Hello again Everyone,

We've been looking back at early newspapers to learn the story of our district from the Selection Era until Lockington was gazetted as a township. Since 1876, there had been an ongoing campaign for the provision of a railway line to serve the local farming communities; a service that could have meant so much to the development of the area. There had been numerous local meetings, both small and large, submissions and deputations to Government Ministers, tours of inspection by ministerial groups, and even an inquiry conducted by a Railways Standing Committee. Despite surveys having been carried out over a variety of proposed routes for such a railway line, by late 1891, the people were still waiting as no construction had yet been approved.

Earlier that year another matter had come to the attention of the region's farming communities. On 9 May 1891, the *Melbourne Age* carried a report of a petition being drawn up to request that the Terrick Terrick State Forest be allowed "to remain in its entirety, as the only place where residents on the [northern] plains for miles around can obtain a supply of timber." The catalyst for this action was a request from the Gordon Shire that the Lands Department throw open some 7000 acres of the forest for selection. On 15 July 1891, Messrs McColl and Hightett, M's L. A., presented the petition to the Minister for Lands. As reported by the *Bendigo Advertiser* on 16 July, the plea of the petitioners "was based on the ground that the forest contained a large amount of timber that would be exceedingly valuable for fencing purposes and also for firewood." The Minister, Mr. M'Lean, promised to instruct the Forest Board to make an inquiry into the matter but by 18 November 1891, the Board's report was still awaited. On that date, as reported by the *Ballarat Star* on 19 November, the Minister of Forests, Mr Outtrim, was approached by a deputation complaining of the extent of the rabbit pest in the Forest Reserve and requesting that the reserve be adequately fenced to prevent the damage being caused to neighbouring farms. The Minister stated that the situation would be investigated.

On 25 August 1891, the *Bendigo Advertiser* reported on a petition then being circulated to gather signatures within the Rochester Shire. It was directed to the Shire and complained of the condition of the roads, both east and west of the township of Rochester, and within the town itself, where the streets were "scarcely less than quagmires." The recent heavy rain, not often seen in the district, and welcome in other respects, was undoubtedly the cause. Luckily, it had not seriously disrupted the social life of our local residents, with cricket matches a frequent leisure activity as was usual at this time of the year. The Tennyson Mutual Improvement Association continued to meet regularly and held concerts and other events to raise funds for the hall it proposed to build. A notice in the *Elmore Standard* on 11 September,

stated that the committee hoped to call for tenders at the end of the month. It went on to state: - "The hall is to be erected on an allotment of land kindly given by Mr P Seerson, and in a very central position. It will supply a long-felt want in this district."

In mid-September 1891, the Diggora wedding of William Zealley and Jane, the daughter of Mr John Stewart of Milloo, delighted their friends and neighbours, and on 7 October, the Pannoomiloo Rifle Club provided an enjoyable evening for the district when their Annual Military Ball was held at the "Old Mill," but the good times didn't last. The death of Mrs William Martin of Terricks East distressed all who knew her; a bride just a year earlier, she left a tiny babe, and a grieving husband. The sympathy of all was extended to them, and to Mrs Martin's parents, Mr and Mrs Trimby. Mrs Martin was buried at Pine Grove Cemetery on 17 October 1891. Then, suddenly, the district was in the grip of an influenza epidemic. In Bamawm, John Stowe had died on 4 October, leaving a wife and a large family, and Mrs Thomas Brereton of Milloo, who died on 16 October, was also among its earliest victims. Mr O Fitzgerald, the Minister of St David's Church, Milloo, who had gone to assist the Breretons, succumbed to the same illness though fortunately, he and others of the Brereton family made a good recovery. By 26 November 1891, Dr Taaffe, the Health Officer was able to report to the Echuca Shire Council that the influenza epidemic had almost entirely disappeared but, while it persisted, he had been obliged to close the Diggora, Diggora West, Bamawm North, Bamawm South, Pannoomiloo and Nanneella State Schools, in an effort to check its progress.

The year 1891 drew to a close with the harvest coming in. A report to the *Bendigo Advertiser* from the Tennyson correspondent on 4 January 1892, announced that the yield had "hardly been up to expectations," though the quality of the grain was "generally fairly good." The Milloo report was similar, but the *Elmore Standard* of 15 January, claimed that good yields had been obtained in Pannooabamawm, Pannoomiloo and Diggora. Unfortunately, the wheat market was described in a later edition of that same paper as being "depressed." No doubt the harvest was thoroughly discussed on 16 February 1892, when farmers from Rochester (22 miles away), Diggora, Milloo, Pannoomiloo, Prairie, Mitiamo, Torrumbarry, and Pannooabamawm, about 500 of them in all, gathered at Mr James Watson's farm at Tennyson. As reported by both the *Bendigo Advertiser* and the *Bendigo Independent* on 20 February 1892, they came to witness a field trial of two seed and manure drills – the 'Buckeye' and the 'Empire.' According to the Tennyson correspondent "each machine performed its work in a satisfactory manner, and each had its admirers."

'Bye for now,  
 Marg O'Brien.

**TO BE PART OF A COMMUNITY**

Every small community needs volunteers, and this can be in the form of anything from Presidents, Treasurers and Secretaries to bbq cooks and gardeners.

The trick is to see where you fit.

Some good questions to ask yourself are...

- What skills do I have?
- What skills would I like to build on?
- What are my interests?
- Which organisations need help?
- What skills are needed?

The Lockington community has a history of being very proactive, but that doesn't happen without volunteers.

Please, if you're not involved with a local group, find one that suits you, your skills and interests, and stick your hand up to pitch in and help our community to thrive.

## Versatility of the Nasturtium

Nasturtiums have bright colours that are attractive in any garden. Did you know they are also fully

edible? They are often used to create a peppery flavour to salads or as a decoration on a cake.

Nasturtiums also have the added benefit of luring aphids away from your other garden plants which makes them a great addition to any garden. As an added bonus, they thrive on neglect.

**THANK YOU TO OUR ANNUAL ADVERTISERS  
FOR THEIR CONTINUED SUPPORT**

The Locky News is run by a group of dedicated volunteers but it still costs to produce the paper every fortnight. We have our overheads of office expenses and insurance and we have our fortnightly printing expenses.

Our Annual Advertisers basically cover our expenses, allowing us to use the income from casual adverts and donations to put back into the community by way of preparing and printing fliers for community events and by contributing to the Locky Bags which are distributed to newcomers to the district and to visitors to major community events such as our Annual Vintage Rally.

Advertising in The Locky News isn't just about getting more customers, it's about supporting the community that supports your business. This relationship needs to work the other way too, I urge all of our readers to support the businesses who advertise with us.

Thank You

## It's all about Community!

The Lockington Community Casserole Luncheon was finally able to be held this year. The Lockington Community Centre once again organized a fantastic luncheon for the community with over 80 people attending. Many enjoyed catching up with others, having a chat while enjoying a two course lunch offering a variety of home-made casseroles and tasty sweets.

On entry, community members were given a Lucky Door ticket with Sue Shotton and Felicity Lewis winning the prizes. Raffle tickets were also sold with prizes going to Sue Stewart, Pam Roberts, Margaret McPhee, Kerry Koch, Deb Chumley, Anne Luscombe and Julie Chappel.

We would like to thank the wonderful staff from Lockington and District Bush Nursing Centre who also attended offering free blood sugar and blood pressure tests for community members. Bev Brereton and Pauline Humbert later gave a speech thanking the community for their support and also thanked the Campaspe Shire Council for the grant which made the event a resounding success. The Community Casserole Luncheon is a fantastic community event that is inclusive and allows the community to come together to enjoy some great food. It was wonderful to see so many faces enjoying the day and commenting on how well the event was organized.

## **CHANGES APPROVED TO OUTDOOR POOL OPERATIONS**

*Published on 22 September 2022*

Campaspe Shire Council has approved a number of changes to the opening of its seven outdoor pools for the upcoming summer season.

Mayor Chrissy Weller said the changes focus on meeting increasing community usage of pools and operating needs, including changes to fees charged, opening hours and the use by schools.

"One of the main changes, which I am sure the community will welcome, is free admission to all seven outdoor pools for the 2022/23 season," Cr Weller said.

"Pool usage at some of our pools has declined across a number of years, and we would like to see if this is a direct result of the entry charge.

In approving free entry, Council has acknowledged the loss of income, indicative at \$88,000.

Other changes approved include:

Operational hours

School term - Weekdays 4pm to 8pm

Weekends 1pm to 8pm

School holidays - Weekdays 1pm to 8pm

Weekends 1pm to 8pm

*Noting that any early morning opening hours will not change.*

Opening date

Saturday, 26 November

Noting that a slightly later opening date may reduce the number of days the pool is closed due to the weather being below 25 degrees.

Council also approved changes to school groups using outdoor pools.

"If the request requires the operating hours to be varied, and no additional operating cost is incurred by Council, the school would pay no additional charges for a maximum of ten days," the Mayor added.

"Otherwise, a set fee of \$6 per person would apply to school groups using outdoor pools to deliver their own Learn to Swim programs, again for a maximum of ten days."

Further evaluation will be completed at the end of the outdoor pool season to fully understand the impacts of the changes, prior to consideration for future swim seasons.

## **LOCKINGTON LANDCARE**

Next Meeting: Thursday 6<sup>th</sup> October  
Where: Lockington Hotel  
When: 7 pm (meal at own cost)

### **Dung Beetles:**

Lockington Landcare has been active over the last few months. John Wright and Rod Bacon spoke at the Goulburn Murray Landcare meeting in Rochester regarding the dung beetle programme that we have been involved in. Over the last few years we have released 26,000 dung beetles in our area. In addition to this three local farmers took part in a breeding programme organised by the South Australian University. We have again expressed interest in being a part of the next project involving the breeding of dung beetles and are awaiting confirmation that this will go ahead. Dung beetles are not 'loyal' to the farmer who purchased/breed them, so keep your eye open for signs that they are now living on your farm. They are nature's natural way of disposing of dung and at the same time improving your soil health. What good little helpers they are!!

### **Trees:**

Several years ago, in conjunction with the Lockington Consolidated School, landcare members planted many trees along the railway line between O'Donnell road and Diggora road.

This year we again joined forces to plant trees around the car park boundary at the Pannoo Bamawm Cemetery in

Pine Grove. Thanks to Dan Walker for organizing the grant for this through the Queen Elizabeth II Platinum Jubilee Fund. The significance of the grant was explained to the students prior to planting the trees. A special thank you to the Lockington Action group, who once again provided their barbeque and staff to help with the sausage sizzle lunch and to "Uncle Rick" for the welcome to country held on the day.

### **Coming Up:**

We are soon to hold a 'soil health' day in conjunction with the NCCMA, Bendigo. A 'pit' will be dug in a paddock along Haw Road, Roslynmead. Keep watching for more details about this day.

If you have any ideas for future projects that could be undertaken by our Landcare group please let us know or come and join us.

New members are always welcome, please contact Wendy Sims 0427 868307 or John Wright 0409 259723 for more information.

## LOCKINGTON GOLF CLUB

### REPORT

#### MONDAY 26<sup>TH</sup> SEPTEMBER 2022

**17/09:** Jason Wakefield is the 2022 Lockington Golf Club Handicap Matchplay Champion, after he scored a hard-fought 2 and 1 win over Trav Mancer, played in atrocious weather conditions. Jason took an early lead and was never headed, but Trav pushed him all the way, his round highlighted by a remarkable birdie on the 6<sup>th</sup>.

Steve Holt and Grant Humbert took on Terry Thomas and Ian Haines to play off for the digits competition, but the match was called a tie after 12 holes, with all four drenched golfers walking off the course. The rest of the field played 9 holes before calling it quits for the day.

The day did finish with a bang however, as golfers enjoyed the 60<sup>th</sup> birthday party of our much loved and respected Captain Mark Lyons, together with his family and friends in the Clubhouse on Saturday night.

**23/09:** The women played for the Lorna Henderson Canadian Trophy, in a shortened round format. The three pairs were remarkably evenly matched, with victory to Marg Eade and Jenny Holt (80-24-56) by 2 ½ shots from Sherryl Jones & Phyll Macfarlane (58.5).

The scratch scores were even closer, with just 2 shots separating the 3 teams. The best score was returned by Sue Harris & Pauline Humbert (79). Nearest the pin: Sue Harris.

**24/09:** The men played an ambrose event, with the best score returned by Stuart Newton, Tom Scurrah and Steve Holt, who combined very well to finish with 68-8.67-59.33.

Runners-up were the executive team of Trav Mancer, Mark Lyons and Grant Humbert (67-6.5-60.5). Des Pentreath, Brendan Pentreath, Jeff Carnie & Don Muhleisen were next best with a very creditable 76-14-62.

Nearest the pins: 3<sup>rd</sup> – Ash Portwine (new sticks working well?); 2<sup>nd</sup> shot 9<sup>th</sup> – Kevin Humbert (A), Trav Mancer (B), Mark Lyons (C).

Spike's Longest Drive on the 15<sup>th</sup>, sponsored by Hot 'n' Cold Plumbing – Grant Humbert (A), Trav Mancer (B), Tom Scurrah (C). Neither the Echuca CIH eagles nest on the 3<sup>rd</sup>, nor Captain Bricka's yardstick on the 7<sup>th</sup> was won.

The Joy Bickford Rose Bowl has been cancelled due to the persistent rain and the effect on the course conditions.

Club competitions will continue however, weather permitting.

**Saturday 1<sup>st</sup> October** – Stableford – Money Day.

**Sunday 2<sup>nd</sup> October** – Closing Day – 4 person ambrose.

**Saturday 8<sup>th</sup> October** – Presentation Night – bring & share casserole tea, 7/7.30pm – all welcome.

## LOCKINGTON BOWLS CLUB

### REPORT

#### 19 September

The pace was hectic at the Bowls Club on Sunday. The club entertained 48 bowlers from the Geelong Friendship tour for lunch and refreshments at mid-day, followed by a field of 102 bowlers to participate in the special Tom Davis Social 2-bowl Triples tournament starting at 1.00pm. A heavy load for all club members.

Club President Neil Haines and Lady President Denise Gilmore welcomed the touring group and wished them well for their week-long tour of the Swan Hill Region. After a healthy meal and a get to know locals, the group headed for Swan Hill at 2.00pm. Special thanks to Ray Hanson for organising the stop-over for the group.

On the greens the field consisted of bowlers from Deniliquin, Echuca, Elmore, Kerang, Lockington, Lake Boga, Mathoura, Moama, Pyramid Hill, Rich River, Rochester, Stanhope, Tongala and Woodbury. At the completion of the scheduled three games of eight ends, there were four teams undefeated. Decided on a Points system, there were only three points separating the four teams in the final countdown. The winners on a total of 78 points was the local trio comprising John Whiteside, John Fisher, Leanne McInnes (s) in a polished display. The Runners Up on a count-back were Lorelle Oopthgood, Jill Young, Kristy Gillingham (s) (Echuca) 76 points plus 18 shots ahead of the star-studded team from Rich River consisting of John Hurst, John Exton, John Stuart (s) finishing on 76 points plus 13 shots. In fourth place was the team of Andrew Harris, Ken Main, Graham Turner (s) 75 points. Special competition winners included Peter Philp, Rod Wickham (Lake Boga), Jerome Shaw, Graham Turner, Michelle Cunnington, Steve Cunnington and John Fisher. The club thanked Pauline Humbert for the effort in running the raffle. Tournament Secretary Chris Stewart congratulated all winners and acknowledged the magnificent input from the Greens staff - Kevin Humbert and Les Brereton in providing the true running greens following the torrential rain on the Saturday afternoon. A great effort. Stewart also thanked the sponsor Haeuslers Machinery - Echuca for their support. Brian Kinnane was thanked for all the work in gaining sponsorship for the day and organising the field for the tournament along with Denise Gilmore, Kim Ray, Lorraine Appleby, Russell Shawcross and Ray Hanson. Dave Thomas behind the bar was acknowledged with spontaneous applause. Words could not explain the fantastic effort from Denise Gilmore and her committee for supplying the magnificent meals throughout the day.

This special day was held to recognise the amazing contribution by the late Tom Davis over many years. Club President Neil Haines welcomed Margaret Davis and members of the Davis family and proceeded to present an in-depth report on the contribution by Tom Davis, not only to the Lockington Bowls Club, but the surrounding Bamawm - Lockington community. Two Moama bowlers Stuart Sutton and Barry Brown spoke highly of their association with Tom Davis both on the greens and in public which was greeted with applause. Some exciting anecdotes.

The highlight of the afternoon was the official

Unveiling of the "Tommy's Bar" plaque. This part of the official proceedings was conducted by Tom and Margaret's daughter Michelle Bennett. The family members joined to gain photographs of the plaque. A successful day with all in attendance there to celebrate their special affiliations with Tom Davis. The club thanked Alan Polak (Mathoura) for his donation and design of the plaque.
