LOCKY LEGEND'S BRONZE

Locky local, Col Pearce, swam in his first ever Paralympic event on Tuesday, with what can be described as an outstanding result. Col qualified third in the heats, and backed that up with a BRONZE medal in the final. What's more... Col's time set a new Australian record for the event.

Col will race in two more events later this week (Thursday and Friday) so stay tuned to your tellies and cheer him on.

There is a video of Col on the 7Plus app for those wanting to view, and channel 7 as well as 7Plus will be streaming the events live..

Congratulations!

**Wishing you the best of luck
for your next two events Col**

RURAL AID 10 TOWN RESCUE

At the Planning Meeting held on the 16th August the community decided to ask Rural Aid to again postpone the volunteers from coming to assist Lockington in the many projects we had nominated over the past year. We are thankful that Rural Aid will allow us the funding for the first year so that planned projects can begin using just local volunteers. Funding for the following two years will be available for future projects – hopefully with outside volunteers to assist.

If your organisation / group had put forward a funding submission could you please update your proposal and resubmit it to me by the end of September (longer time line due to current lockdown).

Once the submissions are in, I will forward them to Rural Aid for approval. I envisage that some of the original projects that your organisation / group submitted will have been completed and therefore ask that if you have new projects, that you submit the costings for these.

Once we receive funding I will advertise when you are starting your projects. As this will now not happen during the one week in September (as originally planned with the outside volunteers) I hope that projects can be staggered over the next few coming months. This will give our local community the opportunity to assist each other complete works proposed.

If you have any queries about what needs to be submitted or any other general enquiries, please email me.

LOCKINGTON & DISTRICT LIVING HERITAGE COMPLEX

Complex: 5486 2515 - Open Sunday's 1pm to 4pm or by appointment
 President: Kevin "Jack" Oliver - Secretary: Beryl Marshall 5486 2353
 Website: <http://www.lockingtonvic.com.au>

Hello again Everyone,

We've been reading early newspaper reports to learn what life was like for the farming families who lived in our district in the 1880s. After enjoying two or three good seasons in the early 1870s, the selector farmers faced a series of harsh seasons when rainfall was insufficient and crop yields were poor, but the 'water famine' of 1882 dealt the hardest blow yet. Local Member, Mr Hugh McColl visited his distressed constituents and his description of the conditions he encountered, when published by the *Leader* on 25 February 1882, aroused "public sentiment." The *Elmore Standard* expressed the feelings of many, in trusting "that good may come out of the evil in drawing the attention of the Government and shire councils to the time lost in providing water storage in the past and the necessity of taking immediate steps to provide for the future." In one of the earliest responses to the need, the Echuca Shire Council resolved to apply for a Government Loan to construct a canal from the Goulburn River to the Picaninny Creek for "water supply and irrigational purposes."

Little or no rain fell and by March 1882, a Terricks plains resident wrote to the *Mount Alexander Mail* that "The general state of the country is something frightful from want of water. Cattle are dropping dead all along the roads, and many people are ill from the use of bad water." Another was quoted in the *Maitland Mercury and Hunter River General Advertiser* on 25 March, stating that "Nothing has been done to prepare the land for the next crop, carting water and driving stock occupying the whole of the farmer's time. The season is getting advanced, and it is to be feared that the drought will not only cause the present losses, but injuriously affect the next year's harvest." A little rain fell in early April, and some a little heavier at the end of that month. These latter filled "nearly all the tanks" and gave the settlers some hope that the seed they had sown would do well in the coming months. However, the Campaspe remained "very low," and grass was "not very plentiful" so, by 25 May 1882, a Pannooabamawm correspondent wrote to the *Bendigo Advertiser* that "Another good soaker would, of course, improve things considerably." Severe frosts in June had the effect of further drying-out the land. On 8 July, the Melbourne *Herald* reported that "In the Runnymede and Terricks districts, the selectors are still carting water for miles, both for their own use and that of their cattle. The cattle are still dying from low condition, want of food, and the cold weather, some of the selectors losing as many as a dozen, while two or three is a common occurrence."

On 24 July, there were heavy showers across the plains, accompanied by gale-force winds which, at

Pannooabamawm, unroofed a great many sheds and stables, and smashed off limbs and uprooted trees. As reported in the *Argus* on 4 August, at Milloo, Mitiamo and Dingee, "a terrific hurricane" passed from north-west to south-east over the districts, doing a very large amount of damage. A Miss Worner, who had been milking her cow, had a very narrow escape, having just let the cow out of the cow-bail when the tree against which the bail was erected came crashing down. This rain event was sufficient to meet present needs, but the crops were still backward, and farmers hoped for a wet spring to ensure a good harvest. Good rains in early Spring appeared to meet that need, but by 14 October 1882, the *Australasian* was reporting that "Rain is urgently needed in this district for over 30 miles, both to the east and west of Rochester; the crops are already suffering severely, and in the direction of the Terricks and Kerang things are still worse. Should rain come within a fortnight most of the crops would recover sufficiently to produce a good average yield, but a very extensive failure must result should the drought be further protracted." More rain fell a fortnight later, but it too was insufficient. The *Geelong Advertiser* on 4 November, reported that "The country was so parched up that it drank the rain as fast as it fell," and predicted that the outlook for the selectors was dark. Late November 1882, brought a plague of locusts to Milloo, Pannooabamawm, Pannoomilloo and Wanurp, and inevitably, the harvest was a poor one yet again.

It had been a stressful year, but it was not without its lighter moments. Plans were in hand for improved teacher-accommodation at Terrick Terrick East and Milloo and, at Pine Grove East there was a new school. It was opened on 7 July, with an evening of varied entertainment – including a performance by a visiting Austrian pianist – attended by a large audience. On 9 November 1882, the bachelors of Pannooabamawm held a Ball in Mr Archibald's barn, in honour of the anniversary of the Prince of Wales's Birthday. More than fifty couples attended, and the *Elmore Standard* recorded that "the gathering was one of the most enjoyable ever held on the plains." On 17 November, the 'Terrick East Quadrille Assembly' held a Ball at Mr H Luelf's hotel, and the following week, the bachelors there held a supper to farewell one of their number who was leaving the district. Once again, cricket was a significant feature of community life, with matches reported regularly and enthusiastically in the local press, and social activities for 1883 were off to a fine beginning when sports were held in Mr. Brereton's paddock on New Year's Day.

'Bye until next time,
 Marg O'Brien.

GIDDINGS Co

“Locals employing locals”

Ged and Breanna Giddings along with their children, Raffy, Orby and Cydie are proud to continue the family business started over 40 years ago by Breanna's grandparents Des and Dorothy Pentreath.

Since acquiring the business from Brendan and Leanne Pentreath they have continued to expand the business and are delighted with what they have achieved.

Giddings is one of the largest employers in the district, providing employment to over 40 locals during the seven days they are open each week. In addition to the delicious bakery goods, deli produce, liquor, butcher range, they provide an enormous range of groceries. Gas deliveries, pump installation and repairs, farm supplies, hardware and stock supplies compliment their services.

Online shopping has proven a great asset to the business over the last year, with deliveries being made to the surrounding district, covering the area from Pyramid Hill, Calivil, Mitiamo, Dingee, Ballendella, Kamarooka, Tennyson and Kotta.

Catering for your every need, whether it be a new product or catering for a function you are holding, Giddings is willing to assist. Call for a quote when arranging your next function.

Giddings assists many local organisations through their annual sponsorship budget. They have helped many local organisations over the years, including the Lockington Bamawm United Football Netball Club, Bamawm Lockington Cricket Club, Lockington Golf Club, Bamawm Golf Club and Lockington Bowls Club.

During the school term each week Giddings provide a large pizza to the Lockington District Business Centre's Yagers group.

Breanna has continued her passion for hairdressing whilst maintaining a connection to the supermarket. Ged, a qualified builder has expanded his skills to include all facets of running the supermarket including baking, hardware knowledge and also become proficient as a pump specialist.

We can also get most supplies in – whether it be grocery items, hardware, farming supplies, stock feed, etc. You can contact Ged to get quotes, or to proceed with ordering anything.

On Tuesdays seniors can show their Seniors card and get 10% off their grocery shop, also every time customers spend over \$50 they get a Hot chook voucher (collect 5 and get a free hot chook)

Breanna, Ged and the children look forward to greeting you when you do your shopping and continuing their involvement in the Lockington community.

LOCKINGTON LANDCARE

Lockington landcare is compiling maps of areas where weeds are found along the roadsides in our community. These maps are then being forwarded to the Shire of Campaspe to be part of their annual spraying programme. If you have noticed any noxious weeds along the roadway near where you live can you please mark the exact location of the weeds and what they are and forward this information to me or to the Shire of Campaspe.

You can collect a map from the front counter at the Lockington District Business Centre. They are on the back of the community news rack. Once you have marked and identified the weeds, please either email it to me or return to the LDBC. Please put your name and phone number on the map so that if we need further information about the weeds we can contact you.

Capsicum delight

Capsicums are rich in vitamins A and C and come in a variety of colours which bring a visual delight to any dish. They are also a good source of vitamin B6 which is good for the metabolism of protein, fats and carbohydrates. They are also known to be beneficial in boosting the immune system. Being a versatile vegetable, they are great stuffed, roasted or sliced and work well in stir fries.

**Want to volunteer
but only for a short
time?**

Lockington District Business Centre has been busy with the park, landscaping and renovating areas. We will shortly be installing a new mulch pit and have all of the materials to get started. If you are interested in volunteering for short timeframes or projects and willing to use some muscle, please leave your name and phone number at the front fuel counter. Even if it is only an hour or two you have spare, we would love to hear from you! There are also other upcoming projects that we will be putting together to benefit the community.

Volunteering is a great way to feel connected to the community, combatting social isolation and making new friends! Of course if you would like to volunteer for more hours, you are more than welcome.

You can also call the Business Centre on (03) 5486 2683 to register your interest if you can't make it in.

THE EDITOR'S SNAPSHOT

FARMING - THE QUIET, EASY LIFE?

If you think farming is easy and quiet... think again.

A farmer's day often starts before dawn and doesn't finish until into the night. There are always some jobs that must be done whilst exposed to the elements, be that a frosty morning, pouring rain or sweltering heat. Have a look at an old farmer's skin, wrinkled like leather with sun spots, possibly some chunks cut out too.

Farming is often a very physical job, requiring strength and stamina, and being able to dig deep when you need to, both physically and mentally, to get things done.

A farmer's job description is very loose, and there's no place for an attitude like "that's not my job". Farming needs people who are quick thinkers and adaptable, as plans change quickly and frequently, that's just the nature of it.

So easy, farming is not....

A lot of farming activities use machinery that's noisy and smelly. There's many an old farmer who's half deaf from using machinery all his life.

Then there's the livestock, that when calves or lambs are weaned, moo and baa all night and all day trying to get back to their mums.

So quiet, often farming is not...

And don't get me started on the smells... be it cow, sheep or pig manure, silage or grease and oils.

And dust and dirt and grain dust or grass seeds... I swear that the only way sunscreen works is from all that stuff sticking to it and stopping the sun's rays from hitting your skin. Then you come inside like a chocolate coated farmer... it's really quite laughable some days.

And then there is death, that farmers see on a more regular basis than most people. A farmer's heart is not hard, it breaks with the loss of every animal they care for, and often try to hide the tears in their eyes.

So the next time you think fondly of a farmer's life, just remember the flip side. And the next time you see an old farmer, take the time and effort to see the scars that have been left from farming.

MEDIA RELEASE

Peter WALSH

MEMBER FOR MURRAY PLAINS | LEADER OF THE NATIONALS

A better deal
for Murray Plains
THE NATIONALS
for Regional Victoria

22 August 2021

Walsh says there is a better plan 'to give Vic's the Vax'

The Nationals leader and Member for Murray Plains, Peter Walsh, says confirmation vaccination rates in Victoria have fallen significantly behind NSW must be immediately addressed by the Andrews Labor Government.

Mr Walsh says at current uptakes rates, Victoria will not reach National Cabinet's key 70 per cent vaccination target until September 29 – more than three weeks after NSW.

Furthermore, he said the latest data also confirms Victoria will not reach the 80 per cent target until October 19 – almost five weeks after NSW.

"Daniel Andrews has no plan to boost his sluggish vaccine uptake rates – only a plan for more lockdowns and tighter restrictions – it's like watching the replay of a football game and hoping for a different result," Mr Walsh said.

"In contrast, the Victorian Liberal Nationals have a plan to jump-start Victoria's lagging vaccination rates," he added.

He said the cornerstone of the plan is to:

- Immediately redirect funds spent on wasteful self-promoting State Government advertising into vaccination ads.
- Ensure teachers and early childhood educators are supported with priority vaccination to keep our schools open safely.
- Open vaccine bookings until the end of the year at all state-run hubs.
- Introduce mobile vaccine centres to target at-risk cohorts and hotspots.
- Ensure AstraZeneca vaccinations are available for under 40's at all state run facilities.
- Fully commit to national cabinet's agreed pathway out of lockdowns.

Mr Walsh said Daniel Andrews is guilty of dangerous mixed messaging about vaccines; and that is adding to vaccine hesitancy.

He said the Andrews Labor Government needs to commit to the National Cabinet plan to reopen rather than a zero cases crusade that will leave Victoria broke and broken.

"With every week in lockdown costing our state \$1 billion – and compounding social and mental health harms – Daniel Andrews must immediately adopt these measures and get our state vaccinated," Mr Walsh said.

"It's unacceptable Victoria remains a month behind NSW with millions of vaccine doses still on the shelf," he said.

"Daniel Andrews is guilty of having no plan get more jabs in more arms, just a plan to shut down face-to-face learning, close business and playgrounds and tear communities apart.

"Every effort must be made to Vic's the vax as quickly and safely as possible."

LOCKINGTON BOWLS CLUB REPORT

August 28

From all the recent State Lockdowns and wet weather, the members have been fortunate to play a day of Scrounge during the past fortnight. A good roll up saw four rinks in play with the competition extremely hot. Rink one went to the left-handed Russell Shawcross with a tally of 67 points ahead of another "leftie" John van den Bosch on 46. Club President Ray Hanson dominated rink two to score a game winning 45 points and edge out the luckless Tom Davis on 41 points. Rink three resulted in a close affair with Graeme Turner collecting the spoils on 47 points ahead of John Fisher 39 pts. The final rink was claimed by the Lady President Ann Lowrie scoring 46 points and winning the trophy ahead of a couple of bowlers who had "menacing intent" in Lorraine Appleby 42 points and Margaret Davis on 41 points. Scrounge will continue to be played on a Wednesday (weather and lockdowns) permitting. Game commences at 1.00pm. Flat soled shoes required.

The club has entered Pennant teams in Division Three and Division Four. Members are required to list names available for Pennant. The Campaspe Area has published the Pennant Draws and there are two Sections in Division Four - namely Division 4A and Division 4B. Lockington has been drawn in Division 4B.

Saturday Pennant will commence on Saturday 16th October at 1.00pm. The duration of the games will be the same 21 ends. There is a condition owing to hot weather, that a ten minute break may be taken after twelve ends. The women will commence their Pennant season on Friday 15th October.

Club members were saddened to learn of the passing of former club member Annice Jensen last week. Annice was Lady Club President in the years 1987-88 and 1988-89 and proved to be a capable pennant player and very popular in the club environment. Condolences are offered to the Jensen families.

The club will hold the Opening Day on Friday 10th September at 6.30pm - for a 7.00pm meal. Names are to be listed for catering purposes.

September 1

With the ongoing restrictions through COVID-19, wet weather and Lockdowns, our members have found it difficult to play bowls. It reminds one of the story re. the mechanic asking the car owner if the Indicators are working?. The reply was yes- no-yes-no! Sounds a bit similar to the impractical lockdowns - any moment!!

In the recent game of Scrounge there were four rinks in play with some exciting results to hand. On rink one Russell Shawcross displayed some pre-season Pennant form to amass 67 points and finish ahead of John van den Bosch on 47 points. Next door the Club President Ray Hanson continued on his recent good form to score 46 points with Tom Davis next best with 42 points. Graham Turner collected the spoils on rink three with a majestic 48 points ahead of Owen "Smiley" McPhee on 43 points. In the battle of the women on rink four, Lady President Ann Lowrie won a close encounter scoring 47 points with Margaret Davis 44 and Lorraine Appleby 42 points. A thrilling display of bowls. The game of Scrounge will continue on a given Wednesday (weather permitting among other obstacles), starting at 1.00pm. Flat soled shoes to be worn.

The club will hold the Opening day for season 2021-2022 on Friday 10th September at 6.30pm for a 7.00pm meal. Names to be listed for catering purposes.

Club members were saddened to learn of the passing of past member Annice Jensen recently. Annice was Lady President 1987-88 and 1988-89 and was a keen Pennant player and consistent contributor to the future of the Bowls Club.

The Sixty and Over competition is due to start during September with the local Campaspe Pennant season to begin on Saturday 16th October. Duration of matches will remain at 21 ends, with a fifteen minute break after 12 ends if both managers agree. Our club has entered teams in Division Three and Division Four. Division Four will be trying to go for back-to-back Premierships.

Fosterville Gold Junior Umpire Award: Milly Haines _ Lockington Bamawm United FNC.

Millie was also presented with her whistle by Raylene Baker – Life member of HDFNL.

Well Done to all players, coaches and parents that took part in the Lightning Premiership. It was fantastic to finally have an event for the junior netballers and a huge thank you to Colbinabbin FNC for hosting the event.

Junior Umpire Award: Milly Haines

A big shout out to Milly Haines who umpired her first senior game last weekend. Then on Sunday, on her birthday she umpired the U13's tournament and won the junior umpire award.

Milly is LBUFNC's 3rd umpire to receive this award.

It's really nice to have young umpires developing as we cannot play the game without them. So congratulations Milly.
