## "IT WAS A TERRIFIC WEEK-END"

The above comment was made by an Exhibitor at this year's Vintage Rally, which was successful, and of course was helped by the super weather. A BIG thank you to the volunteers within the community who gave up some of their week-end to help the committee with the immense amount of work involved which puts Lockington on the map and dollars into the town, especially Lockington Play Group, Lockington CFA, and Lockington Lions Club. We hope we will be able to present our 25<sup>th</sup> rally next year, so an early plea to locals to come and give us a hand for a little or long time.

### LOCKINGTON DID NOT FORGET

Approximately 200 people attended the ANZAC service in Lockington's Community Centre, following the march by many from the Lions Apex Park, trailed by Lockington and Kotta's CFA trucks, who paused traffic in Lockington Road. *(Thank you CFA).*

LT Cameron of the Salvation Army, President of the Rochester RSL, prior to his address, praised Lockington for the wonderful attendance and amazing contribution by locals, especially the Primary School students verbal and visual presentation of the pains of war. Several floral tributes from community organisations and private were placed at the cross, and can now be seen at the Wall of Remembrance in Shakespeare's Crescent.

Both the Australian and New Zealand national anthems were sung – a true spirit of the ANZACs. Many thanks to those who made the ANZAC service in Lockington possible, may this important recognition by continued.

Hello again Everyone,

We've been reading early newspaper reports of life in our district in 1888. It was not an easy life but, in general, our predecessors rose to meet all of its challenges. Though the lack of rain caused worry, it also inspired efforts to seek the provision of a massive irrigation scheme. Similarly, the poor condition of local roads, and the difficulties encountered in transporting produce and supplies into and out of the region, motivated efforts to obtain rail facilities. The need for an adequate defence force in Australia also caught local attention, and led to the formation of the Pannoomilloo Mounted Rifles. Closer at hand, woes were increased by outbreaks of serious illness like typhoid and diphtheria, and residents of the Terricks Plains experienced their share of burns and injuries due to house fires and accidents. All too often these involved young children.

The early part of 1888 was hot, dry and quite windy but rain in May made prospects more cheerful. Light rain fell spasmodically through late winter and early spring, but late September brought a few thundery showers, some of them reasonably heavy. Hopes for a successful harvest brightened but, by 9 November, the outlook seemed bleak once again. That week, the *Elmore Standard's* Piavella correspondent reported that "a number of the farmers have already turned their stock into their crops, as they are too poor to expect a profit from them. The dams are drying up fast, and I think in most instances the people will have to depend on deep wells."

Circumstances did not improve. On 20 November 1888, the *Bendigo Advertiser* reported that the Terricks district was "experiencing heat only to be expected in the middle of summer ... The creeks have ceased running, the farmers' dams in many instances are dried up; many of the tanks which ought to contain water for domestic purposes have been empty for weeks ... The crops can be described in one word - failure ... This season will be a disastrous one, not only to the farmers, but also to the tradesmen and store-keepers." These sentiments were echoed by the *Weekly Times* of that same week, adding that the situation was made worse by the presence of California thistle, and numerous rabbits - except where "Stead's rabbit exterminator" was being used "with great success." [At this stage, it has not been possible to learn just what Stead's exterminator might have been, though it was a machine and is likely to have involved piping poisonous gas into rabbit warrens. It may have some connection with a "David G Stead," who wrote at least one book on the subject of rabbit control in the early 1900s, and who contributed to various other publications concerning the rabbit pest. At one time he was "special rabbit menace commissioner to the Government of New South Wales."]

On 30 November 1888, the *Kerang Times and Swan Hill Gazette*, made mention of increasing problems for the Terricks Plains: - "Grass is

becoming scarce" and "The district lanes are being eaten down by travelling stock from New South Wales. The course taken is shown by the numbers of sheep that are lying dead at the camping places. Bush fires are raging some miles away; one near Elmore has destroyed about 1000 acres of grass and some fencing." In the *Weekly Times* on 22 December, the Pannoomilloo correspondent declared: - "What we will have to endure till the end of the summer, if rain does not come in the meantime, is beyond conjecture....There is not a vestige of green herbage to be seen anywhere. ... There is scarcely a drop of water anywhere in the dams or water holes. Water carts are travelling all day to the Pannoomilloo water tank for water for domestic use, and there are also, being driven to the dam, about 400 head of cattle." Just a month earlier, the same correspondent had noted, "I am pleased to hear that the Echuca council has determined to fix a pump on the Pannoomilloo dam - a boon which I am confident the farmers will fully appreciate."

That pump would certainly have been appreciated, but the year still held a surprise. On the 29<sup>th</sup> and again on 31 December, it rained and correspondence from Pannoomilloo and Tennyson was published in the *Bendigo Advertiser* on 1 and 2 January 1889. It was too late to help the harvest in any way, but local residents were more than thankful to relate that "the dams and tanks have been well replenished, and all fears of a continuance of the water famine are at an end for this summer." The writers added that "Christmas Day passed off very quietly, the social reunions being most pleasant, the usually absent ones being present at this joyous season of the year, making the homes bright with their presence once again."

Though the reporter for the *Weekly Times* wrote, on 19 January 1889, "The crops in this district, taken on the whole, are about the poorest I ever remember," local residents embarked on the New Year on an optimistic note. With the survey party commencing their work on the proposed route/s, the dream of having a railway line through the region seemed closer to being realised than it had ever been before. Water worries had eased, at least for the time being, and furthermore, the campaign for a national scheme to provide irrigation for the region was making progress. A large, well-attended, and well-supported meeting, held at Mountjoy's woolshed, Torrumbary, and reported in the *Bendigo Advertiser* on 23 January 1889, was chaired by Mr J T Brown M L A, and addressed at considerable length by his colleague, Mr H McColl M L A. Facts and figures put forward indicated that the proposed scheme was practical and feasible. The task now was to convince the Government, and the wider community, of the need and importance of the work, and to urge its early completion. Maybe 1889 could be a year of achievement.

'Bye until next time,

Marg O'Brien.

**APPRECIATION ACKNOWLEDGED**

The Lockington Lions Club recently recognised that 3 of its members should be awarded certificates for their continued service.

Ian Palmer became a member in 1974 and hasn't stopped working ever since, a past President and always had a joke or yarn to tell.

Giles Cary became a member in 1998 and like Ian hasn't stopped since, always offering the use of his truck to deliver hay, equipment, etc around Victoria when the need arose.

Betty Mustey became a member in 2011 and like Ian and Giles, willing to help, a past Treasurer and ready to bake a sponge cake for any members birthdays.

Pictured, left to right... President John Van Den Bosch presented a 'Certificate of Appreciation' to Ian, Giles and Betty.

**Clifford in the Outdoors**

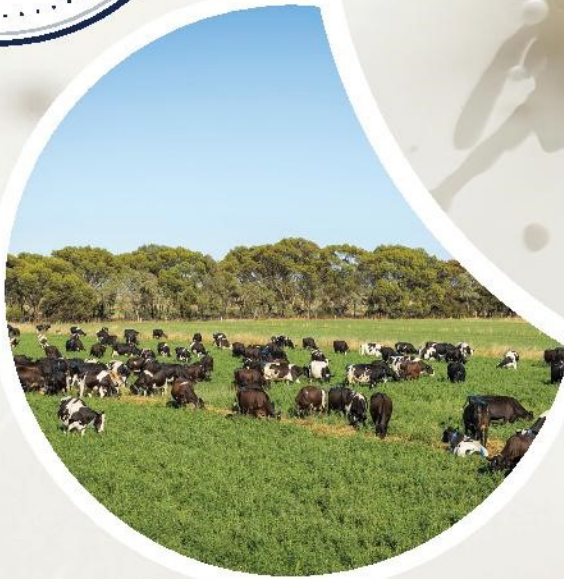

The Campaspe Shire Council organised an outdoor movie truck for families to enjoy throughout the Shire with Lockington fortunate to get a great movie, “Clifford the Big Red Dog”.

Over 100 people attended the movie at the Lions/Apex Park with the audience enjoying a free ice cream from Ciurleo’s Ice Cream and Waffle House. It was a wonderful day with great weather, a fantastic school holiday event enjoyed by all.

# Youth Action Group Adventures

A grant from VicHealth has given the Lockington Youth Action Group the opportunity to attend the Murray Life Adventures Camp at Torrumbarry. The group enjoyed the challenges of the Giant Swing, Multi Purpose Tower, Volleyball, GaGa Pit and Volleyball. A highlight was the Obstacle Course with the Lockington Youth Action Group taking out the top spot for the fastest group through. The overnight camp was challenging with all members pushing through their comfort zones to achieve great results and personal bests. There was a focus on teamwork and leadership with all youth group participants encouraging and supporting one another. All members enjoyed the full two days of challenges and arrived back at Lockington tired but happy. A big thank you to Karl for volunteering to drive the Youth Group to Torrumbarry and back.

**Peter WALSH**

MEMBER FOR MURRAY PLAINS | LEADER OF THE NATIONALS

**NATIONALS**  
for Regional Victoria

### **WALSH SAYS “NAMING OUR WORST ROADS IS NOW A VITAL ROLE FOR LOCAL DRIVERS”**

The Nationals leader and Member for Murray Plains, Peter Walsh, is calling on people across his electorate to name its worst roads in a new campaign to identify the most dangerous hazards that are risking lives on our roads every day.

Mr Walsh said the statewide search launched today by the Liberal Nationals, is a three-month campaign to find Victoria's worst roads from the people who know – the local drivers.

He said he is urging his constituents to submit road condition reports as they travel the region via an online portal in an effort to build a list of the roads most in need of maintenance.

“Decades of neglect have left our roads rough and potholed, risking the lives of motorcyclists, car drivers and truckies every single day,” Mr Walsh said.

“There have been 76 lives lost on Victorian roads already this year, but Labor is spending less on maintaining and repairing the state's roads network,” he said.

“Meanwhile, the Andrews Labor Government has found more than \$24 billion to pour into plugging its cost overruns on poorly managed major projects.

“If they put aside just \$1 billion of the billions and billions of dollars they have wasted on overruns and delays on Melbourne projects, it would go a very long way towards making so many of our roads so much safer.”

Mr Walsh said only a change in Government in November will stop the waste and mismanagement, with a better-managed budget delivering savings that can contribute to

reversing Labor's cuts.

He said the Andrews Labor Government carved nearly \$200 million from road asset maintenance in last year's State Budget alone, a 25 per cent cut down to \$616 million.

Since elected in 2014, Daniel Andrews and his government have also axed funds for targeted maintenance of local roads by abolishing the Country Roads and Bridges Program and disbanded the joint parliamentary committee that had overseen road safety since 1967.

“As drivers on our roads, you have an important role to play in exposing the problems,” Mr Walsh added.

“Instead of fixing roads that are falling apart, for regional electorates where it doesn't give a damn, the Andrews Labor Government favours a cheap, band aid fix with lower speed limits,” he said.

“We'll be seeking reports direct from local communities, councils, farmers and community groups as we search for Victoria's worst roads.

“Fixing the maintenance backlog won't be an easy task – as the Victorian Auditor-General says, poorly-maintained roads cost more to repair, cost motorists more in fuel and in vehicle repairs, on top of the safety risk.

“Properly maintained roads are safer roads. Only a change in government in November will stop Labor's neglect as we work to recover and rebuild.”

## LOCKINGTON GOLF CLUB REPORT

### SUNDAY 24<sup>TH</sup> APRIL 2022

**14/04:** The women played a stableford round on the Thursday before Easter. Annette Brereton was best on course with a very respectable 33 points, ahead of Pauline Humbert (30). Nearest the pin: Pauline Humbert.

**16/04:** The weather was warm, but Brett Stone was in hot form, paring the course off the stick. His excellent round of 70-5-65 was clearly best on course and won him the Monthly Medal and A Grade honours – and he cleaned up the nearest the pins as well.

Terry Thomas (80-9-71) was runner-up in A Grade, with Ian Maddison (87-14-73) next best. Despite taking 18 shots on the first 2 holes, Andrew Glatte staged a remarkable comeback to win B Grade with his fine score of 92-22-70.

Runner-up in B Grade was Barry Graham (94-22-72), on a countback from Ron Dixon (92-20-72) and Jeff Carnie (91-19-72). Tom Scurrah (101-25-76) was the clear-cut winner of C Grade. Yardstick balls for next best scores (all grades) – Kevin Humbert (84-11-73), Gary Milligan (85-9-76).

Nearest the pins: 3<sup>rd</sup> – Brett Stone; 2<sup>nd</sup> shot 11<sup>th</sup> – Brett Stone (A), Andrew Glatte (B); 2<sup>nd</sup> shot 18<sup>th</sup> for the 6-pack smack – Brett Stone.

Spike's Longest Drive on the 14<sup>th</sup>, sponsored by Hot 'n' Cold Plumbing – Brett Stone (A), Jeff Carnie (B), Tom Scurrah (C). Neither the Echuca CIH eagles nest on the 3<sup>rd</sup>, nor Captain Bricka's yardstick on the 16<sup>th</sup> was won.

**22/04:** The women played a stableford round last Friday, with victory to Helen Hayes after her solid round of 32 points, on a countback from Annette Brereton. Nearest the pin: Annette Brereton.

**23/04:** Par was the name of the game and Terry Thomas was in excellent form, with a fine score of +3, clearly best on course. Terry romped to victory in A Grade, with Grant Humbert (-2) next best, ahead of Ian Maddison and Kevin Humbert, both -4.

B Grade was super competitive, with Mark Lyons (-3) the winner, on a 3-way countback from Barry Graham and Ron Dixon. Ian Haines, Andrew Glatte and Ray Brereton all finished -4 in a very close finish.

Thanks to winning 2 of his last 3 holes, Tony Brooke won C Grade on a countback from Des Pentreath. Nearest the pins: 7<sup>th</sup> – Ian Maddison; 2<sup>nd</sup> shot 12<sup>th</sup> – Kevin Humbert (A), Ian Haines (B); 2<sup>nd</sup> shot 18<sup>th</sup> for the 6-pack smack – Jason Wakefield.

Spike's Longest Drive on the 8<sup>th</sup>, sponsored by Hot 'n' Cold Plumbing – Grant Humbert (A), Allen Dennis (B) – great to see Allen out having a hit - Des Pentreath (C). Neither the Echuca CIH eagles nest on 3<sup>rd</sup>, nor Captain Bricka's yardstick on the 16<sup>th</sup> was won.

## **VOLUNTEERING**

Every small community needs volunteers, and this can be in the form of anything from Presidents, Treasurers and Secretaries to bbq cooks and gardeners. The trick is to see where you fit.

Some good questions to ask yourself are...

- What skills do I have?
- What skills would I like to build on?
- What are my interests?
- Which organisations need help?
- What skills are needed?

The Lockington community has a history of being very proactive, but that doesn't happen without volunteers.

Please, if you're not involved with a local group, find one that suits you, your skills and interests, and stick your hand up to pitch in and help our community to thrive.

*Alison Stewart (Editor)*

## **IF NOT, WHY NOT?**

**Are you involved in a community group?**

**Does your group share news via The Locky News?**

Please be sure to appoint a publicity officer, and get them to send us items for the paper.

We have many readers who love reading about the local families and their sporting and community achievements.

This is the best and FREE local publicity your community group will ever get!

# SEASON 2022 CLUB NEWS

Staying United - On and Off the Field

## Around the ground

During our off season the club lost a few people that were quite special to the club and this Lockington/Bamawm community.

This community lost the bright sparks of Terry "TJ" Malone, life member Beverley Pentreath, as well as Ameer Hardess who was a current A Grade player at our club when she passed.

Round Two saw the players wearing black arm bands to honour these people. The netballers also wore a green ribbon in their hair out of respect for Ameer's favourite colour.

A special award was announced at senior netball training the week before round two, to commemorate Ameer.

This award is to be called the Player's Player. This award is to be voted on by the senior netball teams. They will choose a player that emulates Ameer's passion, commitment and contribution to the game of netball.

This perpetual award will be presented at times during the season as well as a trophy at the end of season presentation night.

Last week, some of Ameer's best friends, Kiarra Duncan and Rebecca Eade, along with her mother (Amanda Walker - netball operations manager) and her sister (Jessie Hardess - Senior A Squad coach), presented this award after the A grade game.

This round's worthy recipient was Hannah Sidebottom.

Pictured below: From left to right.

## NET SET GO INFORMATION

Net Set Go will be running on Tuesdays from 4.30pm - 5.30pm during Term 2. These sessions will be suitable for 5-10 year olds.

Fortunately for us, we have the privilege of our Senior A Squad coach in Jessie Hardess, willing, able and excited to be running these sessions. Click the link in the Lockington Community Page to register your child or contact Anita Livsey for any further questions on 0407865474.

## NETBALL INTERLEAGUE REPRESENTATIVES

A big congratulations to all the junior netballers that have trialled and officially made the HDFNL interleague teams to be played later on in the year.
