LOCKINGTON PLANNING GROUP

Meeting: Monday 20th June

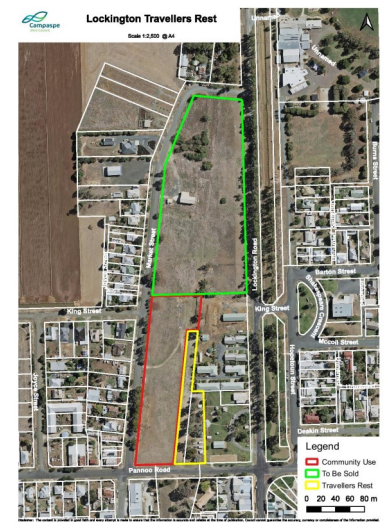

Where: Lockington Hall

Time: 7.30 pm

Please refer to map provided by the Shire with reference to the open area west of the Travellers rest and to the north to Market Street.

The future of this area is currently being discussed by the Shire and needs to have full consultation with the Lockington community. This is happening sooner than first thought, as we had believed that the Shire was going to provide us with an asset map of everything in the township of Lockington. As this has not happened, we need to keep up with Shire plans.

Please attend the meeting
on the 20th June
or let Colin Bacon 0428 370 813
know your thoughts
if you are unable to attend.

LOCKINGTON & DISTRICT LIVING HERITAGE COMPLEX

Complex: 5486 2515 - Open Sunday's 1pm to 4pm or by appointment

Hello again Everyone,

We've been reading early newspaper reports of life in our district in 1889. For the first time since 1875, the seasonal conditions that year were living up to the expectations of the earliest of the selectors. So much rain fell that, at times, the roads were almost impassable, but the residents were so relieved to be without fear of drought that no-one was complaining. In the *Rochester Express* of 9 August 1889, the Minister for Water Supply, Mr Alfred Deakin, advertised for tenders to contract for the first stages of construction of the "Western Main Irrigation Channel, Goulburn District," so it seemed the dream of a massive irrigation scheme for the plains of Northern Victoria might yet come true.

Winter that year was quite cold, but the crops continued to do well, until October brought a couple of severe thunderstorms which damaged some of them. In the meantime, the social life of the district went on unimpeded. From Tennyson, it was reported by the *Elmore Standard* on 25 October, that the local Mutual Improvement Association continued to hold successful weekly meetings with a membership now exceeding forty. It was also reported that Private H Scurrah had won a handsome trophy in a recent rifle competition held at the Pannoomilloo butts, reinforcing his reputation as a "promising young shot." On a sad note, the death of Mr. James Scott, a former councillor of the Echuca Shire Council, and a highly esteemed and respected resident of Milloo for the past 10 years, was announced in the *Bendigo Advertiser* on 8 October, 1889.

Perhaps the major local social event of the year was reported by the *Kerang Times* on Friday, 13 December 1889. The young people of the Pannobamawm district had all been caught up in the excitement of preparations for the celebration on 31 October 1889, of the marriage of Mr William Rigby to Miss Sarah Yeaman of "Shadyside." Both well-known and popular throughout the district, they were married that day at the residence of the bride's parents, in the presence of a few of the nearest relations. Then, in the evening, the guest numbers swelled "until about 100 ladies and gentlemen were present," and dancing, dining, and general merriment continued "until the eastern horizon showed signs of the coming day."

The weather damage caused by October's storms was not general but, by 15 November, as reported by the *Bendigo Advertiser*, prospects for the harvest that season did not look as promising as had been hoped. Weather-damaged crops were already being cut for hay, and others had been infested by rust and/or take-all. On the other hand, conditions for livestock appeared excellent. A report from Mitiamo, in the

Advertiser on 2 December 1889, read: - "Not for many years has the grass grown so luxuriantly, and it is almost impossible, in consequence, to obtain store stock." The writer added: - "There will be great danger of bushfires as the summer advances; indeed, the first bushfire of the season started last Wednesday to the north-east of Mitiamo, but I have not heard that any very serious damage was done."

Two more fires occurred in the district three weeks later; one in Tennyson on 23 December, which started in Mr Patullo's paddock and "spread with lightning rapidity into Messrs Pritchard's and C A Yeaman's grass paddock." A wind change "caused the fire to spread across the properties of Messrs. Martin Bros., J Watson and C A Yeaman. Great difficulty was experienced in saving Messrs Martin's homestead and haystacks." All those named lost pasture and fencing, and C A Yeaman also lost about ten acres of "a splendid crop of wheat." On the morning of 26 December, the second fire broke out on the farm of Mr Thos Davies of Terrick Terrick, and "destroyed the whole season's produce, including haystacks, wheat stacks, standing crop, etc., together with a stripper and winnower." Both fires were reported by the *Bendigo Advertiser* on 27 December 1889.

With harvesting now completed, the yield of wheat from the Terricks district had been reported in the *Melbourne Argus*, on 7 January 1890, as "the best experienced for many years," adding that "the quality is also very good." The summer was a particularly hot one, with Tennyson's *Bendigo Advertiser* correspondent describing the conditions as "day after day, being one continual wave of heat," in his report of 6 February. "The oldest residents declare they do not remember ever experiencing such a long continuation of hot dry weather without a change of some kind."

Around Mitiamo, instances of illness among the district's children about that time, including an outbreak of 'sandy blight,' were being attributed to the excessive heat, as reported by their local correspondent in the 23 January edition of the *Advertiser*. He also reported briefly on the wedding "at the Terricks, [of] Miss Jane Davies, daughter of Mr. Thomas Davies, an old and greatly respected resident of the district, [and] Mr. Robert Gamble, son of Mr. Fred Gamble, also a well-known and highly respected farmer of Mologa. ... Owing to family bereavements during the past year, the wedding was very quiet; nevertheless, the young couple carry with them the best wishes for their future welfare from their many friends on the Terricks."

More of 1890 next time,

Marg O'Brien

COMMUNITY POOL RALLIES CONTINUE TO BE SUCCESSFUL.

We held a successful rally about the shires outdoor pools in Kyabram on Sunday 29th May. Over 100 people attended from towns from the Campaspe shire, with huge thanks to those who travelled from Locky to attend!

One of our aims is to inform the public that we all can be heard and it was evident from Sunday's rally that closure of any of the pools would adversely effect all ages.

A group of ladies explained that they meet for morning swims and the benefits were immense in retaining their physical and mental health as they have aged.

Random community members will be contacted by shire reps, for phone surveys or whether they would sit on one of the new committees. Decisions made will determine not only our pools future, but possibly other amenities in our town. So engage where you can.

Be heard.

IT'S A STRIKE!

Thanks to a Vic Health grant, our Lockington Youth Action Group travelled to Bendigo Bowling Centre and enjoyed a few games of 10 Pin Bowling and lunch. There were some strikes, spares and gutter balls enjoyed all round with some fun competition. For some, it was the first time bowling and others hadn't bowled in years. The shoes took a little to get used to and were quite the fashion statement! A big thank you to our parents and volunteers who come along to assist in supervising and bus driving, your support is greatly appreciated.

Septic tank cleanout scheme to continue

We are pleased to announce that voting for the Septic Tank Effluent Disposal (STED) system ballot closed on 15 April 2022. With 58% of the votes, the preferred choice was option 2: Coliban Water pays for a septic tank cleanout every three years.

Five customers attended the community meeting held on 6 April 2022. We discussed the history of the STED system and its implications on customers today and addressed concerns about inadequate water pressure in Lockington.

The response was strong, with more than a third of Lockington customers responding. Thank you to those who participated and provided feedback. We will review the program again for the 2028-2033 pricing period.

If you have not had your septic tank cleaned out in the past three years, we encourage you to contact our Customer Support Team on 1300 363 200 to make arrangements.

New booster pump is coming this year

Lockington has experienced water pressure issues, particularly during periods of hot weather when there is increased demand on the network. We are installing a booster pump at the water tank site to improve your water pressure by the end of 2022. The pump is designed to regulate pressure in the network.

To prevent damage to the network, pressure will gradually be increased to an optimal level. We anticipate the pump will be commissioned in late 2022. This work will include looking at how to limit interruptions to the Lockington community in the event of a burst occurring. We encourage the community to report leaks, faults, and emergencies anytime on 1300 363 200.

If you have any questions or further comments, please contact us on 1300 363 200 or email at communications@coliban.com.au.

LOCKINGTON COMMUNITY UPDATE

2023 Pricing Submission

We're preparing the 2023-2028 Pricing Submission, which details our proposed levels of investment, service and pricing for the coming years.

Our region is facing a critical point in its water supply and demand. Our built structures are ageing, and our climate is getting drier. We need to prepare for this changing future.

THE CHALLENGE FOR US IS HOW DO WE PREPARE FOR TOMORROW WHILE BEING FAIR TO CUSTOMERS TODAY?

In 2021, we asked customers for input into our five-year pricing plan. The engagement results will help inform our Pricing Submission to the Essential Services Commission.

We need to demonstrate that our prices and investment are prudent and efficient, meet our business requirements and are fair in terms of the impact on our customers and the community.

The information our customers share with us informs how we prioritise our pricing and services. We combined customer feedback and targeted customer engagement results for the current Pricing Submission and presented the insights to a Community Panel.

The panel presented us with their recommendations, and during July, the rest of the community will get a chance to read and comment on the draft proposal.

You can find out more at connect.coliban.com.au/ps23

ANDREWS LABOR GOVERNMENT ROAD SAFETY CUTS CAN ONLY COST MORE LIVES SAYS WALSH

The Nationals leader and Member for Murray Plains, Peter Walsh, says Victorian parliamentary committee hearings have exposed a savage \$50 million cut to road safety in the Andrews Labor Government's 2022-23 Victorian Budget.

With more cuts on the way.

Mr Walsh says the funds were slashed from the budget despite the state's road toll increasing to 99 lives lost, up from 87 deaths at the same time last year.

He says the Public Accounts and Estimates Committee (PAEC) also heard road safety spending in 2021-22 plunged to \$86.6 million following an expected outlay of \$136.9 million – a 37 per cent cut on projections.

"Concerningly, targets for road safety initiatives have been cut from 73 to 34, pending Federal Government investment," Mr Walsh says.

"With the road toll rising, now is not the time to cut road safety spending – this short-sighted penny pinching does nothing but ring alarm bells and risk more lives," he says.

"Every road death is a tragedy and so many of them are preventable. We need strong investment to drive down the road toll and keep Victorians safe.

"We have no clarity on what crucial projects will not be funded as a result of these broad cuts to funding and the delivery of initiatives.

"Road safety is everyone's business and I urge the government to reverse these cuts and re-invest in road safety."

Mr Walsh also pushed the Government to take a multi-pronged approach to road safety, including proper investment in road maintenance and management.

He said Labor has carved big cuts from road asset management for the past two years, to the tune of more than \$200 million.

"The Andrews Labor Government refuses to acknowledge the pivotal role safe and properly maintained roads play in keeping road users safe," Mr Walsh added.

"Human error is a major factor in the road toll, with too many Victorian roads plagued by crumbling shoulders and massive potholes that are a daily danger to motorists," he said.

"Safe country roads save country lives. These budget cuts don't make sense as we watch our road network fall into a state of disrepair.

"The Auditor-General first warned the Labor Government about the declining state of our road network in 2017, these cuts must be reversed and road safety re-prioritised to the benefit of all Victorians."

GOLDEN OPPORTUNITY FOR WOMEN TO PLAN POLITICAL CAREERS SAYS WALSH

The Nationals leader and Member for Murray Plains, Peter Walsh, is urging women across his electorate – and the state – to get involved in the Women Leading Locally: An Opportunity To Step Up program.

Mr Walsh says the program is being delivered by the Institute of Community Directors Australia in partnership with Women for Election.

He says the initiative aims to support more women to step forward and stand for local government elections in October 2024, including in Campaspe, Gannawarra and Swan Hill, which fall within his electorate.

"This is such a vital first step on the path to getting more women to stand for Parliament – state and federal – and I

cannot over emphasise how important it is for the whole community," Mr Walsh says.

"The Institute is the country's leading membership and training body for community leaders, and is an Our Community enterprise, while WFE is a non-partisan, not-for-profit that aims to inspire and equip more women to run for public office," he says.

"Their partnership will begin with a series of face-to-face and online seminars to explain more about the program, highlighting the often-invisible work of women leaders across the state and encouraging them to get involved in local politics.

"Seminar participants will also hear how they can play a role in supporting other women into power."

Mr Walsh says he cannot think of a better way to introduce women into the opportunities and possibilities of politics than through a program as diverse and extensive as this one.

He says building a strong group of equally diverse women to contest the 2024 elections will "without doubt" contribute to building stronger councils for Campaspe, Swan Hill and Gannawarra.

"Even better I would look forward to some – or all – of these women considering joining The Nationals to help us ensure we give regional Victorians the support and representation they deserve," Mr Walsh added.

Applications are now open for the 2022 Women Leading Locally Fellowship, which will provide 60 women with the skills, tools, and support to stand for the next local government elections.

With another 60 fellows to be selected next year.

Institute general manager Adele Stowe-Lindner says WLE is targeting applicants from the 30 local government areas where women were most under-represented at the 2020 council elections.

Ms Stowe-Lindner says they are looking for women from all ages and backgrounds – young women, First Australians women, women who live with disability, from diverse cultural and linguistic backgrounds, and LGBTQI+ women are all encouraged to apply.

"Help us to help you tap into your unexplored potential as women leaders in your community; and like Mr Walsh we encourage you to step forward, step up and help break the bias," she added.

VOLUNTEERING

Every small community needs volunteers, and this can be in the form of anything from Presidents, Treasurers and Secretaries to bbq cooks and gardeners. The trick is to see where you fit.

Some good questions to ask yourself are...

- What skills do I have?
- What skills would I like to build on?
- What are my interests?
- Which organisations need help?
- What skills are needed?

The Lockington community has a history of being very proactive, but that doesn't happen without volunteers.

Please, if you're not involved with a local group, find one that suits you, your skills and interests, and stick your hand up to pitch in and help our community to thrive.

Alison Stewart (Editor)

IF NOT, WHY NOT?

Are you involved in a community group?

Does your group share news via The Locky News?

Please be sure to appoint a publicity officer, and get them to send us items for the paper.

We have many readers who love reading about the local families and their sporting and community achievements.

This is the best and FREE local publicity your community group will ever get!

Two more first-round matches in the Handicap Matchplay Championships have been decided. In a quality contest, Trav Mancer defeated Kevin Humbert 3 and 1. Tom Scurrah won the last 2 holes to snatch victory from the jaws of defeat and win 1-up against the gallant Graeme Hodgens.

03/06: The women got their Club Championships under way and it was Carolyn Mitchell who played a great round of 97-24-73 to be best on course, with Jenny Holt runner-up. Carolyn was also best

for count the putts, with only 29, on a countback from Helen Hayes and Phyll Macfarlane.

SEASON 2022 CLUB NEWS

Staying United - On and Off the Field

ROUND 8 MILESTONE - 50 GAMES

Congratulations to Hannah Sidebottom for achieving 50 Senior Games for LBUFNC.

Hannah was recruited from Congupna in the Murray League 5 years ago starting off as a shooter with some smooth moves in the goal ring. She is now a silky defender who loves to read the play and get a handy intercept or two!

Hannah from the get go has been involved in the club, whether it has been a social club member, player, coach or umpire! Always a joy to have at training and game days and always makes you feel welcome and important to talk to. Her enthusiasm for the game of netball and this club shines brightly. This was also indicated when she received the Amee Hardess Players' Player award at the start of the year. This was voted by her senior netballing peers.

Congratulations Hannah! We are lucky to have you and can't wait to see then next few milestones!

Goods & Services 2022

It's that time of the year again when the Lockington Bamawm United Football Netball Club starts gearing up for its annual goods and services auction! The auction, to be held on June the 25th and 2022 serves as one of the club's major fundraisers, the auction relies on support from its sponsors and local businesses. Any donations - no matter how great or small - towards the auction would be greatly appreciated and would help showcase your business to club members.
