will be included on all flyers, pre-promotion and the Lameroo CMF Website.

Updated information will be added to the website as it comes to hand www.lockingtoncmf.com

Stay safe, Cheers Roz Giles

Here are the details

In 2015, Council in conjunction with its communities set a vision for the future; **'We want to be strong, supportive, vibrant and sustainable.'**

Now five years later it's time to ask the community again what it aspires to and what are the issues that Council must address with and for its communities.

Where and when

Stanhope	Mon, 22 Feb	6pm	Stanhope Recreation Reserve
Wyuna / Koyuga	Wed, 24 Feb	7pm	Koyuga Hall

Gunbower	Wed, 24 Mar	7pm	Gunbower Hall
Kyvalley	Thu, 25 Mar	7pm	Kyvalley Hall
Rushworth	Mon, 29 Mar	7pm	Rushworth Hall

Across the next two months, Council will seek feedback from residents and visitors of Campaspe to determine if the issues identified back in 2015 are still relevant, identify gaps and what can we do together to address them.

All this hard work will help Council prepare a new community vision and Council Plan, and other key documents.

MEDIA RELEASE

Peter WALSH
MEMBER FOR MURRAY PLAINS | LEADER OF THE NATIONALS

A better deal
for Murray Plains
THE NATIONALS
for Regional Victoria

22 February 2021**Parliamentary inquiry to help us all breathe a little easier says Walsh**

An inquiry has been launched into the health impacts of air pollution on Victorians according to the Member for Murray Plains, Peter Walsh.

He said exposure to common air pollutants can exacerbate respiratory and cardiovascular conditions, lead to premature death and cost the Victorian economy hundreds of millions of dollars per year.

"If you stop and think about it, as a society we are surrounded by pollutants; from vehicle transport, electricity generation and heavy industry to bushfires and dust storms – and they all contribute to poor air quality," Mr Walsh said.

"What the Legislative Council Environment and Planning Committee is looking to find is to best determine what can be done to minimise the impacts from these pollutants," he said.

"The committee is keen to hear from people with information or suggestions they want us to consider," he added.

Specifically; the committee will seek to:

- Identify statewide practical, real-time, cost-effective mitigation strategies
- Determine how they ensure Victorian air quality tracks to meeting or exceeding current international best practice standards and is enforced
- Determine the impact of economic and population growth on air pollution and health outcomes
- Strengthen commitments across all Victorian Government portfolios to reduce air pollution and minimise the impact on the health of the Victorian population and environment.

Submissions are due by Friday, April 2, with public hearings to be held in May and June.

For submission details, go to www.parliament.vic.gov.au/epc-ic/article/4448

24 February 2021**Walsh launches urgent campaign to stop Wyuna road closure**

The Nationals leader and Member for Murray Plains, Peter Walsh, is calling for people to join him in a campaign to stop the closure of a road vital to local farmers – and people trying to cut travel time between major hubs in the region between Shepparton and Echuca.

Mr Walsh said Regional Roads Victoria and Campaspe Shire appear to have done a deal between themselves to, as they say, "improve safety for all road users".

He said the problem with that is they forgot to talk to anyone else about it – until the deal was done.

"And even then, the letter RRV letterboxed to everyone in the area was wrong, announcing the road would be closed where it joins the Murray Valley Hwy near Wyuna," Mr Walsh said.

"When in fact the closure will be at the intersection of Trevaskis and Hawdon roads," he said.

"Trevaskis Rd is not just essential to the constant movement of farm produce and heavy machinery, it has developed into a major thoroughfare for people heading from one regional hub to the next.

"Farmers who use it multiple times a day will be going several kilometres further than necessary each time – over a year that will cost them thousands of dollars, and others have told me they fear it will have a negative impact on property values."

The Trevaskis/Hawdon intersection is a dangerous one, and desperately needed some changes to traffic flow and speed limits – but simply rolling in and closing it does not do anything for all the people who use it, Mr Walsh added.

He said with work set to begin on March 8 the clock was ticking.

"I have already written to Roads and Road Safety Minister Ben Carroll, calling on him to intervene urgently and stop this before the proposed works start," Mr Walsh said.

"This is a move that has sparked outrage amongst locals and the lack of consultation has made them even angrier," he said.

"After meeting with some of them, and receiving calls and emails from others, I sent off the letter to Ben Carroll and then went to the site and met with some of the farmers who had contacted me.

"This is a Campaspe Shire road but I am told there has not been any consultation about the plans here and that itself is a formula for disaster.

"No-one knows local road conditions better than the locals – that's obvious and that's why consultation is so important in these decisions," he said.

"And those locals tell me is this road – and access to it – is important for more than just those living along it; they say it is also regularly used by people from a much wider footprint.

"There has been a total failure of process by RRV on this issue and on behalf of all the people who access Trevaskis Rd from the Murray Valley Highway I am calling on Minister Carroll to take some urgent steps to stop the process now."

Mr Walsh wants affected landowners and road users to email their concerns to peter.walsh@parliament.vic.gov.au

19 February 2021**Andrews government determined to wreck regional sport says Walsh**

The impact of crowd limits at local sports matches, as part of Victorian Government coronavirus restrictions, has been pushed into the spotlight by the Member for Murray Plains, Peter Walsh.

He said The Nationals took their concern to the floor of the Victorian Parliament this week to get the government to reconsider its 1000 crowd cap at local sporting venues.

"The numerous leagues across my electorate are some of regional Victoria's premier competitions and as such regularly draw crowds in their thousands, not hundreds," Mr Walsh added.

"Apart from all the local heroes there are also ex-AFL players signed up and ready to play for respective clubs, it is simply wrong that crowd numbers are restricted to 1000 people," he said.

"Social distancing is not a problem because clubs have plenty of room to ensure a safe distance is kept by all."

Mr Walsh said the first game of the season was also a gilt-edged opportunity for local clubs to attract sponsors and to kick off fundraising for the year.

And he confirmed this year fundraising will be especially critical – but it's not going to happen if the Andrews government locks fans out.

"Many clubs had basically zero revenue for their 2020 season; but were still responsible for ongoing costs such as maintenance, keeping ovals and courts in tip top shape and other routine costs," Mr Walsh explained.

"And many of the major sponsors, the big social clubs, have had their revenue smashed by not one, but three, lockdowns and have told me they will be lucky to have 30 per cent of their usual funds available for sponsorship – there are going to be huge financial gaps and now Daniel Andrews seems content hammer the nails into the regional sport coffin," he said.

"And if a club has the temerity to ask for increased capacity; the Andrews government will send them an 18-page submission document to complete justifying the request for more fans."

Mr Walsh said clubs north of the border have a crowd limit of 3000.

He said just take Echuca-Moama for example. United can play home in Echuca before a maximum of 1000 while the same day, just 3km away, Moama can play before a maximum of 3000 at its ground.

"A lot of derbies the length of the river involve teams from twin towns. It would be a real shame to deny major local fixtures that support and revenue potential.

"Imagine the impact in a setting such as Albury-Wodonga.

"This really doesn't pass the pub test. This is political grandstanding to justify its sledgehammer approach to COVID control because the Andrews government has now had three goes at quarantine and contact tracing and failed every time – so its response is to make everyone pay the price for its incompetence," he said.

"I am calling on the Minister for Community Sport, Minister for Sport and the COVID experts to stop restricting community organisations from making a buck and being financially viable.

"By all means; set the social distance parameters but don't put a cap on numbers when it is unnecessary. These games kick off at Easter and it's fair to say local markets and streets will be full of tourists, which do not have capped capacities.

"Give our communities the chance to survive while still honouring social distancing measures."

LOCKINGTON BOWLS CLUB REPORT

February 22

With the finish of the "snap 5 day State lockdown", bowlers may be able to concentrate on the forthcoming finals without any further interruption - we pray!

Last Tuesday the annual Twilight Mixed Fours was cancelled because of the above, has now been rescheduled for Tuesday 9th March starting at 5.00pm. Entries to Lorraine Appleby 0427 569802 or Annie Haines 5486 8220.

On Thursday the club held the Sponsors night of bowls. A gathering of some 30 players enjoyed a wonderful evening of fun and genuine friendship. The club welcomed staff and partners from "AutoBarn- Echuca" for the evening and there was plenty of untapped talent on display. Manager Matt thanked the club for the night of bowls and organisers Brian Kinnane assisted by Bev Brereton and Pauline Humbert awarded the better performed bowlers a Club Glass. A very successful evening and thanks to Brian Kinnane for his effort and his organisational skills. A visitor Brian Howell displayed some talent but was reminded by his wife to stick to "Bingo".

With the bye in CVBD Division Three and Four Pennant, our bowlers had a strong Practice match and will be ready to tackle City of Echuca in both division semi-finals on Saturday. The semi-finals will be played at the Rich River Bowls Club.

In the final round of the CVBD Midweek pennant, the results were Moama Red d. Moama Green 88-31; City of Echuca White d. Mathoura Red 63-43; Mathoura Blue d. Elmore 69-44; Tongala d. Ky Valley View 59-43; City of Echuca Blue d. Rich River 59-50. The semi-finals will begin on Friday.

On Sunday the CVBD Champions day was held at the Rich River Bowls Club. Our club representative Denise Gilmore challenged City of Echuca Louisa Dean in the State Novice Singles. After a slow start Gilmore was unable to contain the stylish bowling of her opponent and lost the game 21-10. Gilmore was gallant in defeat and would be disappointed with the result, however the margin did not indicate the closeness of the heads in general. It was interesting to note the family related bowling bloodline of Dean. Her father John was a talented bowler at Rich River, her mother - a sister to local legend Graham "Tex" Harrison, her grandmother was Jean Harrison - a long term bowler at Moama and a great aunt in Alice McMinn - a 21 times club champion at Lockington. May Louisa enjoy more success in bowls.

Other results from Sunday were Women's Pairs: M Rehe - M Stephenson (s) (Moama) d. K Evans - P Schram (s) (City of Echuca),

State Fours: C Frampton, C Taylor, J Tonta, J Moss (s) (Composite) d. J Clifford, J Young, G Kerr, S Proctor (s) (City of Echuca).

State Mixed Pairs: K Norris - R Jackson (s) (Moama) d. K Wastell - R Wastell (s) (Moama) with a measure on the final end after teams were level on 14 - all.

State 60 & Over Pairs: B Brennan - K Brennan (s) (Moama) d. T Nagorcka - S Barker (s) (Rich River) 15-14;

State Fours: G Devlin, C Hayes, P Nesbitt, D Weymouth (s) (Rich River) d. R Werner, L Bates, A Vesty, M Humphreys (s) (Mathoura) 16-15; State Novice: M Ovens (Moama) d. A Harding (Mathoura).

Afternoon session results - Women's State Triples: J Clifford, G Kerr, B Murray (s) (Composite) d. L Beattie, K Evans, L Roney (s) (City of Echuca).

Champion of Champions: P Nesbitt (Rich River) d. R Feuk (Rochester) 25-17. State Singles: T Nagorka (Rich River) d. S Cunningham (City of Echuca) 25-7.

Women's State Singles: M Stephenson (Moama) d. J Campbell (Moama) 25-19.

Men's State Pairs: G Dorward - B Brennan (s) (Moama) d. T Hawley - G Thornley (s) (Moama) 21-20.

At the Friday evening barbeque and practice the large crowd were treated to a fine meal. Life member Roy Perks was unable to be there to collect the lucky members' draw.

The club is accepting entries for the long awaited Waterwheel Classic Fours to be held on Sunday 21st March 2021, starting at 9.30am. Entries to Chris Stewart 5486 2607 or Tom Davis 0428 54865477. Early entries are encouraged.

LOCKINGTON BOWLS CLUB **REPORT (CONTINUED)**

March 1

There was plenty of excitement at the women's Social bowls on Tuesday when the formidable trio of Trish Jones, Margaret Dowie and Phyllis MacFarlane (s) won the day and collected the spoils.

On Tuesday evening the round of Barefoot Bowls attracted a good roll up. Winners on the night were Ray Hanson, Cindy Felmingham, Alicia Racheal (s) 2 wins plus 15 shots ahead of Ian Haines, Dean Cook, Jacob Haines (s) 2 wins +12 shots. Barefoot bowls will continue this week.

In the semi-finals of the CVBD Pennant competition held on Saturday our two divisions - Three and Four fought out a great battle with their City of Echuca opponents. The overall result was a one win/one loss ratio. Division Three lost their game 51-70 with a tie and two losses. (Ray Hanson lost to T Deenan 16-24; Ian Johnson l.t. D Payne 12-24; Russell Shawcross drew G Clymo 22 - all). In the match between the opposing two Division Four teams, our bowlers won the day by one single shot 51-50 in a real cliff-hanger. Scores were level with one end to play. The Ken Main rink was holding one shot as the skippers crossed over and the City of Echuca skipper John Simpson tried desperately to remove the shot bowl but to no avail. The Lockington team was rapt to win a place in the preliminary final. (D Isgro, G Hyden, D Thomas, K Main (s) d. J Simpson 24-16; L Brereton, O McPhee, T Davis, K Stout l.t J Blair 11-21 ; D Smith, L Laffy, N Haines, F Chugg (s) d. G Kerr 16-13).

Division Four will meet Moama in the preliminary final on Saturday 13th March at a venue T.B.A.

Other Division results included - Division 1. Moama d. Rich River 93-36; Mathoura d. City of Echuca 67-58. Division 2. Moama d. City of Echuca 68-52; Rich River d. Mathoura 69-52. Division 3. Moama d. Mathoura 72-47. Division 4. Rich River d. Moama 80-52.

Results in the CVBD Midweek pennant competition were

Division one Semi-final: City of Echuca White d. Moama Red; Mathoura Red d. Moama Green.

Division Two Semi-final: Rich River d. Mathoura Blue; Tongala d. Elmore.

Preliminary finals this coming Friday will be held at Rich River. Division One: Moama Red v. Mathoura Red. Division Two: Moama Blue v. Tongala.

The club championships are continuing to proceed. In the semi-final of the B Grade championship, Owen McPhee won a thriller against Brian Kinnane 25-23. Kinnane was staring down the barrel trailing 14-22 but made a tremendous comeback to just fail to win the match. McPhee will play Dave Thomas in the final after Thomas accounted for Les Brereton.

The women started their 100 Up Presidents trophy championship. Leanne McInnes was in fine form to eliminate Annette Brereton in the first round.

Members have travelled to district tournaments. Alan Kauffman, Tom Davis, Phillip Cunningham (s) played the Stanhope two-bowl Triples and won three games out of the four - losing the final game by one shot. Further bad luck was the fact there was only one four game winner, but, alas there was a three and a half game winner to claim the Runners Up trophy.

Birthday wishes are offered to Annie Haines and Joy Weller on celebrating special occasions.

Tournament schedule for the coming weeks. On Tuesday 9th March is the annual Twilight Mixed Fours event commencing at 5.00pm.

Friday 19th March the women will hold the Medley Fours tournament starting at 10.00pm. Contact Lorraine Appleby 0427 802569 or Annie Haines 5486 8220 for entries for both events.

On Sunday 21st March the club will hold the annual Waterwheel Classic Fours commencing at 9.30am. This event is a Gold Letter day. Contact Chris Stewart 5486 607 or Tom Davis 0428 865477 for details.

The weekly barbeque and practice session was well attended with Club Secretary Neil Haines collecting the lucky members jackpot for the third time this year.
